Issuance and Sale of New Notes

On July 2, 2019, the closing date under the purchase agreement dated June 18, 2019 which Clean Harbors, Inc. (the “Company”) announced on June 19, 2019, the Company issued and sold to the initial purchasers named in such agreement, for which Goldman Sachs & Co. LLC is acting as representative, \$545.0 million aggregate principal amount of the Company’s 4.875% unsecured senior notes due 2027 (the “2027 notes”) and \$300.0 million aggregate principal amount of the Company’s 5.125% unsecured senior notes due 2029 (the “2029 notes,” and together with 2027 notes, the “new notes”) pursuant to an indenture dated as of July 2, 2019 (the “2027/2029 notes indenture”), among the Company, as issuer, substantially all of the Company’s domestic subsidiaries, as guarantors, and U.S. Bank National Association, as trustee. The net proceeds from the sale of the new notes was approximately \$835.0 million.

The 2027 notes will mature on July 15, 2027, and the 2029 notes will mature on July 15, 2029. The Company will pay, in cash, interest on each series of the new notes semiannually on each January 15 and July 15, commencing on January 15, 2020. The new notes are not entitled to the benefit of any mandatory redemption or mandatory sinking fund payment.

The Company may, on one or more occasions, redeem all or any portion of the 2027 notes on and after July 15, 2022, upon not less than 30 nor more than 60 days’ notice, at the following redemption prices (expressed as percentages of the principal amount) if redeemed during the twelve-month period commencing on July 15 of the years set forth below, plus, in each case, accrued and unpaid interest, if any, to the date of redemption:

<u>Year</u>	<u>Percentage</u>
2022	102.438%
2023	101.219%
2024 and thereafter	100.000%

At any time prior to July 15, 2022, the Company may, on one or more occasions, redeem all or any portion of the 2027 notes, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to 100% of the principal amount of the 2027 notes redeemed, plus a make-whole premium as of the date of redemption, including accrued and unpaid interest to the redemption date. At any time, or from time to time, prior to July 15, 2022, the Company may, at its option, use the net cash proceeds of one or more equity offerings to redeem up to 35% in aggregate principal amount of all 2027 notes (whether issued on the closing date or thereafter pursuant to an issuance of additional 2027 notes) at a redemption price equal to 104.875% of the principal amount thereof plus accrued and unpaid interest thereon, if any, to the date of redemption; *provided, however*, that after any such redemption the aggregate principal amount of the 2027 notes outstanding (whether issued on the closing date or thereafter pursuant to an issuance of additional 2027 notes) must equal at least 65% of the original aggregate principal amount of all 2027 notes (including additional 2027 notes, if any). In order to effect the foregoing redemption with the net cash proceeds of any equity offering, the Company shall make such redemption not more than 90 days after the consummation of such equity offering.

The Company may, on one or more occasions, redeem all or any portion of the 2029 notes on and after July 15, 2024, upon not less than 30 nor more than 60 days’ notice, at the following redemption prices (expressed as percentages of the principal amount) if redeemed during the twelve-month period commencing on July 15 of the years set forth below, plus, in each case, accrued and unpaid interest, if any, to the date of redemption:

<u>Year</u>	<u>Percentage</u>
2024	102.563%
2025	101.281%
2026 and thereafter	100.000%

At any time prior to July 15, 2024, the Company may, on one or more occasions, redeem all or any portion of the 2029 notes, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to 100% of the principal amount of the 2029 notes redeemed, plus a make-whole premium as of the date of redemption, including

accrued and unpaid interest to the redemption date. At any time, or from time to time, prior to July 15, 2022, the Company may, at its option, use the net cash proceeds of one or more equity offerings to redeem up to 35% in aggregate principal amount of all 2029 notes (whether issued on the closing date or thereafter pursuant to an issuance of additional 2029 notes) at a redemption price equal to 105.125% of the principal amount thereof plus accrued and unpaid interest thereon, if any, to the date of redemption; *provided, however*, that after any such redemption the aggregate principal amount of the 2029 notes outstanding (whether issued on the closing date or thereafter pursuant to an issuance of additional 2029 notes) must equal at least 65% of the original aggregate principal amount of all 2029 notes (including additional 2029 notes, if any). In order to effect the foregoing redemption with the net cash proceeds of any equity offering, the Company shall make such redemption not more than 90 days after the consummation of such equity offering.

The new notes are and will be guaranteed by substantially all of the Company's current and future domestic subsidiaries. The new notes are the Company's and the guarantors' senior unsecured obligations, ranking equally with all of the Company's and the guarantors' existing and future senior unsecured obligations and senior to any future indebtedness that is expressly subordinated to the new notes and the guarantees. The new notes will be effectively subordinated to all of the Company's and the guarantors' secured indebtedness (including obligations under the Company's revolving credit facility and term loan credit facility) to the extent of the value of the assets securing such debt. The new notes will not be guaranteed by the Company's Canadian or other foreign subsidiaries, and the new notes will therefore be structurally subordinated to all indebtedness and other liabilities, including trade payables, of the Company's subsidiaries that are not guarantors of the new notes.

The 2027/2029 notes indenture contains covenants that, among other things, restrict the ability of the Company and its restricted subsidiaries to:

- incur or guarantee additional indebtedness (including, for this purpose, reimbursement obligations under letters of credit) or issue certain preferred stock;
- pay dividends or make other distributions to the Company's shareholders;
- purchase or redeem capital stock or subordinated indebtedness;
- make investments;
- create liens;
- incur restrictions on the ability of the Company's restricted subsidiaries to pay dividends or make other payments to the Company;
- consolidate or merge with or into other companies or sell, transfer, or otherwise dispose of all or substantially all of the Company's or the restricted subsidiaries' assets; and
- engage in transactions with affiliates.

These covenants are subject to a number of important limitations and exceptions. Furthermore, if the new notes attain investment grade ratings from both Moody's and Standard & Poors, then the Company's and its restricted subsidiaries' obligations to comply with many of the covenants described above will be suspended while such investment grade ratings remain in effect.

The 2027/2029 notes indenture provides for customary events of default including, but not limited to, cross defaults to other specified debt of the Company and its subsidiaries. In the case of an event of default arising from specified events of bankruptcy or insolvency, all of the outstanding new notes will become due and payable immediately without further action or notice. If any other event of default under the indenture occurs and is continuing, the trustee or holders of at least 25% in principal amount of the then outstanding new notes of either series may declare all the new notes of such series to be due and payable immediately.

The new notes and the related guarantees have not been registered under the Securities Act of 1933, as amended, and may not be offered or sold in the United States without registration or an applicable exemption from registration requirements. This report does not constitute an offer to sell or the solicitation of an offer to buy, nor

shall there be any sale of, the new notes or the related guarantees in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

The foregoing description of the 2027/2029 notes indenture and the new notes is qualified in its entirety by reference to the complete text of that indenture (which includes the respective forms of the new notes), a copy of which is filed as Exhibit 4.45 to this report.

Purchase of Tendered 2021 Notes; Supplemental Indenture for 2021 Notes; Discharge of 2021 Notes Indenture

As described in the Company's press release issued July 2, 2019 and current report on Form 8-K filed on July 2, 2019, the Company received on or prior to 5:00 p.m., New York City time, on July 1, 2019 (the "Early Tender Date"), tenders and consents from holders of \$701.0 million aggregate principal amount of the Company's outstanding 5.125% senior unsecured notes due 2021 (the "2021 notes"). Such tendered notes represented 83% of the \$845.0 million aggregate principal amount of 2021 notes for which the Company had commenced on June 18, 2019 its previously announced tender offer and consent solicitation (collectively, the "Tender Offer"). Concurrently with the issuance and sale of the new notes described above, the Company purchased on July 2, 2019, using a portion of the net proceeds from the sale of the new notes, all of the tendered 2021 notes for an aggregate of \$706.2 million, which represented a purchase price of \$1,002.99 per \$1,000.00 in principal amount of the 2021 notes validly tendered, plus accrued interest up to, but not including, the purchase date.

As described in the Tender Offer, the Company, the guarantors, and the trustee under the indenture under which the 2021 notes had been issued (the "2021 notes indenture") also entered on July 2, 2019 into a supplemental indenture incorporating the amendments described in the Tender Offer. Under such supplemental indenture, substantially all of the restrictive covenants and certain events of default in the 2021 notes indenture were eliminated and the required notice period contained in the optional redemption provisions of the 2021 notes indenture was reduced from a minimum of 30 days to a minimum of three days. The foregoing description of such supplemental indenture is qualified in its entirety by reference to the complete text of such supplemental indenture, a copy of which is filed as Exhibit 4.42A to this report.

On July 2, 2019, the Company also called for redemption on July 17, 2019, all of the \$144.0 million aggregate principal amount of outstanding 2021 notes which were not tendered in the Tender Offer on or prior to the Early Tender Date. Except to the extent (if any) that the holders thereof may tender prior to the Tender Offer's expiration on July 16, 2019, any 2021 notes which were not tendered by the Early Tender Date, the Company will redeem on July 17, 2019, all of such untendered 2021 notes. By 11:00 a.m. on July 17, 2019, the Company therefore anticipates that it will deposit with the trustee \$145.0 million in cash, which amount represents the redemption price (at 100.00% of the principal amount), plus accrued interest on the 2021 notes which have been called for redemption on July 17, 2019, in accordance with the 2021 notes indenture, as amended by the supplemental indenture described above, and the redemption notice provided to the holders of such 2021 notes on July 2, 2019. Upon such deposit, the 2021 notes indenture will be discharged.

Amendment to Revolving Credit Agreement

As described above, the Company issued and sold on July 2, 2019, under the 2027/2029 notes indenture, \$545.0 million aggregate principal amount of 2027 notes and \$300.0 million aggregate principal amount of 2029 notes. On July 2, 2019, the Company and substantially all the Company's domestic and Canadian subsidiaries also entered into a third amendment dated as of July 2, 2019 (the "third credit agreement amendment") to the Company's existing revolving credit agreement (the "revolving credit agreement") with Bank of America, N.A., as administrative agent, and the lenders thereunder. Under the revolving credit agreement, the Company has the right to obtain revolving loans and letters of credit for a combined maximum of up to \$300.0 million (with a sub-limit of \$250.0 million for letters of credit) and one of the Company's Canadian subsidiaries has the right to obtain revolving loans and letters of credit for a combined maximum of up to \$100.0 million (with a \$75.0 million sub-limit for letters of credit).

Under the revolving credit agreement, certain covenants (in particular, those relating to permitted “Debt” and “Unrestricted Subsidiaries”) are based upon “Senior High Yield Debt” and “Senior High Yield Indentures,” as those terms are defined in the revolving credit agreement. Prior to the third credit agreement amendment, those definitions included only the Company’s unsecured senior notes due 2020 (the “2020 notes”), the indenture under which the 2020 notes were issued (the “2020 notes indenture”), and the 2021 notes and the 2021 notes indenture. However, all the previously outstanding 2020 notes were repurchased or redeemed in 2017 and 2018 and the 2020 notes indenture was thereupon discharged. Furthermore, as described above, all of the 2021 notes were on July 2, 2019 either repurchased through the Tender Offer or called for redemption on July 17, 2019 and, upon such redemption, the 2021 notes indenture will be discharged. The third credit agreement amendment therefore adds the 2027 notes and the 2029 notes to “Senior High Yield Debt,” and the 2027/2029 notes indenture to “Senior High Yield Indentures,” as those terms are defined in the revolving credit agreement.

The foregoing description of the third credit agreement amendment is qualified in its entirety by reference to the complete text of such amendment, a copy of which is filed as Exhibit 4.34I to this report.

If such Person or any of its Restricted Subsidiaries directly or indirectly guarantees Indebtedness of a third Person, the preceding sentence shall give effect to the incurrence of such guaranteed Indebtedness as if such Person or any Restricted Subsidiary of such Person had directly incurred or otherwise assumed such guaranteed Indebtedness;

The Trustee is authorized to enter into a letter of representations with the Depository in the form provided by the Issuer and to act in accordance with such letter.

2.4. Paying Agent to Hold Assets in Trust.

The Issuer shall require each Paying Agent other than the Trustee to agree in writing that each Paying Agent shall hold in trust for the benefit of Holders of a series of Securities or the Trustee all assets held by the Paying Agent for the payment of principal of, premium, if any, or interest on, the Securities of such series (whether such assets have been distributed to it by the Issuer or any other obligor on the Securities of such series), and shall notify the Trustee of any Default or Event of Default by the Issuer (or any other obligor on the Securities of such series) in making any such payment. If either the Issuer or a Subsidiary acts as Paying Agent, it shall segregate such assets and hold them as a separate trust fund. The Issuer at any time may require a Paying Agent to distribute all assets held by it to the Trustee and account for any assets disbursed and the Trustee may at any time during the continuance of any payment Default or payment Event of Default, upon written request to a Paying Agent, require such Paying Agent to distribute all assets held by it to the Trustee and to account for any assets distributed. Upon distribution to the Trustee of all assets that shall have been delivered by the Issuer to the Paying Agent, the Paying Agent shall have no further liability for such assets.

2.5. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders of each series of Securities. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee on or before each Interest Payment Date and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders of such series of Securities, which list may be conclusively relied upon by the Trustee.

2.6. Transfer and Exchange.

(a) Subject to the provisions of Sections 2.14 and 2.15, when Securities of any series are presented to the Registrar or a co-Registrar with a request to register the transfer of such Securities or to exchange such Securities for an equal principal amount of Securities of such series of other authorized denominations, the Registrar or co-Registrar shall register the transfer or make the exchange as requested if its requirements for such transaction are met; *provided, however*, that the Securities surrendered for registration of transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Registrar or co-Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing. To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Securities at the Registrar's or co-Registrar's request. No service charge shall be made for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchanges or transfers pursuant to Section 2.2, 2.10, 3.6, 4.17, 4.18 or 9.5). The Registrar or co-Registrar shall not be required to register the transfer of or exchange of any Security (i) during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of Securities and ending at the close of business on the day of such mailing, (ii) selected for redemption in whole or in part pursuant to Article Three, except the unredeemed portion of any Security being redeemed in part, and (iii) during a Change of Control Offer or a Net Proceeds Offer if such Security is tendered pursuant to such Change of Control Offer or Net Proceeds Offer and not withdrawn. A Global Security may be transferred, in whole but not in part, in the manner provided in this Section 2.6(a), only to a nominee of the Depository for such Global Security, or to the Depository, or a successor Depository for such Global Security selected or approved by the Issuer, or to a nominee of such successor Depository.

(b) If at any time the Depository for the Global Security or Securities notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Security or Securities or the Issuer becomes aware that the Depository has ceased to be a clearing agency registered under the Exchange Act, the Issuer shall appoint a successor Depository with respect to such Global Security or Securities. If a successor Depository for such Global Security or Securities has not been appointed within 90 days after the Issuer receives such notice or become aware of such ineligibility, the Issuer shall execute, and the Trustee, upon receipt of an Officers' Certificate for the authentication and delivery of Securities, shall authenticate and make available for delivery, Securities in definitive form, in an aggregate principal amount at maturity equal to the principal amount at maturity of the Global Security representing such Securities, in exchange for such Global Security. The Issuer shall reimburse the Registrar, the Depository and the Trustee for expenses they incur in documenting such exchanges and issuances of Securities in definitive form.

The Issuer may at any time and in their sole discretion determine that the Securities of a series shall no longer be represented by such Global Security or Global Securities. In such event the Issuer will execute, and the Trustee, upon receipt of a written order for the authentication and delivery of individual Securities in exchange in whole or in part for such Global Security or Global Securities, will authenticate and make available for delivery individual Securities in definitive form in an aggregate principal amount equal to the principal amount of such Global Security or Global Securities in exchange for such Global Security or Global Securities.

In any exchange provided for in any of the preceding two paragraphs, the Issuer will execute and the Trustee will authenticate and make available for delivery individual Securities in definitive registered form in authorized denominations. Upon the exchange of a Global Security for individual Securities,

such Global Security shall be cancelled by the Trustee. Securities issued in exchange for a Global Security pursuant to this Section 2.6(b) shall be registered in such names and in such authorized denominations as the Depository for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall make available for delivery such Securities to the Persons in whose names such Securities are so registered.

Neither the Issuer, the Trustee, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

2.7. Replacement Securities.

If a mutilated Security is surrendered to the Trustee or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Security if the Trustee's requirements are met. If required by the Trustee or the Issuer, such Holder must provide an indemnity bond or other indemnity, sufficient in the judgment of both the Issuer and the Trustee, to protect the Issuer, the Trustee or any Agent from any loss which any of them may suffer if a Security is replaced. The Issuer may charge such Holder for its reasonable out-of-pocket expenses in replacing a Security pursuant to this Section 2.7, including reasonable fees and expenses of counsel.

Every replacement Security is an additional obligation of the Issuer.

2.8. Outstanding Securities.

Securities of any series outstanding at any time are all the Securities of such series that have been authenticated by the Trustee except those cancelled by it, those delivered to it for cancellation and those described in this Section as not outstanding. A Security does not cease to be outstanding because the Issuer, any Guarantor or any of their respective Subsidiaries or Affiliates holds the Security.

