

Clean Harbors Announces Opening of its Newest Service Center in Memphis, Tennessee

September 18, 2008 11:30 AM ET

Environmental Services for the Mid-South

MEMPHIS, TN – September 18, 2008 – Clean Harbors Environmental Services, Inc. (Clean Harbors), the leading provider of environmental and hazardous waste management services throughout North America, recently opened its newest service center. Located in Memphis, it serves the Mid-South including West Tennessee, North Mississippi, and Northeast Arkansas extending to Little Rock.

The Memphis service center is staffed and offers complete waste transportation and disposal, laboratory chemical packing, and field service capabilities including environmental emergency response, decontamination, tank cleaning, plant closure, and site remediation.

“We are excited about our investment in Memphis and our expanded service offerings to the Mid-South,” commented Clean Harbors Director of Site Services Eric Montgomery. “We are committed to providing our customers with the highest quality environmental services and to preserving our natural environment.”