If a Security is replaced pursuant to Section 2.7 (other than a mutilated Security surrendered for replacement), it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Security is held by a bona fide purchaser or a protected purchaser. A mutilated Security ceases to be outstanding upon surrender of such Security and replacement thereof pursuant to Section 2.7. If the principal amount of any Security is considered paid under Section 4.1, it ceases to be outstanding and interest ceases to accrue.

If on a Redemption Date or the Maturity Date the Paying Agent (other than the Issuer or a Subsidiary) holds U.S. Legal Tender sufficient to pay all of the principal, premium, if any, and interest due on the Securities payable on that date, then on and after that date such Securities cease to be outstanding and interest on them ceases to accrue.

2.9. Treasury Securities.

In determining whether the Holders of the required principal amount of Securities of a series have concurred in any direction, waiver or consent, Securities of such series owned by the Issuer, any of its Subsidiaries or any of its respective Affiliates shall be disregarded, except that, for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent,

only Securities of such series that a Responsible Officer of the Trustee knows or has reason to know are so owned shall be disregarded.

2.10. Temporary Securities.

Until definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities, as evidenced by execution of such temporary Securities by the Issuer. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate definitive Securities in exchange for temporary Securities. Until such exchange, temporary Securities shall be entitled to the same rights, benefits and privileges as definitive Securities. Notwithstanding the foregoing, so long as the Securities are represented by a Global Security, such Global Security may be in typewritten form.

2.11. Cancellation.

The Issuer at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent (other than the Issuer or a Subsidiary), and no one else, shall cancel and shall dispose of all Securities surrendered for registration of transfer, exchange, payment or cancellation. Subject to Section 2.7, the Issuer may not issue new Securities to replace Securities that they have paid or delivered to the Trustee for cancellation. If the Issuer or any Guarantor shall acquire any of the Securities, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Securities unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.11.

2.12. Defaulted Interest.

If the Issuer defaults in a payment of interest on the Securities of a series, it shall, unless the Trustee fixes another record date pursuant to Section 6.10, pay the defaulted interest, plus (to the extent lawful) any interest payable on the defaulted interest, in any lawful manner. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date, which date shall be the fifteenth day next preceding the date fixed by the Issuer for the payment of defaulted interest or the next succeeding Business Day if such date is not a Business Day. At least 15 days before any such subsequent special record date, the Issuer shall mail to each Holder, with a copy to the Trustee, a notice that states the subsequent special record date, the payment date and the amount of defaulted interest, and interest payable on such defaulted interest, if any, to be paid.

2.13. CUSIP and ISIN Numbers.

The Issuer in issuing the Securities may use “CUSIP” and “ISIN” numbers, and if so, the Trustee shall use the CUSIP numbers in notices of redemption or exchange as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP and ISIN numbers printed in the notice or on the Securities, and that reliance may be placed only on the other identification numbers printed on the Securities and that any such redemption or exchange shall not be affected by any defect or omission of such CUSIP and ISIN numbers. The Issuer will promptly notify the Trustee of any change in CUSIP or ISIN number.

2.14. Restrictive Legends.

Unless and until a Security is sold in connection with an effective registration statement under the Securities Act, (i) the U.S. Global Securities and U.S. Physical Securities shall bear the legend set forth below (the “Private Placement Legend”) on the face thereof and (ii) the Offshore Physical Securities, until at least the 41st day after the Issue Date and receipt by the Issuer and the Trustee of a certificate substantially in the form of Exhibit D-1 (in the case of the 2027 Notes) or Exhibit D-2 (in the case of the 2029 Notes), as applicable hereto, shall bear the legend set forth below on the face thereof.

2.15. Book-Entry Provisions for Global Security.

(a) Each Global Security initially shall (i) be registered in the name of the Depository or the nominee of such Depository, (ii) be delivered to the Trustee as custodian for such Depository and (iii) bear legends as set forth in Section 2.14.

Members of, or participants in, the Depository (“Agent Members”) shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under any Global Security, and the Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of each Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

(b) Transfers of Global Securities shall be limited to transfers in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in any Global Security may be transferred or, subject to Section 2.1, exchanged for Physical Securities in accordance with the rules and procedures of the Depository and the provisions of Section 2.16. In addition, U.S. Physical Securities and Offshore Physical Securities shall be transferred to all beneficial owners in exchange for their beneficial interests in U.S. Global Securities or Offshore Global Securities, as the case may be, if (i) the Depository notifies the Issuer that it is unwilling or unable to continue as Depository for the U.S. Global Securities or the Offshore Global Securities and a successor depository is not appointed by the Issuer within 90 days of such notice or (ii) an Event of Default has occurred and is continuing and the Registrar has received a written request from the Depository or the Trustee to issue Physical Securities.

(c) In connection with any transfer or exchange of a portion of the beneficial interest in any Global Security to beneficial owners pursuant to paragraph (b), the Registrar shall (if one or more Physical Securities are to be issued) reflect on its books and records the date and a decrease in the principal amount of such Global Security in an amount equal to the principal amount of the beneficial interest in such Global Security to be transferred, and the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, one or more U.S. Physical Securities or Offshore Physical Securities, as the case may be, of like tenor and amount.

(d) In connection with the transfer of U.S. Global Securities or Offshore Global Securities, in whole, to beneficial owners pursuant to paragraph (b), the U.S. Global Securities or the Offshore Global Securities, as the case may be, shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, to each beneficial owner identified by the Depository in exchange for its beneficial interest in such U.S. Global Securities or Offshore Global Securities, as the case may be, an equal aggregate principal amount of U.S. Physical Securities or Offshore Physical Securities, as the case may be, of authorized denominations.

(e) Any Physical Security constituting a Restricted Security delivered in exchange for an interest in a Global Security pursuant to paragraph (b) or (c) shall, except as otherwise provided by paragraphs (a)(i)(x), (c), (d)(ii) and (e) of Section 2.16, bear the legend regarding transfer restrictions applicable to the Physical Securities set forth in Section 2.14.

(f) The Holder of a Global Security may grant proxies and otherwise authorize any person, including Agent Members and persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Securities.

2.16. Special Transfer Provisions.

(a) Transfers to Non-QIB Institutional Accredited Investors. The following provisions shall apply with respect to the registration of any proposed transfer of a Security constituting a Restricted Security to any institutional accredited investor (as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act) (an “Accredited Investor” or an “Institutional Accredited Investor”) which is not a QIB (excluding Non-U.S. Persons):

(i) the Registrar shall register the transfer of any Security constituting a Restricted Security, whether or not such Security bears the Private Placement Legend, if (x) the transferee certifies that it is not an Affiliate of the Issuer and the requested transfer is after the first anniversary of the later of the (a) Issue Date and (b) the last date on which the Issuer or an Affiliate of the Issuer was the owner of such Security (or any predecessor Security) or such shorter period of time as permitted by Rule 144 under the Securities Act or any successor provision thereunder or (y) the proposed transferee has delivered to the Registrar a certificate substantially in the form of Exhibit C-1 or C-2 hereto, as applicable, and if such transfer is in respect of an aggregate principal amount of Securities of less than \$250,000, the proposed transferee has delivered to the Registrar and the Issuer an Opinion of Counsel acceptable to the Issuer that such transfer is in compliance with the Securities Act and such other certifications, legal opinions or other information that the Trustee may reasonably request in order to confirm that such transaction is being made pursuant to an exemption from or in a transaction not subject to the registration requirements of the Securities Act; and

(ii) if the proposed transferor is an Agent Member holding a beneficial interest in the U.S. Global Security, the Registrar shall register the transfer of any Security constituting a Restricted Security, whether or not such Security bears a Private Placement Legend upon receipt by the Registrar of (x) the certificate, if any, required by paragraph (i) above and (y) instructions given in accordance with the Depository’s and the Registrar’s procedures, whereupon (a) the Registrar shall reflect on its books and records the date and (if the transfer does not involve a transfer of outstanding U.S. Physical Securities) a decrease in the principal amount of the applicable U.S. Global Security in an amount equal to the principal amount of the beneficial interest in such U.S. Global Security to be transferred, and (b) the Issuer shall execute and the Trustee shall authenticate and make available for delivery one or more U.S. Physical Securities of like tenor and amount.

(b) Transfers to QIBs. The following provisions shall apply with respect to the registration of any proposed transfer of a Security to a QIB (excluding transfers to Non-U.S. Persons):

(i) if the Security to be transferred consists of (x) either Offshore Physical Securities prior to the removal of the Private Placement Legend or U.S. Physical Securities, the Registrar shall register the transfer if such transfer is being made by a proposed transferor who has checked the box provided for on the form of Security stating, or has otherwise advised the Issuer and the Registrar in writing, that the sale has been made in compliance with the provisions of Rule 144A to a transferee who has signed the certification provided for on the form of Security stating, or has otherwise advised the Issuer and the Registrar in writing, that it is purchasing the Security for its

own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuer as it has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A or (y) an interest in the U.S. Global Securities, the transfer of such interest may be effected only through the book entry system maintained by the Depository; and

(ii) if the proposed transferee is an Agent Member, and the Securities to be transferred consist of U.S. Physical Securities which after transfer are to be evidenced by an interest in a U.S. Global Security, upon receipt by the Registrar of instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the applicable U.S. Global Security in an amount equal to the principal amount of the U.S. Physical Securities to be transferred, and the Trustee shall cancel the U.S. Physical Securities so transferred.

(c) Transfers of Interests in the Permanent Offshore Global Securities or Unlegended Offshore Physical Securities. The following provisions shall apply with respect to any transfer of interests in Permanent Offshore Global Securities or unlegended Offshore Physical Securities. The Registrar shall register the transfer of any such Security without requiring any additional certification.

(d) Transfers to Non-U.S. Persons at Any Time. The following provisions shall apply with respect to any transfer of a Security to a Non-U.S. Person:

(i) Prior to the 41st day after the Issue Date, the Registrar shall register any proposed transfer of a Security to a Non-U.S. Person upon receipt of a certificate substantially in the form of Exhibit D-1 or D-2, as applicable, from the proposed transferor.

(ii) On and after the 41st day after the Issue Date, the Registrar shall register any proposed transfer to any Non-U.S. Person if the Security to be transferred is a U.S. Physical Security or an interest in U.S. Global Securities, upon receipt of a certificate substantially in the form of Exhibit D-1 or D-2, as applicable, from the proposed transferor.

(iii) (a) If the proposed transferor is an Agent Member holding a beneficial interest in the U.S. Global Securities, upon receipt by the Registrar of (x) the documents, if any, required by paragraph (ii) and (y) instructions in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and a decrease in the principal amount of the U.S. Global Securities in an amount equal to the principal amount of the beneficial interest in the U.S. Global Securities to be transferred, and (b) if the proposed transferee is an Agent Member, upon receipt by the Registrar of instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Offshore Global Securities in an amount equal to the principal amount of the U.S. Physical Securities or the U.S. Global Securities, as the case may be, to be transferred, and the Trustee shall cancel the U.S. Physical Security, if any, so transferred or decrease the amount of the U.S. Global Security.

(e) Private Placement Legend. Upon the registration of transfer, exchange or replacement of Securities not bearing the Private Placement Legend, the Registrar shall make available for delivery

Securities that do not bear the Private Placement Legend. Upon the registration of transfer, exchange or replacement of Securities bearing the Private Placement Legend, the Registrar shall make available for delivery only Securities that bear the Private Placement Legend unless (i) the circumstance contemplated by paragraph (a)(i)(x), (c) or (d)(ii) of this Section 2.16 exists or (ii) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Issuer and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act.

(f) General. By its acceptance of any Security bearing the Private Placement Legend, each Holder of such Security acknowledges the restrictions on transfer of such Security set forth in this Indenture and in the Private Placement Legend and agrees that it will transfer such Security only as provided in this Indenture.

The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.15 or this Section 2.16 in accordance with its customary procedures. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

(a) No Obligation of the Trustee. The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Security, a member of, or a participant in the Depository or any other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant member thereof, with respect to any ownership interest in the Securities or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Securities. All notices and communications to be given to the Holders and all payments to be made to Holders under the Securities of a series shall be given or made only to the registered Holders of such series of Securities (which shall be the Depository or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(b) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Security (including any transfers between or among Depository participants, members or beneficial owners in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

ARTICLE THREE

REDEMPTION

3.1. Notices to Trustee.

If the Issuer elects to redeem Securities of any series pursuant to Paragraph 5 of such Securities, the Issuer shall notify the Trustee in writing of the Redemption Date, the Redemption Price and the principal amount of the applicable Securities of such series to be redeemed. The Issuer shall give any

such notice of redemption to the Trustee at least 45 days but not more than 60 days before the Redemption Date (unless a shorter notice shall be agreed to by the Trustee in writing).

3.2. Selection of Securities to Be Redeemed.

In the event that less than all of any series of Securities are to be redeemed at any time, selection of such Securities of such series for redemption will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which such Securities of such series are listed or, if such Securities of such series are not then listed on a national securities exchange, on a *pro rata* basis; *provided, however*, that no Securities of a principal amount of \$2,000 or less shall be redeemed in part; and *provided, further*, that if a partial redemption is made with the Net Cash Proceeds of an Asset Sale or an Equity Offering, selection of the Securities or portions thereof for redemption shall be made by the Trustee on a *pro rata* basis or on as nearly a *pro rata* basis as is practicable (subject to the procedures of the Depository), unless such method is otherwise prohibited.

3.3. Notice of Redemption.

If the Issuer shall give notice to the Trustee pursuant to Section 3.1 of an election to redeem Securities of any series, the Trustee shall, upon the written request and in the name and at the expense of the Issuer, at least 30 days but not more than 60 days before the Redemption Date, mail a notice of redemption by first class mail, postage prepaid, to each Holder whose Securities are to be redeemed at its registered address. Each notice of redemption shall identify the Securities to be redeemed and shall state:

- (a) the Redemption Date;
- (b) the Redemption Price and the amount of accrued interest, if any, to be paid;
- (c) the name and address of the Paying Agent;
- (d) that Securities called for redemption must be surrendered to the Paying Agent to collect the Redemption Price, plus accrued interest, if any;
- (e) that, unless the Issuer defaults in making the redemption payment, interest on Securities called for redemption ceases to accrue on and after the Redemption Date, and the only remaining right of the Holders of such Securities is to receive payment of the Redemption Price, and accrued interest, if any, upon surrender to the Paying Agent of the Securities redeemed;
- (f) if any Security is being redeemed in part, the portion of the principal amount of such Security to be redeemed and that, after the Redemption Date, and upon surrender of such Security, a new Security or Securities in aggregate principal amount equal to the unredeemed portion thereof will be issued;
- (g) if fewer than all the Securities of any series are to be redeemed, the identification of the particular Securities of such series (or portion thereof) to be redeemed, as well as the aggregate principal amount of Securities of such series to be redeemed and the aggregate principal amount of Securities of such series to be outstanding after such partial redemption;
- (h) the Paragraph of the Securities pursuant to which the Securities are to be redeemed; and

(i) the CUSIP or ISIN number, if any, printed on the Securities being redeemed and a statement that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on such Securities.

The notice, if mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Security designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Security of such series.

Any redemption of any series of Securities may, at the Issuer's discretion, be performed by another Person and be subject to one or more conditions precedent. In addition, if any redemption is subject to satisfaction of one or more conditions precedent, the related notice of redemption shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and such notice may be modified or rescinded by the Issuer in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed (which may exceed 60 days from the date of the redemption notice in such case). Such notice of redemption may be so delayed if such conditions precedent have not been met by providing notice to the Holders of the such series of Securities, and any such notice of delay may be given one or more times, provided that the aggregate number of days of such delay or delays may not exceed 60 days beyond the original redemption date; and any such notice of redemption (as extended by any such notice or notices of delay, if applicable) may be rescinded by the Issuer by providing notice to the Holders of such Securities.

3.4. Effect of Notice of Redemption.

Once notice of redemption is mailed in accordance with Section 3.3, Securities called for redemption become due and payable on the Redemption Date, and at the Redemption Price plus accrued interest, if any. Upon surrender to the Trustee or Paying Agent, such Securities called for redemption shall be paid at the Redemption Price (which shall include accrued interest thereon to the Redemption Date), but installments of interest, the maturity of which is on or prior to the Redemption Date, shall be payable to Holders of record of such Securities at the close of business on the relevant Record Dates.

3.5. Deposit of Redemption Price.

On or before 11:00 a.m. New York time on the Redemption Date, the Issuer shall deposit with the Paying Agent U.S. Legal Tender sufficient to pay the Redemption Price plus accrued interest, if any, of all Securities to be redeemed on that date.

If the Issuer complies with the preceding paragraph, then, unless the Issuer defaults in the payment of such Redemption Price, plus accrued interest, if any, interest on the Securities to be redeemed will cease to accrue on and after the applicable Redemption Date, whether or not such Securities are presented for payment.

3.6. Securities Redeemed In Part.

Upon surrender of a Security that is to be redeemed in part only, the Trustee shall upon written instruction from the Issuer authenticate for the Holder a new Security or Securities in a principal amount equal to the unredeemed portion of the Security surrendered.

ARTICLE FOUR

COVENANTS

4.1. Payment of Securities.

The Issuer shall pay the principal of, premium, if any, and interest on the Securities of each series in the manner provided in the Securities of such series. An installment of principal of, premium, if any, or interest on the Securities of such series shall be considered paid on the date it is due if the Trustee or Paying Agent holds on that date U.S. Legal Tender designated for and sufficient to pay the installment. If the Issuer or any Subsidiary of the Issuer acts as Paying Agent, an installment of principal, premium, if any, or interest shall be considered paid on the date it is due if the entity acting as Paying Agent complies with the second sentence of Section 2.4. Interest on the Securities of each series will be computed on the basis of a 360-day year comprised of twelve 30-day months. As provided in Section 6.9, upon any bankruptcy or reorganization procedure relative to the Issuer, the Trustee shall serve as Paying Agent, if any, for the Securities of each series.

4.2. Maintenance of Office or Agency.

The Issuer shall maintain in the Borough of Manhattan, The City of New York, the office or agency required under Section 2.3. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the address of the Trustee set forth in Section 11.2.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby initially designates the Trustee at its address c/o U.S. Bank National Association, U.S. Bank Trust New York, 100 Wall Street, New York, New York, 10005, as such office of the Issuer in accordance with Section 2.3.

4.3. Limitation on Restricted Payments.

The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, (1) declare or pay any dividend or make any distribution (other than dividends or distributions payable in Qualified Capital Stock of the Company) on or in respect of shares of the Company's Capital Stock to holders of such Capital Stock; (2) purchase, redeem or otherwise acquire or retire for value any Capital Stock of the Company or any warrants, rights or options to purchase or acquire shares of any class of such Capital Stock; (3) make any principal payment on, purchase, defease, redeem, prepay, decrease or otherwise acquire or retire for value, prior to any scheduled final maturity, scheduled repayment or scheduled sinking fund payment, any Indebtedness of the Company that is subordinate or junior in right of payment to the Securities or any Guarantee (other than Indebtedness described in clause (7) of the definition of "Permitted Indebtedness"); or (4) make any Investment (other than Permitted Investments) (each of the foregoing actions set forth in clauses (1), (2), (3) and (4) being

referred to as a “Restricted Payment”), unless, at the time of such Restricted Payment or immediately after giving effect thereto:

- (a) no Default or an Event of Default shall have occurred and be continuing;
- (b) the Company would be able to incur at least \$1.00 of additional Indebtedness (other than Permitted Indebtedness) in compliance with Section 4.4; and
- (c) the aggregate amount of Restricted Payments (including such proposed Restricted Payment) made on or after the Issue Date (the amount expended for such purposes, if other than in cash, being the fair market value of such property as determined reasonably and in good faith by the Board of Directors of the Company) shall not exceed the sum of:
 - (i) 50% of the cumulative Consolidated Net Income (or if cumulative Consolidated Net Income shall be a loss, minus 100% of such loss) of the Company for the period (treating such period as a single accounting period) commencing on April 1, 2019 to and including the last day of the fiscal quarter ended immediately prior to the date of such calculation for which consolidated financial statements are available; plus
 - (ii) 100% of the aggregate Net Cash Proceeds received by the Company from any Person (other than a Subsidiary of the Company) from the issuance and sale subsequent to the Issue Date of Qualified Capital Stock of the Company (other than the Designated Equity Amount); plus
 - (iii) without duplication of any amounts included in clause (c)(ii) above, 100% of the aggregate Net Cash Proceeds of any equity contribution received by the Company from a holder of the Company’s Capital Stock subsequent to the Issue Date (other than the Designated Equity Amount); plus
 - (iv) the amount by which Indebtedness of the Company or that of any of its Restricted Subsidiaries is reduced on the Company’s balance sheet upon the conversion or exchange after the Issue Date of any Indebtedness of the Company or any Indebtedness of its Restricted Subsidiaries incurred after the Issue Date into or for Qualified Capital Stock of the Company (other than the Designated Equity Amount); plus
 - (v) without duplication, the sum of:
 - (a) the aggregate amount returned in cash on or with respect to Investments (other than Permitted Investments) made after the Issue Date whether through interest payments, principal payments, dividends or other distributions or payments;
 - (b) the net cash proceeds received by the Company or any Restricted Subsidiary of the Company from the disposition of all or any portion of such Investments (other than to a Subsidiary of the Company); and
 - (c) upon redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary, the fair market value of such Subsidiary (valued in each case as provided in the definition of “Investment”);

provided, however, that the sum of clauses (a), (b) and (c) above shall not exceed the aggregate amount of all such Investments made by the Company or any of its Restricted Subsidiaries in the relevant Person or Unrestricted Subsidiary after the Issue Date; plus

(vi) \$496.7 million.

Notwithstanding the foregoing, the provisions set forth in the immediately preceding paragraph do not prohibit:

(1) the payment of any dividend or other distribution within 60 days after the date of declaration of such dividend or other distribution if the dividend or other distribution would have been permitted on the date of declaration;

(2) the acquisition of any shares of Capital Stock of the Company, either (a) solely in exchange for shares of Qualified Capital Stock of the Company, or (b) through the application of net proceeds of a substantially concurrent sale for cash (other than to a Subsidiary of the Company) of shares of Qualified Capital Stock of the Company;

(3) the acquisition of any Indebtedness of the Company that is subordinate or junior in right of payment to the Securities or a Guarantee either (a) solely in exchange for shares of Qualified Capital Stock of the Company, or (b) through the application of the net proceeds of a substantially concurrent sale for cash (other than to a Subsidiary of the Company) of (i) shares of Qualified Capital Stock of the Company, or (ii) Refinancing Indebtedness;

(4) if no Default or Event of Default shall have occurred and be continuing, repurchases by the Issuer of Capital Stock of the Company from officers, directors and employees of the Company or any of its Subsidiaries or their authorized representatives upon the death, disability or termination of employment of such employees or termination of their seat on the Board of Directors of the Company, in an aggregate amount not to exceed \$20.0 million in any calendar year with unused amounts in any calendar year being carried over to succeeding calendar years subject to a maximum of \$30.0 million in any calendar year;

(5) if no Default or Event of Default shall have occurred and be continuing, other Restricted Payments when taken together with all other Restricted Payments made pursuant to this clause (5) and all Investments outstanding in reliance on clause (13) of the definition of "Permitted Investments", in an aggregate amount not to exceed the greater of (x) \$250.0 million and (y) 50.0% of Consolidated EBITDA of the Company for the most recently ended Four Quarter Period as of the time such Restricted Payment is made;

(6) repurchases of Capital Stock deemed to occur upon the exercise of stock options, warrants or other convertible securities, to the extent such Capital Stock represents a portion of the consideration for such exercise; and

(7) additional Restricted Payments; *provided* that (x) as of the last day of the most recently ended Four Quarter Period prior to the date of such Restricted Payment, after giving pro forma effect to such Restricted Payment (including the application of the net proceeds therefrom), the Consolidated Net Leverage Ratio at such time does not exceed 3.00:1.00 and (y) after giving pro forma effect to such Restricted Payment, no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof.

4.4 Limitation on Incurrence of Additional Indebtedness.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume (whether by a Division or otherwise), guarantee, acquire, become liable, contingently or otherwise, with respect to, or otherwise become responsible for payment of (collectively, “incur”), any Indebtedness (other than Permitted Indebtedness); *provided, however*, that if no Default or Event of Default shall have occurred and be continuing at the time of or as a consequence of the incurrence of any such Indebtedness, the Company and any of its Restricted Subsidiaries may incur Indebtedness (including, without limitation, Acquired Indebtedness) if, on the date of the incurrence of such Indebtedness, after giving effect to the incurrence thereof, the Issuer’s Consolidated Fixed Charge Coverage Ratio is greater than 2.0 to 1.0; *provided* that no Restricted Subsidiary that is not a Guarantor shall incur any Indebtedness pursuant to this clause (a) if the amount of such Indebtedness (other than Acquired Indebtedness), when aggregated with the amount of all other Indebtedness of Restricted Subsidiaries that are not Guarantors incurred under this clause (a) or clause (16) of the definition of “Permitted Indebtedness”, would exceed the greater of (x) \$200.0 million and (y) 35.0% of Consolidated EBITDA of the Company for the most recently ended Four Quarter Period as of the time such Indebtedness is incurred.

(b) The Company shall not, and shall not permit any Guarantor to, directly or indirectly, incur any Indebtedness which by its terms (or by the terms of any agreement governing such Indebtedness) is expressly subordinated in right of payment to any other Indebtedness of the Company or such Guarantor, as the case may be, unless such Indebtedness is also by its terms (or by the terms of any agreement governing such Indebtedness) made expressly subordinate to the Securities or the applicable Guarantee, as the case may be, to the same extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Company or such Guarantor, as the case may be. For purposes of the foregoing, no Indebtedness will be deemed to be subordinated in right of payment to any other Indebtedness of the Company or any Guarantor solely by virtue of such Indebtedness being unsecured or by virtue of the fact that the holders of such Indebtedness have entered into one or more intercreditor agreements giving one or more of such holders priority over the other holders in the collateral held by them.

Notwithstanding anything in this Indenture to the contrary, unless the Company elects otherwise, if, on any date, the Company or any of its Restricted Subsidiaries in connection with any transaction or series of related transactions (A) incurs Indebtedness or issues Disqualified Capital Stock or Preferred Stock as permitted by a ratio-based basket and (B) incurs Indebtedness or issues Disqualified Capital Stock or Preferred Stock under a non-ratio-based basket, then the applicable ratio will be calculated on such date with respect to any incurrence under the applicable ratio-based basket without giving effect to the incurrence under such non-ratio-based basket made in connection with such transaction or series of related transactions.

4.5 Corporate Existence.

Except as otherwise permitted by Article Five, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence and the corporate, partnership or other existence of each of its Restricted Subsidiaries in accordance with the respective organizational documents of each such Restricted Subsidiary and the rights (charter and statutory) and material franchises of the Company and each of its Restricted Subsidiaries; *provided, however*, that neither the Company nor any Restricted Subsidiary shall be required to preserve any such right or franchise or in the case of any Restricted Subsidiary, its existence, if (in each case) the Board of Directors

of the Company shall determine that the loss thereof is not, and will not be, adverse in any material respect to the Holders.

4.6. Payment of Taxes and Other Claims.

The Company shall pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (a) all material taxes, assessments and governmental charges levied or imposed upon it or any of its Subsidiaries or upon the income, profits or property of it or any of its Restricted Subsidiaries and (b) all lawful claims for labor, materials and supplies which, in each case, if unpaid, might by law become a material liability or Lien upon the property of it or any of its Restricted Subsidiaries; *provided, however*, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, (i) the applicability or validity is being contested in good faith by appropriate proceedings and for which appropriate provision has been made or (ii) where the failure to effect such payment or discharge is not adverse in any material respect to the Holders.

4.7. Maintenance of Properties and Insurance.

(a) The Company shall cause all material properties owned by or leased by it or any of its Restricted Subsidiaries used or useful to the conduct of its business or the business of any of its Restricted Subsidiaries, taken as a whole, to be maintained and kept in normal condition, repair and working order and supplied with all necessary equipment and shall cause to be made all repairs, renewals, replacements, and betterments thereof, all as in its judgment may be necessary, so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided, however*, subject to Section 4.18, that nothing in this Section 4.7 shall prevent the Company or any of its Restricted Subsidiaries from discontinuing the use, operation or maintenance of any of such properties, or disposing of any of them, if such discontinuance or disposal is, in the judgment of the Board of Directors of the Company or any such Restricted Subsidiary desirable in the conduct of the business of the Company or any such Restricted Subsidiary, and if such discontinuance or disposal is not adverse in any material respect to the Holders; *provided, further*, subject to Section 4.18, that nothing in this Section 4.7 shall prevent the Company or any of its Restricted Subsidiaries from discontinuing or disposing of any properties to the extent otherwise permitted by this Indenture.

(b) The Company shall maintain, and shall cause its Restricted Subsidiaries to maintain, insurance with responsible carriers against such risks and in such amounts, and with such deductibles, retentions, self-insured amounts and co-insurance provisions, as are, in the Company's reasonable judgment, customarily carried by similar businesses of similar size, including property and casualty loss, workers' compensation and interruption of business insurance.

4.8. Compliance Certificate; Notice of Default.

(a) The Company and each Guarantor shall deliver to the Trustee, within 120 days after the close of each fiscal year of the Company, an Officers' Certificate stating that a review of the activities of each of the Company has been made under the supervision of the signing Officers with a view to determining whether it has kept, observed, performed and fulfilled its obligations under this Indenture and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge, the Company or the applicable Guarantor during such preceding fiscal year have kept, observed, performed and fulfilled each and every such covenant and no Default or Event of Default occurred during such year and at the date of such certificate there is no Default or Event of Default that has occurred and

is continuing or, if such signers do know of such Default or Event of Default, the certificate shall describe its status with particularity. The applicable Officers' Certificate shall also notify the Trustee should either of the Company or any Guarantor elect to change the manner in which it fixes its fiscal year end.

(b) The Company shall deliver to the Trustee, in the event that any Officer becomes aware of any Default or Event of Default in the performance of any covenant, agreement or condition contained in this Indenture, an Officers' Certificate specifying the Default or Event of Default and describing its status with particularity.

4.9. Compliance with Laws.

The Company shall comply, and shall cause each of its Subsidiaries to comply, with all applicable statutes, rules, regulations, orders and restrictions of the United States, all states and municipalities thereof, and of any governmental department, commission, board, regulatory authority, bureau, agency and instrumentality of the foregoing, in respect of the conduct of their respective businesses and the ownership of their respective properties, except for such noncompliances as would not in the aggregate have a material adverse effect on the financial condition or results of operations of the Company and its Subsidiaries taken as a whole.

4.10. Reports to Holders.

Whether or not required by the rules and regulations of the Commission, so long as any Securities of a series are outstanding, the Company shall furnish (to the extent not publicly available on the Commission's EDGAR system) to the Holders of Securities of such series and securities analysts and prospective investors and post on the Company's website (in a format that is accessible to Holders of the Securities of such series as well as prospective Holders of the Securities of such series), within the time periods specified in the Commission's rules and regulations:

(i) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K under the Exchange Act if the Company were required to file such Forms (but only to the extent similar information is included in the Offering Circular and, for the avoidance of doubt, excluding any guarantor/non-guarantor consolidating footnote), including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" that describes the financial condition and results of operations of the Company and its consolidated Subsidiaries and, with respect to the annual information only, a report thereon by the Company's certified independent accountants; and

(ii) all current reports that would be required to be filed with the Commission on Form 8-K under the Exchange Act if the Company were required to file such reports.

While the Company remains subject to the periodic reporting requirements of the Exchange Act, the Issuer agrees that it will not take any action for the purpose of causing the Commission not to accept any such filings. If, notwithstanding the foregoing, the Commission will not accept the Company's filings for any reason, the Company will post the reports referred to in the preceding paragraph on its website within the time periods that would apply if the Company were required to file those reports with the Commission.

If the Company has designated as Unrestricted Subsidiaries any of its Subsidiaries that is a Significant Subsidiary or that, when taken together with all other Unrestricted Subsidiaries, would be a

Significant Subsidiary, then the quarterly and annual financial information required by this Section 4.10 will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in “Management’s Discussion and Analysis of Financial Condition and Results of Operations” of the financial condition and results of operations of the Company and the Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries.

In addition, for so long as any Securities remain outstanding, the Company shall furnish to the Holders of Securities of such series and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

4.11. Waiver of Stay, Extension or Usury Laws.

The Company and each Guarantor covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Company or such Guarantor from paying all or any portion of the principal of, premium, if any, and/or interest on the Securities or the Guarantee of any such Guarantor as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture, and (to the extent that it may lawfully do so) each hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

4.12. Limitations on Transactions with Affiliates.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or permit to exist any transaction or series of related transactions (including, without limitation, the purchase, sale, lease or exchange of any property or the rendering of any service) with, or for the benefit of, any of its Affiliates (each an “Affiliate Transaction”) involving aggregate payments or consideration in excess of \$10.0 million, other than (x) Affiliate Transactions permitted under paragraph (b) below and (y) Affiliate Transactions on terms that are no less favorable than those that could reasonably have been obtained in a comparable transaction at such time on an arm’s-length basis from a Person that is not an Affiliate of the Company or such Restricted Subsidiary. All Affiliate Transactions (and each series of related Affiliate Transactions which are similar or part of a common plan) involving aggregate payments or consideration in excess of \$25.0 million shall be approved by the Board of Directors of the Company or the Board of Directors of such Restricted Subsidiary, as the case may be, such approval to be evidenced by a Board Resolution stating that such Board of Directors has determined that such transaction complies with the foregoing provisions.

(b) The restrictions set forth in Section 4.12(a) shall not apply to:

(i) reasonable fees and compensation paid to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Company or any Restricted Subsidiary of the Company as determined in good faith by the Company’s Board of Directors;

(ii) transactions exclusively between or among the Company and any of its Restricted Subsidiaries or exclusively between or among such Restricted Subsidiaries, *provided* such transactions are not otherwise prohibited by this Indenture;

(iii) any agreement as in effect or entered into as of the Issue Date or any amendment thereto or any transaction contemplated thereby (including pursuant to any amendment thereto) or in any replacement agreement thereto so long as any such amendment or replacement agreement is not more disadvantageous to the Holders in any material respect than the original agreement as in effect on the Issue Date;

(iv) transactions effected as part of a Qualified Receivables Transaction;

(v) Restricted Payments and Permitted Investments permitted by this Indenture (other than transactions with a Person that is an Affiliate other than as a result of such Investment);

(vi) the issuance of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock options and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Company in good faith; and

(vii) transactions with a Person (other than an Unrestricted Subsidiary) that is an Affiliate of the Company solely because the Company owns, directly or indirectly, any Capital Stock in such Person.

4.13. Limitation on Dividend and Other Payment Restrictions Affecting Subsidiaries.

The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries (other than a Restricted Subsidiary that has executed a Guarantee) to, directly or indirectly, create or otherwise cause or permit to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary of the Company to (a) pay dividends or make any other distribution on or in respect of its Capital Stock; (b) make loans or advances or pay any Indebtedness or other obligation owed to the Company or any other Restricted Subsidiary of the Company; or (c) transfer any of its property or assets to the Company or any other Restricted Subsidiary of the Company, except for such encumbrances or restrictions existing under or by reason of:

(i) applicable law, rule, regulation, order, grant or governmental permit;

(ii) this Indenture;

(iii) any Credit Agreement;

(iv) customary non-assignment provisions of any contract, license or lease of any Restricted Subsidiary of the Company;

(v) any instrument governing Acquired Indebtedness, which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person or the properties or assets of the Person so acquired;

(vi) agreements existing or entered into on the Issue Date to the extent and in the manner such agreements are in effect on the Issue Date;

(vii) purchase money obligations for property acquired in the ordinary course of business or Finance Lease Obligations that impose restrictions of the nature discussed in clause (c) above on the property so acquired;

(viii) contracts for the sale of assets, including, without limitation, customary restrictions with respect to a Restricted Subsidiary of the Company pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock or assets of such Restricted Subsidiary;

(ix) secured Permitted Indebtedness or secured Indebtedness otherwise permitted to be incurred pursuant to Sections 4.4 and 4.16 that limit the right of the debtor to dispose of the assets securing such Indebtedness;

(x) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(xi) customary net worth and restrictions on transfer, assignment or subletting provisions contained in leases and other agreements entered into by the Company or any Restricted Subsidiary;

(xii) any restriction in any agreement or instrument of a Receivables Entity governing a Qualified Receivables Transaction; *provided* that such restrictions apply only to such Receivables Entity or Receivables and Related Assets;

(xiii) any agreement governing Indebtedness incurred to Refinance the Indebtedness issued, assumed or incurred pursuant to an agreement referred to in clauses (i) through (xii) above; *provided, however*, that the provisions relating to such encumbrance or restriction contained in any such Indebtedness, taken as a whole, are no less favorable to the Company in any material respect as determined by the Board of Directors of the Company in its reasonable and good faith judgment than the provisions relating to such encumbrance or restriction contained in agreements referred to in such clauses; or

(xiv) any agreement governing Permitted Indebtedness or Indebtedness otherwise permitted to be incurred pursuant to Section 4.4; *provided* that the provisions relating to such encumbrance or restriction contained in such Indebtedness, taken as a whole, are no less favorable to the Company in any material respect as determined by the Board of Directors of the Company in its reasonable and good faith judgment than the provisions contained in any Credit Agreement or in this Indenture, in each case, as in effect on the Issue Date.

4.14. [Reserved].

4.15. Limitation on Issuances of Guarantees by Restricted Subsidiaries.

The Company shall not permit any Restricted Subsidiary of the Company, directly or indirectly, to guarantee any Indebtedness of the Company or any Indebtedness of any Domestic Restricted Subsidiary of the Company, unless (i) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to this Indenture providing for a senior unsecured Guarantee of payment of the Securities by such Restricted Subsidiary and (ii) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of any rights of reimbursement, indemnity or

subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee so long as any Securities remain outstanding.

Notwithstanding the foregoing, or Section 4.19, any Guarantee by a Restricted Subsidiary may provide by its terms that it shall be automatically and unconditionally released and discharged upon (i) any sale, exchange or transfer, to any Person not an Affiliate of the Company, of all of the Company's and each Restricted Subsidiary's Capital Stock in, or all or substantially all the assets of, such Restricted Subsidiary (which sale, exchange or transfer is not prohibited by this Indenture), (ii) the release or discharge of the guarantee, if any, which resulted in the creation of such Guarantee, except a discharge or release by or as a result of payment under such guarantee or (iii) the designation of such Restricted Subsidiary as an Unrestricted Subsidiary in accordance with the provisions of this Indenture.

4.16. Limitation on Liens.

The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or permit or suffer to exist any Liens of any kind against or upon any property or assets of the Company or any of its Restricted Subsidiaries whether owned on the Issue Date or acquired after the Issue Date, or any proceeds therefrom, or assign or otherwise convey any right to receive income or profits therefrom unless the Securities are equally and ratably secured (or secured on a senior basis to such Lien, if such Lien secures any subordinated Indebtedness), except for the following Liens, which are expressly permitted:

(i) Liens existing as of the Issue Date (other than Liens referred to in clause (ii) below);

(ii) (I) Liens securing Indebtedness under the ABL Credit Agreement incurred pursuant to clause (2)(x) of the definition of "Permitted Indebtedness" and (II) Liens securing Indebtedness under the Term Loan Credit Agreement incurred pursuant to clause (2)(y) of the definition of "Permitted Indebtedness";

(iii) Liens securing Indebtedness permitted to be incurred pursuant to this Indenture; *provided* that on the date of the incurrence of such Indebtedness, and after giving pro forma effect thereto and to the application of the proceeds thereof, the Consolidated Net Secured Leverage Ratio would be no greater than 2.0 to 1.0;

(iv) Liens in favor of the Company or a Wholly Owned Restricted Subsidiary of the Company on assets of any Restricted Subsidiary of the Company;

(v) Liens securing Refinancing Indebtedness which is incurred to Refinance any Indebtedness (including, without limitation, Acquired Indebtedness) which has been secured by a Lien permitted under this Indenture and which has been incurred in accordance with the provisions of this Indenture; *provided, however*, that such Liens:

(1) are no less favorable to the Holders of Securities and are not more favorable to the lienholders with respect to such Liens than the Liens in respect of the Indebtedness being Refinanced; and

(2) do not extend to or cover any property or assets of the Company or any of its Restricted Subsidiaries not securing the Indebtedness so Refinanced;

(vi) Liens securing Indebtedness of Restricted Subsidiaries of the Company that are not Guarantors so long as such Indebtedness is otherwise permitted under this Indenture;

(vii) Liens securing the Securities and the Guarantees; and

(viii) Permitted Liens.

Notwithstanding anything in this Indenture to the contrary, unless the Company elects otherwise, if, on any date, the Company or any of its Restricted Subsidiaries in connection with any transaction or series of related transactions (A) incurs, assumes or permits or suffers to exist any Lien as permitted by a ratio-based basket and (B) incurs, assumes or permits or suffers to exist any Lien under a non-ratio-based basket, then the applicable ratio shall be calculated on such date with respect to any incurrence under the applicable ratio-based basket without giving effect to the incurrence under such non-ratio-based basket made in connection with such transaction or series of related transactions.

4.17. Change of Control.

(a) Upon the occurrence of a Change of Control, the Company shall be obligated to make an offer to purchase (the “Change of Control Offer”), and shall purchase, on a Business Day (the “Change of Control Payment Date”) as described below, all or a portion of the then outstanding Securities of each series at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, thereon to the Change of Control Payment Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). The Change of Control Offer shall remain open for at least 20 Business Days and until the close of business on the Change of Control Payment Date. Notwithstanding the occurrence of a Change of Control, the Company shall not be obligated to repurchase the Securities of a series pursuant to this Section 4.17 in the event that the Company has exercised its right to redeem all the Securities of such series under the terms of Article Three of this Indenture and paragraph 5 of the Securities of such series.

(b) Within 30 days following the date upon which a Change of Control occurs, the Company shall send, by first class mail, a notice to each Holder, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. The notice to the Holders shall contain all instructions and materials necessary to enable such Holders to tender Securities pursuant to the Change of Control Offer. Such notice shall state:

(i) that the Change of Control Offer is being made pursuant to this Section 4.17 and that all Securities tendered and not withdrawn will be accepted for payment;

(ii) the purchase price (including the amount of accrued interest) and the Change of Control Payment Date, which shall be a Business Day, that is not earlier than 30 days or later than 60 days from the date such notice is mailed, other than as may be required by law;

(iii) that any Security not tendered will continue to accrue interest;

(iv) that, unless the Company defaults in making payment therefor, any Security accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date;

(v) that Holders electing to have a Security purchased pursuant to a Change of Control Offer will be required to surrender the Security, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Security completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date;

(vi) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the second Business Day prior to the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Securities the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Security purchased;

(vii) that Holders whose Securities of a series are purchased only in part will be issued new Securities of such series in a principal amount equal to the unpurchased portion of the Securities surrendered; and

(viii) the circumstances and relevant facts regarding such Change of Control.

The Company shall not be required to make a Change of Control Offer upon a Change of Control if any other Person makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.17 applicable to a Change of Control Offer made by the Company and purchases all Securities validly tendered and not withdrawn under such Change of Control Offer. The provisions of this Section 4.17 and other provisions contained in this Indenture relating to the Company's obligation to make a Change of Control Offer may be waived or modified with the written consent of the Holders of a majority in principal amount of Securities.

On or before the Change of Control Payment Date, the Company shall (i) accept for payment Securities or portions thereof tendered pursuant to the Change of Control Offer, (ii) deposit with the Paying Agent U.S. Legal Tender sufficient to pay the purchase price plus accrued interest, if any, of all Securities so tendered and (iii) deliver to the Trustee Securities so accepted together with an Officers' Certificate stating the Securities or portions thereof being purchased by the Company. The Paying Agent shall promptly mail to the Holders of Securities so accepted payment in an amount equal to the purchase price plus accrued interest, if any, and upon written order of the Company the Trustee shall promptly authenticate and mail to such Holders new Securities equal in principal amount to any unpurchased portion of the Securities surrendered. Any Securities not so accepted shall be promptly mailed by the Company to the Holder thereof. For purposes of this Section 4.17, the Trustee shall act as the Paying Agent.

In the event that Holders of not less than 90% of the aggregate principal amount of the outstanding Securities of a series accept a Change of Control Offer and the Company purchases all of the Securities of such series held by such Holders, the Company shall have the right, upon not less than 30 nor more than 60 days' prior notice, to redeem all of the Securities of such series that remain outstanding following such purchase at a Redemption Price equal to 101% of the principal amount of such Securities, plus accrued interest to the date of purchase.

Any amounts remaining with the Paying Agent after the purchase of Securities pursuant to a Change of Control Offer shall be returned by the Trustee to the Company.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Securities pursuant to a Change of Control Offer. To the extent the provisions of any securities laws or regulations conflict with the provisions of this Section 4.17, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.17 by virtue thereof.

4.18. Limitation on Asset Sales.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(i) the Company or the applicable Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value of the assets sold or otherwise disposed of (as determined in good faith by the Company's senior management or, in the case of an Asset Sale in excess of \$50.0 million, the Board of Directors of the Company);

(ii) with respect to any Asset Sale in excess of \$50.0 million, at least 75% of the consideration received by the Company or the Restricted Subsidiary, as the case may be, from such Asset Sale shall be in the form of:

(a) cash or Cash Equivalents,

(b) properties and assets to be owned by the Company or any of its Restricted Subsidiaries and used in a Permitted Business,

(c) Capital Stock in one or more Persons engaged in a Permitted Business that are or thereby become Restricted Subsidiaries of the Company, or

(d) any Designated Noncash Consideration received by the Company or such Restricted Subsidiary in respect of such Asset Sale having an aggregate fair market value, taken together with all other Designated Noncash Consideration received pursuant to this subclause (d) that is at that time outstanding, not in excess of the greater of (x) \$150.0 million and (y) 35.0% of Consolidated EBITDA of the Company for the most recently ended Four Quarter Period at the time of the receipt of such Designated Noncash Consideration, with the fair market value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value,

and, in each case, such consideration is received at the time of such disposition; provided that the amount of

(1) any liabilities (as shown on the Company's or such Restricted Subsidiary's most recent balance sheet) of the Company or such Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Securities) that are assumed by the transferee of any such assets, and

(2) any securities received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 90 days after such Asset Sale (to the extent of the cash or Cash Equivalents actually so converted),

shall be deemed to be cash for the purposes of this provision only; and

(iii) upon the consummation of such Asset Sale, the Company shall apply, or cause such Restricted Subsidiary to apply, the Net Cash Proceeds relating to such Asset Sale within 450 days (or, if later, 180 days after the date the Company or a Restricted Subsidiary has entered into a binding commitment to reinvest the proceeds of any such Asset Sale prior to the expiration of such 450 day period) of receipt thereof to (A) make an Investment (i) in properties and assets that replace the properties and assets that were the subject of such Asset Sale or (ii) in properties and assets that will be used by the Issuer or a Restricted Subsidiary in a Permitted Business (clauses (i) and (ii) collectively referred to as “Replacement Assets”), (B) repay Indebtedness of the Issuer and the Restricted Subsidiaries under any Credit Agreement (and, to the extent such Indebtedness under any Credit Agreement is comprised of a revolving credit facility or arrangement, simultaneously effect a permanent reduction of commitments thereunder in an amount equal to such repayment) or (C) a combination of (A) and (B) of this clause (iii).

On the 451st day (or, if later, the 181st day after the date the Company or a Restricted Subsidiary has entered into a binding commitment to reinvest the proceeds of any such Asset Sale prior to such 451st day) after such Asset Sale or such earlier date, if any, as the Board of Directors of the Company or of such Restricted Subsidiary determines not to apply the Net Cash Proceeds relating to such Asset Sale as set forth in clause (iii) of the immediately preceding paragraph (each, a “Net Proceeds Offer Trigger Date”), such aggregate amount of Net Cash Proceeds which have not been applied on or before such Net Proceeds Offer Trigger Date (each a “Net Proceeds Offer Amount”) shall be applied by the Company or such Restricted Subsidiary to make an offer to purchase from the Holders of the Securities on a *pro rata* basis as between each series of Securities, and, if required by the terms of any Other Pari Passu Obligations, from the holders of such Other Pari Passu Obligations (the “Net Proceeds Offer”) on a date (the “Net Proceeds Offer Payment Date”) not less than 30 nor more than 60 days following the applicable Net Proceeds Offer Trigger Date, on a *pro rata* basis, an amount of Securities and Other Pari Passu Obligations equal to the Net Proceeds Offer Amount at a price equal to 100% of the principal amount of the Securities and Other Pari Passu Obligations to be purchased, plus accrued and unpaid interest thereon, if any, to the date of purchase.

If at any time any non-cash consideration received by the Company or any Restricted Subsidiary of the Company, as the case may be, in connection with such Asset Sale is converted into or sold or otherwise disposed of for cash (other than interest received with respect to any such non-cash consideration), then such conversion or disposition shall be deemed to constitute an Asset Sale hereunder as of the date of such conversion or disposition and the Net Cash Proceeds thereof shall be applied in accordance with this Section 4.18.

The Company may defer the Net Proceeds Offer until there is an aggregate unutilized Net Proceeds Offer Amount equal to or in excess of \$50.0 million (the “Net Proceeds Trigger”) resulting from one or more Asset Sales (at which time, the entire unutilized Net Proceeds Offer Amount, and not just the amount in excess of \$50.0 million, shall be applied as required pursuant to the second preceding paragraph of this Section 4.18).

Notice of each Net Proceeds Offer pursuant to this Section 4.18 shall be mailed or caused to be mailed, by first class mail, by the Company within 25 days following the applicable Net Proceeds Offer Trigger Date to all Holders at their last registered addresses, with a copy to the Trustee. A Net Proceeds Offer shall remain open for a period of 20 Business Days or such longer period as may be required by law. The notice shall contain all instructions and materials necessary to enable such Holders to tender Securities pursuant to the Net Proceeds Offer and shall state the following terms:

- (1) that Holders may elect to have their Securities purchased by the Company either in whole or in part (subject to proration as hereinafter described in the event the Net Proceeds Offer is oversubscribed) in denominations of \$2,000 or in integral multiples of \$1,000 of principal amount, at the applicable purchase price;
- (2) that the Net Proceeds Offer is being made pursuant to this Section 4.18 and that all Securities tendered will be accepted for payment; *provided, however*, that if the principal amount of Securities or Other Pari Passu Obligations tendered in the Net Proceeds Offer exceeds the aggregate amount of the Net Proceeds Offer Amount, the Company shall select the Securities or Other Pari Passu Obligations to be purchased on a *pro rata* basis (based on amounts tendered);
- (3) the purchase price (including the amount of accrued interest, if any) and the Net Proceeds Offer Payment Date (which shall be no earlier than 30 days nor later than 60 days from the Net Proceeds Offer Trigger Date, other than as may be required by applicable law);
- (4) that any Security not tendered will continue to accrue interest;
- (5) that, unless the Company defaults in making payment therefor, any Security accepted for payment pursuant to the Net Proceeds Offer shall cease to accrue interest after the Net Proceeds Offer Payment Date;
- (6) that Holders electing to have a Security purchased pursuant to the Net Proceeds Offer will be required to surrender the Security, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Security completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Net Proceeds Offer Payment Date;
- (7) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the second Business Day prior to the Net Proceeds Offer Payment Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Security, the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Security purchased; and
- (8) that Holders whose Securities of a series are purchased only in part will be issued new Securities of such series in a principal amount at maturity equal to the unpurchased portion of the Securities surrendered.

On or before the Net Proceeds Offer Payment Date, the Company shall (i) accept for payment Securities or portions thereof tendered pursuant to the Net Proceeds Offer, (ii) deposit with the Paying Agent U.S. Legal Tender sufficient to pay the purchase price, plus accrued interest, if any, of all Securities to be purchased and (iii) deliver to the Trustee Securities so accepted together with an Officers' Certificate stating the Securities or portions thereof being purchased by the Company. The Paying Agent shall

promptly mail to the Holders of Securities so accepted payment in an amount equal to the purchase price, plus accrued interest, if any, thereon, set forth in the notice of such Net Proceeds Offer. Any Security not so accepted shall be promptly mailed by the Company to the Holder thereof. For purposes of this Section 4.18, the Trustee shall act as the Paying Agent.

Any amounts remaining after the purchase of Securities pursuant to a Net Proceeds Offer shall be returned by the Trustee to the Company. To the extent that the aggregate amount of the Securities and Other Pari Passu Obligations tendered pursuant to a Net Proceeds Offer is less than the Net Proceeds Offer Amount, the Company may use such excess Net Proceeds Offer Amount for general corporate purposes or for any other purposes not prohibited by this Indenture. Upon completion of any such Net Proceeds Offer, the Net Proceeds Offer Amount shall be reset at zero.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Securities pursuant to a Net Proceeds Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.18, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.18 by virtue thereof. The provisions of this Section 4.18 and other provisions contained in this Indenture relating to the Company's obligation to make a Net Proceeds Offer may be waived or modified with the written consent of the Holders of a majority in principal amount of the applicable series of Securities.

4.19. Future Guarantors.

(a) If the Company organizes or acquires any Domestic Restricted Subsidiary after the Issue Date having total assets with a book value in excess of \$1.0 million (each a "New Domestic Restricted Subsidiary"), the Company shall: (i) execute and deliver to the Trustee one or more supplemental indentures in form reasonably satisfactory to the Trustee pursuant to which each such New Domestic Restricted Subsidiary shall unconditionally guarantee all of the Company's obligations under each series of Securities and this Indenture and (ii) deliver to the Trustee an Opinion of Counsel and Officers' Certificate, each stating that each such supplemental indenture (a) has been duly authorized, executed and delivered by such New Domestic Restricted Subsidiary, (b) constitutes a legal, valid, binding and enforceable obligation of such New Domestic Restricted Subsidiary and (c) complies with the applicable provisions of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied; and (iii) cause each New Domestic Restricted Subsidiary to promptly execute and deliver to the Trustee one or more Guarantees or joinders thereto.

(b) After the execution of a supplemental indenture pursuant to clause (a) of this Section 4.19, each such New Domestic Restricted Subsidiary party thereto shall be a Guarantor for all purposes of this Indenture. Each New Domestic Restricted Subsidiary created or acquired in connection with the Acquisition shall become a Guarantor under this Indenture on the date the Acquisition is consummated and the Company shall deliver or cause to be delivered to the Trustee on such date each document required by Section 4.19(a) above.

4.20. Suspension of Covenants.

If on any date following the Issue Date, (i) the Securities of a series have Investment Grade Ratings from at least two Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture, then, beginning on such day and continuing at all times thereafter until the Reversion Date, as

defined below (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a “Covenant Suspension Event”), the covenants in Sections 4.3, 4.4, 4.12, 4.13, 4.18, 4.19 and 5.1(a)(ii) of this Indenture (collectively, the “Suspended Covenants”) will not be applicable to such series of the Securities.

In the event that the Company and the Restricted Subsidiaries are not subject to the Suspended Covenants with respect to Securities of a series for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Securities of such series below an Investment Grade Rating, then the Company and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to such series of Securities with respect to future events. The period of time between the Covenant Suspension Event and the Reversion Date is referred to in this description as the “Suspension Period”.

On each Reversion Date, all Indebtedness incurred during the Suspension Period will be classified, with respect to the applicable series of Securities, as having been incurred pursuant to clause (3) of the definition of Permitted Indebtedness. Calculations made after the Reversion Date of the amount available to be made, with respect to the applicable series of Securities, as Restricted Payments under Section 4.3 will be made as though the covenant described under Section 4.3 had been in effect since the Issue Date and throughout the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period, with respect to the applicable series of Securities, will reduce the amount available to be made as Restricted Payments under the first paragraph of Section 4.3. As described above, however, no Default or Event of Default, with respect to the applicable series of Securities, will be deemed to have occurred on the Reversion Date as a result of any action or inaction taken or not taken by the Issuer or the Restricted Subsidiaries during the Suspension Period, that would have, if the Suspended Covenants were not suspended, resulted in a breach of, or default under, any of the Suspended Covenants. Additionally, for purposes of Section 4.18, the Net Proceeds Trigger, with respect to the applicable series of Securities, will be reset to zero on the Reversion Date.

During a Suspension Period, the Issuer may not, with respect to the applicable series of Securities, designate any of its Subsidiaries as Unrestricted Subsidiaries.

(i) either (A) the Company shall be the surviving or continuing corporation, partnership, trust or limited liability company or (B) the Person (if other than the Company) formed by such consolidation or Division or into which the Company is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Company and of its Restricted Subsidiaries substantially as an entirety (the “Surviving Entity”):

(ii) immediately after giving effect to such transaction on a pro forma basis and the assumption contemplated by clause (a)(i)(B)(y) above (including giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred in connection with or in respect of such transaction), the Company or such Surviving Entity, as the case may be, shall be able to incur at least \$1.00 of additional Indebtedness (other than Permitted Indebtedness) pursuant to Section 4.4;

(iii) immediately before and immediately after giving effect to such transaction on a pro forma basis and the assumption contemplated by clause (a)(i)(B)(y) above (including, without limitation, giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred or repaid and any Lien granted or to be released in connection with or in respect of the transaction), no Default or Event of Default shall have occurred or be continuing; and

(iv) the Company or the Surviving Entity, as the case may be, shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance, Division or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the applicable provisions of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied.

Notwithstanding the foregoing, (1) the merger of the Company with an Affiliate incorporated solely for the purpose of reincorporating the Company in another jurisdiction shall be permitted and (2) the merger of any Restricted Subsidiary of the Company into the Company or the transfer, lease, conveyance or other disposition of all or substantially all of the assets of a Restricted Subsidiary of the Company to the Company shall be permitted so long as the Company delivers to the Trustee an Officers' Certificate stating that the purpose of such merger, transfer, lease, conveyance or other disposition is not to consummate a transaction that would otherwise be prohibited by clause (iii) of this Section 5.1(a).

(b) For purposes of Section 5.1(a), the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of the Company, the Capital Stock of which constitutes all or substantially all of the properties and assets of the Company, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

(c) As an additional condition to each transaction described in Section 5.1(a) above, the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such transaction and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the applicable provisions of this Indenture, that all conditions precedent in this Indenture relating to such transaction have been satisfied and that such supplemental indenture is enforceable, subject to customary qualifications.

(d) Each Guarantor (other than any Guarantor whose Guarantee is to be released in accordance with the terms of such Guarantee and this Indenture in connection with any transaction complying with the provisions of Section 4.18) shall not, and the Company shall not cause or permit any Guarantor to, consolidate with or merge with or into any Person, or consummate a Division as the Dividing Person, other than the Company or any other Guarantor unless:

- (i) the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or to which such sale, lease, conveyance, Division or other disposition shall have been made is a corporation organized and validly existing under the laws of the United States, any State thereof, the District of Columbia thereof or the jurisdiction in which such Guarantor is organized;
- (ii) such Person expressly assumes by supplemental indenture all of the obligations of the Guarantor on its Guarantee;
- (iii) immediately after giving effect to such transaction on a pro forma basis, no Default or Event of Default shall have occurred and be continuing; and
- (iv) immediately after giving effect to such transaction and the use of any net proceeds therefrom on a pro forma basis, the Company could satisfy the provisions of clause (ii) of Section 5.1(a).

Any merger or consolidation of a Guarantor with and into the Company (with the Company being the surviving entity) or another Guarantor that is a Wholly Owned Restricted Subsidiary of the Company need only comply with clause (iv) of Section 5.1(a).

5.2. Successor Corporation Substituted.

Upon any consolidation, combination or merger or any transfer of all or substantially all of the assets of the Company in accordance with Section 5.1 in which the Company or any Guarantor, as applicable, is not the continuing corporation, the successor Person formed by such consolidation or into which the Company or such Guarantor is merged or to which such conveyance, lease or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company or such Guarantor under this Indenture and the Securities or any Guarantee, as applicable, with the same effect as if such Surviving Entity had been named as such.

ARTICLE SIX

DEFAULT AND REMEDIES

6.1. Events of Default.

Each of the following shall be an “Event of Default” with respect to the Securities of a series:

- (i) the failure to pay interest on any Securities of such series when the same becomes due and payable and the default continues for a period of 30 days;
- (ii) the failure to pay the principal on any Securities of such series, when such principal becomes due and payable, at maturity, upon redemption or otherwise (including the

failure to make a payment to purchase Securities of such series tendered pursuant to a Change of Control Offer or a Net Proceeds Offer;

(iii) a default by the Company or any of its Restricted Subsidiary of the Company in the observance or performance of any other covenant or agreement contained in this Indenture, which default continues for a period of 45 days after the Company receives written notice specifying the default (and demanding that such default be remedied) from the Trustee or from the Holders of at least 25% of the outstanding principal amount of the Securities of such series;

(iv) the failure to pay at final stated maturity (giving effect to any applicable grace periods and any extensions thereof) the principal amount of any Indebtedness of the Company or the Indebtedness of any Restricted Subsidiaries of the Company, or the acceleration of the final stated maturity of any such Indebtedness by the holders thereof, if the aggregate principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at final stated maturity or which has been accelerated, exceeds \$50.0 million at any time;

(v) one or more judgments in an aggregate amount in excess of \$50.0 million shall have been rendered against the Company or any of its Restricted Subsidiaries and such judgments remain undischarged, unpaid or unstayed for a period of 60 days after such judgments become final and non-appealable;

(vi) the Company or any of its Significant Subsidiaries (A) commences a voluntary case or proceeding under any Bankruptcy Law with respect to itself, (B) consents to the entry of a judgment, decree or order for relief against it in an involuntary case or proceeding under any Bankruptcy Law, (C) consents to the appointment of a custodian of it or for substantially all of its property, (D) consents to or acquiesces in the institution of a bankruptcy or an insolvency proceeding against it, (E) makes a general assignment for the benefit of its creditors or (F) takes any corporate action to authorize or effect any of the foregoing;

(v) a court of competent jurisdiction enters a judgment, decree or order for relief in respect of the Company or any of its Significant Subsidiaries in an involuntary case or proceeding under any Bankruptcy Law, which shall (A) approve as properly filed a petition seeking reorganization, arrangement, adjustment or composition in respect of the Company or any of its Significant Subsidiaries, (B) appoint a Custodian of the Company or any of its Significant Subsidiaries or for substantially all of any of its property or (C) order the winding up or liquidation of its affairs; and such judgment, decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or

(vi) any Guarantee of the Securities of such series made by a Significant Subsidiary ceases to be in full force and effect or any Guarantee of the Securities of such series made by a Significant Subsidiary is declared to be null and void and unenforceable or any Guarantee of the Securities of such series made by a Significant Subsidiary is found to be invalid or any such Guarantor denies its liability under its Guarantee (other than by reason of release of a Guarantor in accordance with the terms of this Indenture).

If, pursuant to clause (iii) above, the Holders of at least 25% of the then outstanding principal amount of Securities of such series notify the Company as specified in such clause, such Holders shall similarly

notify the Trustee. Any notice given pursuant to clause (iii) above or the immediately preceding sentence shall be given by registered or certified mail, return receipt requested.

6.2. Acceleration.

If an Event of Default with respect to a series of Securities (other than an Event of Default specified in clause (vi) or (vii) of Section 6.1 above with respect to the Company) shall occur and be continuing, the Trustee or the Holders of at least 25% in principal amount of outstanding Securities of such series may declare the principal of, premium, if any, and accrued interest on all the Securities of such series to be due and payable by notice in writing to the Company and the Trustee specifying the respective Event of Default and that it is a “notice of acceleration” (the “Acceleration Notice”), and the same shall become immediately due and payable. If an Event of Default with respect to a series of Securities specified in clause (vi) or (vii) of Section 6.1 above with respect to the Company occurs and is continuing, then all unpaid principal of, and premium, if any, and accrued and unpaid interest on all of the outstanding Securities of such series shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder of such series of Securities.

At any time after a declaration of acceleration with respect to the Securities of a series as described in the preceding paragraph, the Holders of a majority in principal amount of the Securities of such series may rescind and cancel such declaration and its consequences (i) if the rescission would not conflict with any judgment or decree, (ii) if all existing Events of Default with respect to such series of Securities have been cured or waived except non-payment of principal, premium, if any, or interest that has become due solely because of the acceleration, (iii) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal and premium if any, which has become due otherwise than by such declaration of acceleration, has been paid, (iv) if the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, disbursements and advances, and any other amounts due to the Trustee under Section 7.7 and (v) in the event of the cure or waiver of an Event of Default of the type described in clause (vi) or (vii) of Section 6.1, the Trustee shall have received an Officers’ Certificate and an Opinion of Counsel that such Event of Default has been cured or waived. No such rescission shall affect any subsequent Default or Event of Default or impair any right consequent thereon.

6.3. Other Remedies.

If an Event of Default with respect to a series of Securities occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, premium, if any, or interest on the Securities of such series or to enforce the performance of any provision of the Securities of such series or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities of such series or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Securityholder of such series in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

6.4. Waiver of Past Defaults.

Subject to Sections 2.9, 6.2, 6.7 and 9.2, the Holders of not less than a majority in principal amount of the outstanding Securities of a series by notice to the Trustee may waive an existing Default or Event of Default with respect to such series of Securities and its consequences, except a Default or Event of Default in the payment of principal of, premium, if any, or interest on any Security of such series as specified in clauses (i) and (ii) of Section 6.1. The Company shall deliver to the Trustee an Officers' Certificate stating that the requisite percentage of Holders of such series of Securities have consented to such waiver and attaching copies of such consents. When a Default or Event of Default is waived with respect to a series of Securities, it is cured and ceases with respect to such series of Securities.

6.5. Control by Majority.

The Holders of not less than a majority in principal amount of the outstanding Securities of such series may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on it. Subject to Section 7.1, however, the Trustee may refuse to follow any direction that conflicts with any law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of another Securityholder of such series, or that may involve the Trustee in personal liability.

6.6. Limitation on Suits.

A Securityholder of a series of Securities may not pursue any remedy with respect to this Indenture or the Securities of such series unless:

- (i) the Holder gives to the Trustee written notice of a continuing Event of Default;
- (ii) the Holder or Holders of at least 25% in principal amount of the outstanding Securities of such series make a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;
- (iv) the Trustee does not comply with the request within 45 days after receipt of the request and the offer and, if requested, the provision of indemnity; and
- (v) during such 45-day period the Holder or Holders of a majority in principal amount of the outstanding Securities of such series do not give the Trustee a direction which, in the opinion of the Trustee, is inconsistent with the request.

A Securityholder may not use this Indenture to prejudice the rights of another Securityholder or to obtain a preference or priority over such other Securityholder.

6.7. Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of Securities of a series to receive payment of principal of, premium, if any, and interest on a Security of such series, on or after the respective due dates expressed in such Security, or to bring suit for the enforcement of any such

payment on or after such respective dates, shall not be impaired or affected without the consent of the Holder.

6.8. Collection Suit by Trustee.

If an Event of Default in payment of principal, premium, if any, or interest specified in clause (i) or (ii) of Section 6.1 occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Securities of such series for the whole amount of principal, premium, if any, and accrued interest and fees remaining unpaid, together with interest on overdue principal and premium, if any, and, to the extent that payment of such interest is lawful, interest on overdue installments of interest, in each case at the rate per annum borne by the Securities of such series and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Section 7.7.

6.9. Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Section 7.7) and the Securityholders allowed in any judicial proceedings relating to the Issuer, their creditors or their property and shall be entitled and empowered to participate as a member, voting or otherwise, of any official committee appointed for such matter, to collect and receive any monies or other securities or property payable or deliverable upon the conversion or exchange of the Securities or upon any such claims and to distribute the same, and any Custodian in any such judicial proceedings is hereby authorized by each Securityholder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Securityholders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee under Section 7.7. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Securityholder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Securityholder in any such proceeding.

6.10. Priorities.

If the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

First: to the Trustee for amounts due under Section 7.7;

Second: to Holders for interest accrued on the Securities of the applicable series, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities of such series for interest;

Third: to Holders for principal amounts and premium, if any, due and unpaid on the Securities of the applicable series, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities of such series for principal; and

Fourth: to the Issuer or to the Guarantors as their respective interests may appear.

The Trustee, upon prior notice to the Issuer, may fix a record date and payment date for any payment to Securityholders pursuant to this Section 6.10.

6.11. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.7, or a suit by a Holder or Holders of more than 10% in principal amount of the outstanding Securities of the applicable series.

6.12. Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then, and in every such case, subject to any determination in such proceeding, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Issuer, Trustee and the Holders shall continue as though no such proceeding had been instituted.

6.13. Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or wrongfully taken Securities in Section 2.7, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

ARTICLE SEVEN

TRUSTEE

7.1. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing and known to the Trustee, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default:

(i) The Trustee need perform only those duties as are specifically set forth herein and no duties, covenants, responsibilities or obligations shall be implied in this Indenture against the Trustee.

(ii) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates (including Officers' Certificates) or opinions (including Opinions of Counsel) furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture, but need not verify the contents thereof.

(c) Notwithstanding anything to the contrary herein, the Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) This paragraph does not limit the effect of paragraph (b) of this Section 7.1.

(ii) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(iii) The Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it shall have reasonable grounds for believing that repayment of such funds is not assured to it.

(e) Every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.1.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) In the absence of bad faith, negligence or willful misconduct on the part of the Trustee, the Trustee shall not be responsible for the application of any money by any Paying Agent other than the Trustee.

7.2. Rights of Trustee.

Subject to Section 7.1:

(a) The Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate and an Opinion of Counsel, which shall conform to the provisions of Section 11.5. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent (other than an agent who is an employee of the Trustee) appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers.

(e) The Trustee may consult with counsel and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which may be incurred therein or thereby.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate (including any Officers' Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled, upon reasonable notice to the Issuer, to examine the books, records and premises of the Issuer, personally or by agent or attorney.

(h) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(i) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties.

(j) The Trustee shall not be charged with knowledge of any Default or Event of Default, of the identity of any Restricted Subsidiary or the existence of any Change of Control or Asset Sale unless either (i) a Responsible Officer shall have actual knowledge thereof or (ii) the Trustee shall have received written notice thereof from either of the Issuer or any Holder.

(k) Delivery of reports, information and documents to the Trustee under Section 4.10 is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of the covenants hereunder.

7.3. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Issuer, its Subsidiaries (including any Guarantors) or their respective Affiliates with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

7.4. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, any Guarantee or the Securities, it shall not be accountable for the Issuer's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Issuer in this Indenture or any document issued in connection with the sale of Securities or any statement in the Securities other than the Trustee's certificate of authentication. The Trustee makes no representations with respect to the effectiveness or adequacy of this Indenture.

7.5. Notice of Default.

If a Default or an Event of Default with respect to a series of Securities occurs and is continuing and the Trustee receives actual notice of such Default or Event of Default, the Trustee shall mail to each Securityholder of such series notice of the uncured Default or Event of Default within 60 days after such Default or Event of Default occurs. Except in the case of a Default or an Event of Default in payment of principal of, premium, if any, or interest on, any Security, including an accelerated payment and the failure to make payment on the Change of Control Payment Date pursuant to a Change of Control Offer or the Net Proceeds Offer Payment Date pursuant to a Net Proceeds Offer, the Trustee may withhold the notice if and so long as the Board of Directors, the executive committee, or a trust committee of directors and/or Responsible Officers, of the Trustee in good faith determines that withholding the notice is in the interest of the Securityholders.

7.6. [Reserved].

7.7. Compensation and Indemnity.

The Issuer and the Guarantors shall pay to the Trustee, from time to time, reasonable compensation for its services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer and the Guarantors shall reimburse the Trustee upon request for all reasonable disbursements, expenses and advances (including reasonable fees and expenses of counsel) incurred or made by it in addition to the compensation for its services, except any such disbursements, expenses and advances as may be attributable to the Trustee's negligence, bad faith or willful misconduct. Such expenses shall include the reasonable fees and expenses of the Trustee's agents and counsel.

The Issuer and the Guarantors shall indemnify the Trustee and its agents, employees, officers, stockholders and directors for, and hold them harmless against, any loss, liability or expense (including reasonable attorneys' fees and expenses) incurred by them except for such actions to the extent caused by any negligence, bad faith or willful misconduct on their part, arising out of or in connection with the acceptance or administration of this trust including the cost and expense of enforcing this Indenture and the Securities against the Issuer and the Guarantors (including this Section 7.7) including the reasonable costs and expenses of defending themselves against or investigating any claim (whether asserted by the

Issuer, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of the Trustee's rights, powers or duties hereunder. The Trustee shall notify the Issuer and the Guarantors promptly of any claim asserted against the Trustee or any of its agents, employees, officers, stockholders and directors for which it may seek indemnity, *provided* that any failure to so notify the Issuer and the Guarantors shall not relieve the Issuer and the Guarantors of their indemnity obligations hereunder. The Issuer and the Guarantors may, subject to the approval of the Trustee, defend the claim and the Trustee shall cooperate in the defense. The Trustee and its agents, employees, officers, stockholders and directors subject to the claim may have separate counsel and the Issuer and the Guarantors shall pay the reasonable fees and expenses of such counsel; *provided, however*, that the Issuer and the Guarantors will not be required to pay such fees and expenses if, subject to the approval of the Trustee, it assumes the Trustee's defense and there is no conflict of interest between the Issuer and the Guarantors and the Trustee and its agents, employees, officers, stockholders and directors subject to the claim in connection with such defense as reasonably determined by the Trustee. The Issuer and the Guarantors need not pay for any settlement made without their written consent, which consent will not be unreasonably withheld, delayed or conditioned. The Issuer and the Guarantors need not reimburse any expense or indemnify against any loss or liability to the extent incurred by the Trustee through its negligence, bad faith or willful misconduct.

To secure the Issuer's and the Guarantors' payment obligations in this Section 7.7, the Trustee shall have a Lien prior to the Securities against all money or property held or collected by the Trustee, in its capacity as Trustee, except assets or money held in trust to pay principal of, premium, if any, or interest on particular Securities.

When the Trustee incurs expenses or renders services after an Event of Default specified in clause (vi) or (vii) of Section 6.1 occurs, such expenses and the compensation for such services shall be paid to the extent allowed under any Bankruptcy Law.

Notwithstanding any other provision in this Indenture, the foregoing provisions of this Section 7.7 shall survive the satisfaction and discharge of this Indenture or the appointment of a successor Trustee.

7.8. Replacement of Trustee.

The Trustee may resign at any time by so notifying the Issuer in writing. The Holders of a majority in principal amount of the outstanding Securities of the applicable series may remove the Trustee by so notifying the Issuer and the Trustee and may appoint a successor Trustee. The Issuer may remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.10;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall notify each Holder of such event and shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the

Securities of the applicable series may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Immediately after that, the retiring Trustee shall transfer, after payment of all sums then owing to the Trustee pursuant to Section 7.7, all property held by it as Trustee to the successor Trustee, subject to the Lien provided in Section 7.7, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall mail notice of its succession to each Securityholder of the applicable series.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of at least 10% in principal amount of the outstanding Securities of the applicable series may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Securityholder of the applicable series of Securities may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding replacement of the Trustee pursuant to this Section 7.8, the Issuer's and the Guarantors' obligations under Section 7.7 shall continue for the benefit of the retiring Trustee.

7.9. Successor Trustee by Merger, Etc.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the resulting, surviving or transferee corporation without any further act shall, if such resulting, surviving or transferee corporation is otherwise eligible hereunder, be the successor Trustee; *provided* that such corporation shall be otherwise qualified and eligible under this Article Seven.

7.10. Eligibility; Disqualification.

This Indenture shall always have a Trustee who satisfies the requirement of TIA §§ 310(a)(1), 310(a)(2) and 310(a)(5). The Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition. In addition, if the Trustee is a corporation included in a bank holding company system, the Trustee, independently of the bank holding company, shall meet the capital requirements of TIA § 310(a)(2). The Trustee shall comply with TIA § 310(b); *provided, however*, that there shall be excluded from the operation of TIA § 310(b)(1) any indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Issuer are outstanding, if the requirements for such exclusion set forth in TIA § 310(b)(1) are met. The provisions of TIA § 310 shall apply to the Issuer and any other obligor of the Securities.

7.11. Preferential Collection of Claims Against the Issuer.

The Trustee, in its capacity as Trustee hereunder, shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated.

ARTICLE EIGHT

DISCHARGE OF INDENTURE; DEFEASANCE

8.1. Termination of the Issuer's Obligations.

The Issuer may terminate its obligations under the Securities of a series and this Indenture with respect to such series of Securities, except those obligations referred to in the penultimate paragraph of this Section 8.1, if all Securities of such series previously authenticated and delivered (other than destroyed, lost or stolen Securities which have been replaced or paid or Securities for whose payment U.S. Legal Tender has theretofore been deposited with the Trustee or the Paying Agent in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer, as provided in Section 8.5) have been delivered to the Trustee for cancellation and the Issuer has paid all sums payable by them hereunder, or if:

(i) either (x) all Securities of such series have become due and payable hereunder or (y) will become due and payable within one year, or are to be called for redemption within one year, under arrangements reasonably satisfactory to the Trustee for the giving of notice of such redemption by the Trustee in the name, and at the expense, of the Issuer, in accordance with the provisions hereof;

(ii) the Issuer shall have irrevocably deposited or caused to be deposited with the Trustee or a trustee satisfactory to the Trustee, under the terms of an irrevocable trust agreement in form and substance satisfactory to the Trustee, as trust funds in trust solely for the benefit of the Holders of such series of Securities of that purpose, U.S. Legal Tender in such amount as is sufficient without consideration of reinvestment of such interest, to pay principal of, premium, if any, and interest on such outstanding Securities to maturity or redemption; *provided* that the Trustee shall have been irrevocably instructed to apply such U.S. Legal Tender to the payment of said principal, premium, if any, and interest with respect to such Securities;

(iii) no Default or Event of Default with respect to such series of Securities shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit (other than a Default or Event of Default resulting from the incurrence of Indebtedness all or a portion of the proceeds of which will be used to defease the Securities of such series pursuant to this Article Eight concurrently with such incurrence) and such deposit will not result in a breach or violation of, or constitute a default under, any other instrument or agreement to which the Issuer is a party or by which the Issuer is bound;

(iv) the Issuer shall have paid all other sums payable by it hereunder with respect to such series of Securities; and

(v) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent providing for or relating to the termination of the Issuer's obligations under the Securities of such series and this Indenture with respect to such series of Securities have been complied with.

Subject to the next sentence and notwithstanding the foregoing paragraph, the Issuer's obligations in Sections 2.5, 2.6, 2.7, 2.8, 4.1, 4.2, 7.7, 8.5 and 8.6 with respect to such series of Securities shall survive until such series of Securities are no longer outstanding pursuant to the last paragraph of

Section 2.8. After such series of Securities are no longer outstanding, the Issuer's obligations in Sections 7.7, 8.5 and 8.6 with respect to such series of Securities shall survive.

After such delivery or irrevocable deposit, the Trustee upon request shall acknowledge in writing the discharge of the Issuer's obligations under such series of Securities and this Indenture with respect to such series of Securities except for those surviving obligations specified above.

8.2. Legal Defeasance and Covenant Defeasance.

(a) The Issuer may, at its option by Board Resolutions of the Board of Directors of the Issuer, at any time, elect to have either paragraph (b) or (c) below applied to all outstanding Securities of a series upon compliance with the conditions set forth in Section 8.3.

(b) Upon the Issuer's exercise under paragraph (a) hereof of the option applicable to this paragraph (b), the Issuer and any Guarantor shall, subject to the satisfaction of the conditions set forth in Section 8.3, be deemed to have been discharged from their respective obligations with respect to all outstanding Securities of such series and the corresponding Guarantees on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Securities of such series, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.4 and the other Sections of this Indenture referred to in (i) and (ii) below, and to have satisfied all its other obligations under such Securities and this Indenture with respect to such series of Securities (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions, which shall survive until otherwise terminated or discharged hereunder: (i) the rights of Holders of outstanding Securities of such series to receive solely from the trust fund described in Section 8.4, and as more fully set forth in such Section, payments in respect of the principal of, premium, if any, and interest on such Securities of such series when such payments are due, (ii) the Company's obligations with respect to such Securities under Article Two and Section 4.2, (iii) the rights, powers, trust, duties and immunities of the Trustee hereunder and the Company's obligations in connection therewith and (iv) this Article Eight. Subject to compliance with this Article Eight, the Issuer may exercise its option under this paragraph (b) notwithstanding the prior exercise of its option under paragraph (c) hereof.

(c) Upon the Issuer's exercise under paragraph (a) hereof of the option applicable to this paragraph (c), the Issuer and each Guarantor shall, subject to the satisfaction of the conditions set forth in Section 8.3, be released from their obligations with respect to such series of Securities, if any, under the covenants contained in Sections 4.3 and 4.4 and Sections 4.12 through 4.19 and Article Five with respect to the outstanding Securities and the corresponding Guarantees on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of such series shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders of such series of Securities (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the outstanding Securities of such series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.1(iii) with respect to such series of Securities, but, except as specified

above, the remainder of this Indenture with respect to such series of Securities and such Securities shall be unaffected thereby. In addition, upon the Issuer's exercise under paragraph (a) hereof of the option applicable to this paragraph (c), subject to the satisfaction of the conditions set forth in Section 8.3 hereof, Sections 6.1(iii), 6.1(iv), 6.1(v) and 6.1(viii) shall not constitute Events of Default with respect to such series of Securities.

8.3. Conditions to Legal Defeasance or Covenant Defeasance.

The following shall be the conditions to the application of either Section 8.2(b) or 8.2(c) to the outstanding Securities of a series:

In order to exercise either Legal Defeasance or Covenant Defeasance:

(i) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders cash in U.S. dollars, non-callable U.S. government obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the Securities of such series on the stated date for payment thereof or on the applicable redemption date, as the case may be;

(ii) in the case of an election under Section 8.2(b), the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that (a) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders will not recognize income, gain or loss for Federal income tax purposes as a result of such Legal Defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(iii) in the case of an election under Section 8.2(c), the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that the Holders of the Securities of such series will not recognize income, gain or loss for Federal income tax purposes as a result of such Covenant Defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(iv) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or insofar as Sections 6.1(vi) and 6.1(vii) hereof are concerned, at any time in the period ending on the 91st day after the date of such deposit;

(v) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under this Indenture, any Credit Agreement or any other material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(vi) the Issuer shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over any other

creditors of the Issuer or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Issuer or others;

(vii) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent hereunder provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with; and

(viii) the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that, assuming no intervening bankruptcy of the Company occurs between the date of deposit and the 91st day following the date of deposit and that no Holder is an insider of the Company, after the 91st day following the date of deposit, the trust funds will not be subject to the effect of Section 547 of the United States Bankruptcy Code or Section 15 of the New York Debtor and Creditor Law.

Notwithstanding the foregoing, the Opinion of Counsel required by clause (ii) above of this Section 8.3 is not required if all Securities of such series not theretofore delivered to the Trustee for cancellation (i) have become due and payable, (ii) will become due and payable on the Maturity Date within one year or (iii) are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the Company's name, and at the expense, of the Company.

8.4. Application of Trust Money.

The Trustee or Paying Agent shall hold in trust U.S. Legal Tender or U.S. Government Obligations deposited with it pursuant to this Article Eight, and shall apply the deposited U.S. Legal Tender and the money from U.S. Government Obligations in accordance with this Indenture to the payment of principal of, premium, if any, and interest on the Securities of the applicable series.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Legal Tender or U.S. Government Obligations deposited pursuant to Section 8.3 hereof or the principal, premium, if any, and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Securities of the applicable series.

Anything in this Article Eight to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the Issuer's request any U.S. Legal Tender or U.S. Government Obligations held by it as provided in Section 8.3 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

8.5. Repayment to the Issuer.

The Trustee and the Paying Agent shall pay to the Issuer upon request any money held by them for the payment of principal, premium, if any, or interest that remains unclaimed for two years; *provided* that the Trustee or such Paying Agent, before being required to make any payment, may at the expense of the Issuer cause to be published once in a newspaper of general circulation in The City of New York or mail to each Holder entitled to such money notice that such money remains unclaimed and that after a date specified therein which shall be at least 30 days from the date of such publication or mailing any

unclaimed balance of such money then remaining will be repaid to the Issuer. After payment to the Issuer, Holders entitled to such money must look to the Issuer for payment as general creditors unless an applicable law designates another Person.

8.6. Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. Legal Tender or U.S. Government Obligations in accordance with this Article Eight by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Securities of the applicable series shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or Paying Agent is permitted to apply all such U.S. Legal Tender or U.S. Government Obligations in accordance with this Article Eight; *provided* that if the Issuer has made any payment of interest on, premium, if any, or principal of any Securities of the applicable series because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the U.S. Legal Tender or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE NINE

AMENDMENTS, SUPPLEMENTS AND WAIVERS

9.1. Without Consent of Holders.

The Issuer, any Guarantor or the Trustee, together, may amend or supplement this Indenture with respect to the applicable series of Securities, the Securities of any series or any Guarantee of any series of Securities without notice to or consent of any Securityholder of such series:

- (i) to cure any ambiguity, defect or inconsistency, so long as such change does not, in the good faith determination of the Board of Directors of the Company, adversely affect the rights of any of the Holders of such series in any material respect. In formulating its determination on such matters, the Board of Directors of the Company will be entitled to rely on such evidence as it deems appropriate;
- (ii) to evidence the succession in accordance with Article Five of another Person to the Company or a Guarantor and the assumption by any such successor of the covenants of the Company or such Guarantor herein and in the Securities of such series;
- (iii) to provide for uncertificated Securities in addition to or in place of certificated Securities;
- (iv) to make any other change that would provide additional benefit or rights to the Securityholders of such series or that does not adversely affect the rights of any Securityholders of such series hereunder;
- (v) to comply with any requirements of the Commission in order to effect or maintain the qualification of this Indenture under the TIA; or
- (vi) to add or release any Guarantor pursuant to the terms of this Indenture;

provided that the Company has delivered to the Trustee an Opinion of Counsel and an Officers' Certificate, each stating that such amendment or supplement complies with the provisions of this Section 9.1. In addition, without the consent of the Holders of the Securities of such series, the Company, the Guarantors and the Trustee may amend this Indenture to conform it to the "Description of the Notes" contained in the Offering Circular. In making its determination, the Issuer's Board of Directors may rely on such evidence as it deems appropriate.

9.2. With Consent of Holders.

Subject to Section 6.7, the Issuer, the Guarantors and the Trustee, together with the written consent of the Holder or Holders of at least a majority in aggregate principal amount of the outstanding Securities of such series, may amend or supplement this Indenture with respect to the applicable series of Securities, the Securities of such series or the Guarantees of such series of Securities without notice to any other Securityholders of such series. Subject to Section 6.7, the Holder or Holders of a majority in aggregate principal amount of the outstanding Securities of a series may waive compliance by the Issuer or any Guarantor with any provision of this Indenture with respect to the such series of Securities, the Securities of such series or any Guarantee of such series of Securities without notice to any other Securityholder.

Without the consent of each Securityholder affected in respect of such series of Securities, however, no amendment, supplement or waiver, including a waiver pursuant to (and to the extent provided in) Section 6.4, may:

- (i) reduce the amount of Securities of such series whose Holders must consent to an amendment, supplement or waiver;
- (ii) reduce the rate of or change or have the effect of changing the time for payment of interest, including default interest, on any Security of such series;
- (iii) reduce the principal of or change or have the effect of changing the fixed maturity of any Security of such series, or change the date on which any Securities of such series may be subject to redemption or reduce the Redemption Price therefor;
- (iv) make any Securities of such series payable in money other than that stated in the Securities of such series;
- (v) make any change in provisions of this Indenture protecting the right of each Holder of the Securities of such series to receive payment of principal of, premium, if any, and interest on such Security on or after the due date thereof or to bring suit to enforce such payment, or permitting Holders of a majority in principal amount of the Securities of such series to waive Defaults or Events of Default;
- (vi) modify or change any provision of this Indenture or the related definitions affecting the ranking of the Securities of such series or any Guarantee thereof, in a manner which adversely affects the Holders of the Securities of such series;
- (vii) amend, change or modify in any material respect the obligation of the Issuer to make and consummate a Change of Control Offer in respect of the Securities of such series in the

event of a Change of Control which has occurred or modify any of the provisions or definitions with respect thereto after a Change of Control has occurred;

(viii) make any changes in Sections 6.4, 6.7 or this Section 9.2; or

(ix) release any Guarantor that is a Significant Subsidiary from any of its obligations under its Guarantee of the Securities of such series or this Indenture other than in accordance with the terms of this Indenture.

It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.2 becomes effective, the Issuer shall mail to the Holders of such series of Securities affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

9.3. [Reserved].

9.4. Revocation and Effect of Consents.

Until an amendment, waiver or supplement becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent is not made on any Security. However, any such Holder or subsequent Holder may revoke the consent as to his Security or portion of his Security by notice to the Trustee or the Issuer received before the date on which the Trustee receives an Officers' Certificate certifying that the Holders of the requisite principal amount of Securities have consented (and not theretofore revoked such consent) to the amendment, supplement or waiver.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver. If a record date is fixed, then notwithstanding the last sentence of the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date.

After an amendment, supplement or waiver becomes effective, it shall bind every Securityholder of such series of Securities, unless it makes a change described in any of clauses (i) through (vii) of Section 9.2, in which case, the amendment, supplement or waiver shall bind only each Holder of a Security who has consented to it and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security; *provided* that any such waiver shall not impair or affect the right of any Holder to receive payment of principal of, premium, if any, and interest on a Security, on or after the respective due dates expressed in such Security, or to bring suit for the enforcement of any such payment on or after such respective dates without the consent of such Holder.

9.5. Notation on or Exchange of Securities.

If an amendment, supplement or waiver changes the terms of a Security, the Issuer may require the Holder of the Security to deliver it to the Trustee. The Issuer shall provide the Trustee with an appropriate notation on the Security about the changed terms and cause the Trustee to return it to the Holder at the Issuer's expense. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or issue a new Security shall not affect the validity and effect of such amendment, supplement or waiver.

9.6. Trustee to Sign Amendments, etc.

The Trustee shall execute any amendment, supplement or waiver authorized pursuant to this Article Nine; *provided* that the Trustee may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's own rights, duties or immunities under this Indenture. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate each complying with Sections 11.4 and 11.5 and stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article Nine is authorized or permitted by this Indenture and constitutes the legal, valid and binding obligations of the Issuer enforceable in accordance with its terms. Such Opinion of Counsel shall be at the expense of the Issuer.

ARTICLE TEN

GUARANTEE OF SECURITIES

10.1 Unconditional Guarantee.

Subject to the provisions of this Article Ten, each of the Guarantors, upon the execution and delivery of this Indenture or a Guarantee pursuant to Section 4.15 or 4.19, shall hereby, jointly and severally, unconditionally and irrevocably guarantee, on a senior unsecured basis (such guarantees to be referred to herein as the "Guarantees") to each Holder of a Security authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Securities or the obligations of the Issuer or any other Guarantors to the Holders or the Trustee hereunder or thereunder, that: (a) the principal of, premium, if any, and interest on the Securities shall be duly and punctually paid in full when due, whether at maturity, upon redemption at the option of Holders pursuant to the provisions of the Securities relating thereto, by acceleration or otherwise, and interest on the overdue principal and (to the extent permitted by law) interest, if any, on the Securities and all other obligations of the Issuer or the Guarantors to the Holders or the Trustee hereunder or thereunder (including amounts due the Trustee under Section 7.7 hereof) and all other obligations shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Securities or any of such other obligations, the same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed, or failing performance of any other obligation of the Issuer to the Holders under this Indenture or under the Securities, for whatever reason, each Guarantor shall be obligated to pay, or to perform or cause the performance of, the same immediately. An Event of Default under this Indenture in respect of a series of Securities or under an applicable series of Securities shall constitute an event of default under the Guarantees in respect of such Securities, and shall entitle the Holders of such Securities

to accelerate the obligations of the Guarantors in respect of such Securities hereunder in the same manner and to the same extent as the obligations of the Issuer.

Each of the Guarantors, upon the execution and delivery of this Indenture or a Guarantee pursuant to Section 4.15 or 4.19, shall hereby agree that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Securities or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Securities with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Issuer, any action to enforce the same, whether or not a Guarantee is affixed to any particular Security, or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each of the Guarantors, upon the execution and delivery of this Indenture or a Guarantee pursuant to Section 4.15 or 4.19, shall hereby waive the benefit of diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that its Guarantee shall not be discharged except by complete performance of the obligations contained in the Securities, this Indenture and the Guarantees. Each Guarantee is a guarantee of payment and not of collection. If any Holder or the Trustee is required by any court or otherwise to return to the Issuer or to any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to such Issuer or such Guarantor, any amount paid by such Issuer or such Guarantor to the Trustee or such Holder, each Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Guarantor, upon the execution and delivery of this Indenture or a Guarantee pursuant to Section 4.15 or 4.19, shall hereby further agree that, as between it, on the one hand, and the Holders of Securities and the Trustee, on the other hand, (a) subject to this Article Ten, the maturity of the obligations guaranteed hereby may be accelerated as provided in Article Six hereof for the purposes of the Guarantees, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (b) in the event of any acceleration of such obligations as provided in Article Six hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of the Guarantees.

No Affiliate, stockholder, officer, director, limited liability company member or employee, past, present or future, of any Guarantor, as such, shall have any personal liability under such Guarantor's Guarantee by reason of his, her or its status as such Affiliate, stockholder, officer, director, limited liability company member or employee.

10.2. Limitations on Guarantees.

The obligations of any Guarantor under its Guarantee shall be limited to the maximum amount which, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, will result in the obligations of such Guarantor under the Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law. Each Guarantor that makes a payment or distribution under a Guarantee shall be entitled to a contribution from each other Guarantor in an amount *pro rata*, based on the net assets of each Guarantor, determined in accordance with GAAP.

10.3. Execution and Delivery of Guarantee.

To further evidence the Guarantees set forth in Section 10.1, each Guarantor, upon the execution and delivery of this Indenture or a Guarantee pursuant to Section 4.15 or 4.19, hereby agrees that a

notation of its Guarantee, substantially in the form of Exhibit E hereto, shall be endorsed on each Security authenticated and delivered by the Trustee. The Guarantee of any Guarantor shall be executed on behalf of such Guarantor by either manual or facsimile signature of one Officer of such Guarantor, who shall have been duly authorized to so execute by all requisite corporate action. The validity and enforceability of any Guarantee shall not be affected by the fact that it is not affixed to any particular Security.

Each of the Guarantors, upon the execution and delivery of this Indenture or a Guarantee pursuant to Section 4.15 or 4.19, hereby agrees that its Guarantee set forth in Section 10.1 shall remain in full force and effect notwithstanding any failure to endorse on each Security a notation of such Guarantee.

If an Officer of a Guarantor whose signature is on this Indenture or a Guarantee no longer holds that office at the time the Trustee authenticates the Security on which such Guarantee is endorsed or at any time thereafter, such Guarantor's Guarantee of such Security shall nevertheless be valid.

The delivery of any Security by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Guarantee set forth in this Indenture on behalf of each Guarantor.

10.4. Release of a Guarantor.

(a) If no Default or Event of Default with respect to the applicable series of Securities exists or would exist under this Indenture, upon the sale or disposition of all of the Capital Stock of a Guarantor by the Company or any Restricted Subsidiary of the Company, in a transaction or series of related transactions that either (i) does not constitute an Asset Sale or (ii) constitutes an Asset Sale and such Asset Sale is not in violation of Section 4.18, or upon the consolidation or merger of a Guarantor with or into any Person in compliance with Article Five (in each case, other than to the Company or an Affiliate of the Company), or if any Guarantor is dissolved or liquidated in accordance with this Indenture, such Guarantor's Guarantee will be automatically discharged and such Guarantor shall be released from all obligations under this Article Ten with respect to such series of Securities without any further action required on the part of the Trustee or any Holder. Any Guarantor not so released or the entity surviving such Guarantor, as applicable, shall remain or be liable under its Guarantee as provided in this Article Ten.

(b) In addition, each such Guarantee will be automatically discharged and the Guarantor party thereto shall be released from all obligations under this Article Ten without any further action on the part of the Trustee or any Holder upon (i) the release or discharge of the guarantee which resulted in the creation of such Guarantee under such Section 4.15, except a discharge or release by or as a result of payment under such Guarantee or (ii) the designation of such Guarantor as an Unrestricted Subsidiary in accordance with the provisions of this Indenture. Any Guarantor not so released or the entity surviving such Guarantor, as applicable, shall remain or be liable under its Guarantee as provided in this Article Ten.

(c) The Trustee shall deliver an appropriate instrument evidencing the release of a Guarantor upon receipt of a request by the Issuer or such Guarantor accompanied by an Officers' Certificate and an Opinion of Counsel certifying as to the compliance with this Section 10.4; *provided, however*, that the legal counsel delivering such Opinion of Counsel may rely as to matters of fact on one or more Officers' Certificates of the Company.

The Trustee shall execute any documents reasonably requested by the Issuer or a Guarantor in order to evidence the release of such Guarantor from its obligations under its Guarantee endorsed on the Securities and under this Article Ten.

Except as set forth in Articles Four and Five and this Section 10.4, nothing contained in this Indenture or in any of the Securities shall prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuer or another Guarantor.

10.5. Waiver of Subrogation.

Until this Indenture is discharged and all of the Securities are discharged and paid in full, each Guarantor, upon the execution and delivery of this Indenture or a Guarantee pursuant to Section 4.15 or 4.19, shall hereby irrevocably waive and agrees not to exercise any claim or other rights which it may now or hereafter acquire against the Issuer that arise from the existence, payment, performance or enforcement of the Issuer's obligations under the Securities or this Indenture and such Guarantor's obligations under its Guarantee and this Indenture, in any such instance, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, and any right to participate in any claim or remedy of the Holders against the Issuer, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Issuer, directly or indirectly, in cash or other property or by setoff or in any other manner, payment or security on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and any amounts owing to the Trustee or the Holders of Securities under the Securities, this Indenture, or any other document or instrument delivered under or in connection with such agreements or instruments, shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Trustee or the Holders and shall forthwith be paid to the Trustee for the benefit of itself or such Holders to be credited and applied to the obligations in favor of the Trustee or the Holders, as the case may be, whether matured or unmatured, in accordance with the terms of this Indenture. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this Section 10.5 is knowingly made in contemplation of such benefits.

10.6. Immediate Payment.

Each Guarantor, upon the execution and delivery of this Indenture or a Guarantee pursuant to Section 4.15 or 4.19, shall hereby agree to make immediate payment to the Trustee, on behalf of the Holders or itself, of all Obligations due and owing or payable to the respective Holders or the Trustee upon receipt of a demand for payment therefor by the Trustee to such Guarantor in writing.

10.7. No Setoff.

Each payment to be made by a Guarantor hereunder in respect of the Obligations shall be payable in the currency or currencies in which such Obligations are denominated, and shall be made without setoff, counterclaim, reduction or diminution of any kind or nature.

10.8 Obligations Absolute.

The obligations of each Guarantor hereunder are and shall be absolute and unconditional and any monies or amounts expressed to be owing or payable by each Guarantor hereunder which may not be recoverable from such Guarantor on the basis of a Guarantee shall be recoverable from such Guarantor as a primary obligor and principal debtor in respect thereof.

10.9 Obligations Continuing.

The obligations of each Guarantor hereunder shall be continuing and shall remain in full force and effect until all the obligations have been paid and satisfied in full. Upon the execution and delivery of this Indenture or a Guarantee pursuant to Section 4.15 or 4.19, each Guarantor shall hereby agree with the Trustee that it will from time to time deliver to the Trustee suitable acknowledgments of its continued liability hereunder and under any other instrument or instruments in such form as counsel to the Trustee may advise and as will prevent any action brought against it in respect of any default hereunder being barred by any statute of limitations now or hereafter in force and, in the event of the failure of a Guarantor so to do, it hereby irrevocably appoints the Trustee the attorney and agent of such Guarantor to make, execute and deliver such written acknowledgment or acknowledgments or other instruments as may from time to time become necessary or advisable, in the judgment of the Trustee on the advice of counsel, to fully maintain and keep in force the liability of such Guarantor hereunder and under its Guarantee.

10.10 Obligations Not Reduced.

The obligations of each Guarantor hereunder shall not be satisfied, reduced or discharged solely by the payment of such principal, premium, if any, interest, fees and other monies or amounts as may at any time prior to discharge of this Indenture pursuant to Article Eight be or become owing or payable under or by virtue of or otherwise in connection with the Securities or this Indenture.

10.11 Obligations Reinstated.

The obligations of each Guarantor hereunder shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment which would otherwise have reduced the obligations of any Guarantor hereunder (whether such payment shall have been made by or on behalf of the Issuer or by or on behalf of a Guarantor) is rescinded or reclaimed from any of the Holders upon the insolvency, bankruptcy, liquidation or reorganization of the Issuer or any Guarantor or otherwise, all as though such payment had not been made. If demand for, or acceleration of the time for, payment by the Issuer is stayed upon the insolvency, bankruptcy, liquidation or reorganization of such Issuer, all such Indebtedness otherwise subject to demand for payment or acceleration shall nonetheless be payable by each Guarantor as provided herein.

10.12 Obligations Not Affected.

The obligations of each Guarantor hereunder shall not be affected, impaired or diminished in any way by any act, omission, matter or thing whatsoever, occurring before, upon or after any demand for payment hereunder (and whether or not known or consented to by any Guarantor or any of the Holders) which, but for this provision, might constitute a whole or partial defense to a claim against any Guarantor hereunder or might operate to release or otherwise exonerate any Guarantor from any of its obligations hereunder or otherwise affect such obligations, whether occasioned by default of any of the Holders or otherwise, including, without limitation:

(i) any limitation of status or power, disability, incapacity or other circumstance relating to the Issuer or any other Person, including any insolvency, bankruptcy, liquidation, reorganization, readjustment, composition, dissolution, winding-up or other proceeding involving or affecting such Issuer or any other Person;

(ii) any irregularity, defect, unenforceability or invalidity in respect of any indebtedness or other obligation of the Issuer or any other Person under this Indenture, the Securities or any other document or instrument;

(iii) any failure of the Issuer, whether or not without fault on its part, to perform or comply with any of the provisions of this Indenture or the Securities, or to give notice thereof to a Guarantor;

(iv) the taking or enforcing or exercising or the refusal or neglect to take or enforce or exercise any right or remedy from or against the Issuer or any other Person or their respective assets or the release or discharge of any such right or remedy;

(v) the granting of time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Issuer or any other Person;

(vi) any change in the time, manner or place of payment of, or in any other term of, any of the Securities, or any other amendment, variation, supplement, replacement or waiver of, or any consent to departure from, any of the Securities or this Indenture, including, without limitation, any increase or decrease in the principal amount of or premium, if any, or interest on any of the Securities;

(vii) any change in the ownership, control, name, objects, businesses, assets, capital structure or constitution of the Issuer or a Guarantor;

(viii) any merger or amalgamation of the Issuer or a Guarantor with any Person or Persons;

(ix) the occurrence of any change in the laws, rules, regulations or ordinances of any jurisdiction by any present or future action of any governmental authority or court amending, varying, reducing or otherwise affecting, or purporting to amend, vary, reduce or otherwise affect, any of the Obligations or the obligations of a Guarantor under its Guarantee; and

(x) any other circumstance, including release of a Guarantor pursuant to Section 10.4 (other than by complete, irrevocable payment) that might otherwise constitute a legal or equitable discharge or defense of the Issuer under this Indenture or the Securities or of another Guarantor in respect of its Guarantee hereunder;

provided that the provisions of this Section 10.12 are not intended to affect in any way any release of a Guarantor in accordance with the provisions of Section 10.4.

10.13. Waiver.

Without in any way limiting the provisions of Section 10.1 hereof, each Guarantor, upon the execution and delivery of a Guarantee pursuant to Section 4.15 or 4.19, shall hereby waive notice of

acceptance hereof, notice of any liability of any Guarantor hereunder, notice or proof of reliance by the Holders upon the obligations of any Guarantor hereunder, and diligence, presentment, demand for payment on the Issuer, protest, notice of dishonor or nonpayment of any of the Obligations, or other notice or formalities to the Issuer or any Guarantor of any kind whatsoever.

10.14. No Obligation to Take Action Against the Issuer.

Neither the Trustee nor any other Person shall have any obligation to enforce or exhaust any rights or remedies or to take any other steps under any security for the Obligations or against the Issuer or any other Person or any property of such Issuer or any other Person before the Trustee is entitled to demand payment and performance by any or all Guarantors of their liabilities and obligations under their Guarantees or under this Indenture.

10.15 Dealing with the Issuer and Others.

The Holders, without releasing, discharging, limiting or otherwise affecting in whole or in part the obligations and liabilities of any Guarantor and without the consent of or notice to any Guarantor, may

- (i) grant time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Issuer or any other Person;
- (ii) take or abstain from taking security or collateral from the Issuer or from perfecting security or collateral of the Issuer;
- (iii) release, discharge, compromise, realize, enforce or otherwise deal with or do any act or thing in respect of (with or without consideration) any and all collateral, mortgages or other security given by the Issuer or any third party with respect to the obligations or matters contemplated by this Indenture or the Securities;
- (iv) accept compromises or arrangements from the Issuer;
- (v) apply all monies at any time received from the Issuer or from any security upon such part of the Obligations as the Holders may see fit or change any such application in whole or in part from time to time as the Holders may see fit; and
- (vi) otherwise deal with, or waive or modify their right to deal with, the Issuer and all other Persons and any security as the Holders or the Trustee may see fit.

10.16. Default and Enforcement.

If any Guarantor fails to pay in accordance with Section 10.6 hereof, the Trustee may proceed in its name as trustee hereunder in the enforcement of the Guarantee of any such Guarantor and such Guarantor's obligations thereunder and hereunder by any remedy provided by law, whether by legal proceedings or otherwise, and to recover from such Guarantor the obligations.

10.17 Amendment, etc.

No amendment, modification or waiver of any provision of this Indenture relating to any Guarantor or consent to any departure by any Guarantor or any other Person from any such provision will in any event be effective unless it is signed by such Guarantor and the Trustee.

10.18 Acknowledgment.

Each Guarantor, upon the execution and delivery of this Indenture or a Guarantee pursuant to Section 4.15 or 4.19, shall hereby acknowledge communication of the terms of this Indenture and the Securities and shall hereby consent to and approves of the same.

10.19. Costs and Expenses.

Each Guarantor shall pay on demand by the Trustee any and all costs, fees and expenses (including, without limitation, legal fees on a solicitor and client basis) incurred by the Trustee, its agents, advisors and counsel or any of the Holders in enforcing any of their rights under any Guarantee.

10.20. No Merger or Waiver; Cumulative Remedies.

No Guarantee shall operate by way of merger of any of the obligations of a Guarantor under any other agreement, including, without limitation, this Indenture. No failure to exercise and no delay in exercising, on the part of the Trustee or the Holders, any right, remedy, power or privilege hereunder or under this Indenture or the Securities, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under this Indenture or the Securities preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges in the Guarantee and under this Indenture, the Securities and any other document or instrument between a Guarantor and/or the Issuer and the Trustee are cumulative and not exclusive of any rights, remedies, powers and privilege provided by law.

10.21. Survival of Obligations.

Without prejudice to the survival of any of the other obligations of any Guarantor hereunder, the obligations of each Guarantor under Section 10.1 shall survive the payment in full of the Obligations under the Securities, but only if and to the extent such payment is avoided, and in such case shall be enforceable against such Guarantor to the same extent as prior to any such payment and without regard to and without giving effect to any defense, right of offset or counterclaim available to or which may be asserted by the Issuer or any Guarantor.

10.22. Guarantee in Addition to Other Obligations.

The Obligations of each Guarantor under its Guarantee and this Indenture are in addition to and not in substitution for any other Obligations to the Trustee or to any of the Holders in relation to this Indenture or the Securities and any guarantees or security at any time held by or for the benefit of any of them.

10.23. Severability.

[REVERSE OF 2027 NOTE]

CLEAN HARBORS, INC.

4.875% Senior Note due 2027 (the “2027 Note”)

1. Interest.

CLEAN HARBORS, INC., a Massachusetts corporation (the “Company”, or the “Issuer,” which terms include any of its successors under the Indenture hereinafter referred to), promises to pay interest on the principal amount of this 2027 Note at the rate per annum shown above. The Issuer will pay interest semiannually on January 15 and July 15 of each year (each, an “Interest Payment Date”), commencing January 15, 2020. Interest on this 2027 Note will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the Issue Date. Interest on this 2027 Note will be computed on the basis of a 360-day year of twelve 30-day months.

The Issuer shall pay interest on overdue principal from time to time on demand at the rate borne by this 2027 Note plus 2% and on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful.

2. Method of Payment.

The Issuer shall pay interest on the 2027 Notes (except defaulted interest) to the Persons who are the registered Holders at the close of business on the Record Date immediately preceding the Interest Payment Date even if the 2027 Notes are canceled on registration of transfer or registration of exchange after such Record Date. Holders must surrender 2027 Notes to a Paying Agent to collect principal payments. The Issuer shall pay principal, premium, if any and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts (“U.S. Legal Tender”). However, the Issuer may pay principal, premium, if any, and interest by wire transfer of federal funds, or interest by check payable in such U.S. Legal Tender. The Issuer may deliver any such interest payment to the Paying Agent or to a Holder at the Holder’s registered address.

3. Paying Agent and Registrar.

Initially, U.S. Bank National Association (the “Trustee”) will act as Paying Agent and Registrar. The Issuer may change any Paying Agent, Registrar or co-Registrar without notice to the Holders. The Company or any of its Subsidiaries may, subject to certain exceptions, act as Registrar or co-Registrar.

4. Indenture.

The Issuer issued the 2027 Notes under an Indenture, dated as of July 2, 2019 (the “Indenture”), among the Issuer, the Guarantors and the Trustee. This 2027 Note is one of a duly authorized issue of 2027 Notes of the Issuer. Capitalized terms herein are used as defined in the Indenture unless otherwise defined herein. The terms of the 2027 Notes include those stated in the Indenture. Notwithstanding anything to the contrary herein, the 2027 Notes are subject to all such terms, and Holders of 2027 Notes

are referred to the Indenture for a statement of them. The 2027 Notes are general obligations of the Issuer unlimited in amount.

5. Redemption.

Optional Redemption.

The Issuer may, on one or more occasions, redeem all or any portion of the 2027 Notes on and after July 15, 2022, upon not less than 30 nor more than 60 days' notice, at the following Redemption Prices (expressed as percentages of the principal amount) if redeemed during the twelve-month period commencing on July 15 of the years set forth below, plus, in each case, accrued and unpaid interest on the principal amount, if any, to the date of redemption:

<u>Year</u>	<u>Percentage</u>
2022	102.438%
2023	101.219%
2024 and thereafter	100.000%

At any time prior to July 15, 2022, the Issuer may, on one or more occasions, redeem all or any portion of the 2027 Notes, upon not less than 30 nor more than 60 days' notice, at a Redemption Price equal to 100% of the principal amount of the 2027 Notes redeemed, plus the 2027 Applicable Premium as of the date of redemption, plus accrued and unpaid interest on the principal amount, if any, to the redemption date.

At any time, or from time to time, prior to July 15, 2022, the Issuer may, at its option, use the Net Cash Proceeds of one or more Equity Offerings to redeem up to 35% in aggregate principal amount of all 2027 Notes (whether at the Issue Date or thereafter pursuant to an issuance of Additional 2027 Notes) at a Redemption Price equal to 104.875% of the principal amount thereof plus accrued and unpaid interest on the principal amount, if any, to the date of redemption; *provided, however*, that after any such redemption the aggregate principal amount of the 2027 Notes outstanding (whether issued on the Issue Date or thereafter pursuant to an issuance of Additional 2027 Notes) must equal at least 65% of the original aggregate principal amount of all 2027 Notes (including Additional 2027 Notes, if any). In order to effect the foregoing redemption with the Net Cash Proceeds of any Equity Offering, the Issuer shall make such redemption not more than 90 days after the consummation of such Equity Offering.

Any redemption of the 2027 Notes may, at the Issuer's discretion, be performed by another Person and be subject to one or more conditions precedent. In addition, if any redemption is subject to satisfaction of one or more conditions precedent, the related notice of redemption shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and such notice may be modified or rescinded by the Issuer in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed (which may exceed 60 days from the date of the redemption notice in such case). Such notice of redemption may be so delayed if such conditions precedent have not been met by providing notice to the Holders of the 2027 Notes, and any such notice of delay may be given one or more times, *provided* that the aggregate number of days of such delay or delays may not exceed 60 days beyond the original redemption date; and any such notice of redemption (as extended by any such notice or notices of delay, if applicable) may be rescinded by the Issuer by providing notice to the Holders of such Securities.

6. Notice of Redemption.

Notice of redemption shall be mailed by first-class mail at least 30 days but not more than 60 days before the Redemption Date to each Holder of 2027 Notes to be redeemed at such Holder's registered address. The Trustee may select for redemption portions (equal to \$2,000 or integral multiples of \$1,000 thereof) of the principal of 2027 Notes that have denominations larger than \$2,000.

If any 2027 Note is to be redeemed in part only, the notice of redemption that relates to such 2027 Note shall state the portion of the principal amount thereof to be redeemed. A new 2027 Note in a principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original 2027 Note. On and after the Redemption Date, interest will cease to accrue on 2027 Notes or portions thereof called for redemption, subject to the provisions of the Indenture.

7. Change of Control Offer.

Upon the occurrence of a Change of Control, the Issuer will be required, as and to the extent set forth in the Indenture, to offer to purchase all of the outstanding 2027 Notes at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, thereon to the date of repurchase (subject to the right of Securityholders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that notwithstanding the occurrence of a Change of Control, the Issuer shall not be obligated to repurchase the 2027 Notes pursuant to this paragraph 7 in the event that the Issuer have exercised their right to redeem all of the 2027 Notes under the terms of paragraph 5 hereof).

In the event that Holders of not less than 90% of the aggregate principal amount of the outstanding 2027 Notes accept a Change of Control Offer and the Issuer purchases all of the 2027 Notes held by such Holders, the Issuer shall have the right, upon not less than 30 nor more than 60 days' prior notice, to redeem all of the Securities of such series that remain outstanding following such purchase at a Redemption Price equal to 101% of the principal amount of such 2027 Notes, plus accrued interest to the date of purchase.

8. Limitation on Asset Sales.

The Issuer is, subject to certain conditions, obligated to make an offer to purchase 2027 Notes at 100% of their principal amount, plus accrued and unpaid interest, if any, thereon to the date of repurchase with certain Net Cash Proceeds of certain sales or other dispositions of assets in accordance with the Indenture.

9. [Reserved].

10. Denominations; Transfer; Exchange.

The 2027 Notes are in registered form, without coupons, in denominations of \$2,000 and integral multiples of \$1,000. A Holder shall register the transfer of or exchange 2027 Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Registrar need not register the

transfer of or exchange any 2027 Notes or portions thereof selected for redemption, except the unredeemed portion of any 2027 Note being redeemed in part.

11. Persons Deemed Owners.

The registered Holder of a 2027 Note shall be treated as the owner of it for all purposes.

12. Unclaimed Funds.

If funds for the payment of principal, premium, if any, or interest remain unclaimed for two years, the Trustee and the Paying Agent will repay the funds to the Issuer at their request. After that, all liability of the Trustee and such Paying Agent with respect to such funds shall cease.

13. Discharge Prior to Redemption or Maturity.

The Issuer and any Guarantor may be discharged from their obligations under the Indenture or the 2027 Notes and any Guarantee except for certain provisions thereof, and may be discharged from obligations to comply with certain covenants contained in the Indenture and the 2027 Notes and any Guarantee, in each case upon satisfaction of certain conditions specified in the Indenture.

14. Amendment; Supplement; Waiver.

Subject to certain exceptions, the Indenture and the 2027 Notes and any Guarantee may be amended or supplemented with the written consent of the Holders of at least a majority in aggregate principal amount of the 2027 Notes then outstanding, and any existing Default or Event of Default or compliance with any provision may be waived with the consent of the Holders of a majority in aggregate principal amount of the 2027 Notes then outstanding. From time to time, the Issuer, the Guarantors and the Trustee, without the consent of the Holders, may amend the Indenture to cure ambiguities, defects or inconsistencies, and to add Guarantees in accordance with the terms and conditions of the Indenture or similar provisions, so long as such change does not, in the good faith determination of the Issuer's Board of Directors, adversely affect the rights of any of the Holders of the 2027 Notes in any material respect. In addition, without the consent of the Holders of the 2027 Notes, the Issuer, the Guarantors and the Trustee may amend the Indenture to conform the Indenture to the "Description of the Notes" contained in the Offering Circular.

15. Restrictive Covenants.

The Indenture contains certain covenants that, among other things, limit the ability of the Company and its Restricted Subsidiaries to make restricted payments, to incur indebtedness, to create liens, to sell assets, to permit restrictions on dividends and other payments by Restricted Subsidiaries of the Company to the Company, to consolidate, merge or sell all or substantially all of its assets or to engage in transactions with affiliates. The limitations are subject to a number of important qualifications and exceptions. The Company must annually report to the Trustee on compliance with such limitations.

16. Defaults and Remedies.

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of 2027 Notes then outstanding may declare all the 2027 Notes to be due and

payable immediately in the manner and with the effect provided in the Indenture. Holders of 2027 Notes may not enforce the Indenture, the 2027 Notes or any Guarantee except as provided in the Indenture. The Trustee is not obligated to enforce the Indenture, the 2027 Notes or the Guarantees, unless it has received indemnity satisfactory to it. The Indenture permits, subject to certain limitations therein provided, Holders of a majority in aggregate principal amount of the 2027 Notes then outstanding to direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of 2027 Notes notice of certain continuing Defaults or Events of Default if it determines that withholding notice is in their interest.

17. Trustee Dealings with Issuer.

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of 2027 Notes and may otherwise deal with the Issuer, their Subsidiaries or their respective Affiliates as if it were not the Trustee.

18. No Recourse Against Others.

No Affiliate, director, officer, employee, limited liability company member or stockholder of the Issuer or any Subsidiary, as such, shall have any liability for any obligations of the Issuer or any Guarantor under the 2027 Notes or this Indenture or any Guarantee or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of 2027 Notes by accepting a 2027 Note waives and releases all such liability. The waiver and release were part of the consideration for issuance of the 2027 Notes.

19. Authentication.

This 2027 Note shall not be valid until the Trustee or authenticating agent signs the certificate of authentication on this 2027 Note.

20. Abbreviations and Defined Terms.

Customary abbreviations may be used in the name of a Holder of a 2027 Note or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

21. Governing Law.

This 2027 Note shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to applicable principles of conflicts of laws to the extent that the application of the laws of another jurisdiction would be required thereby.

22. CUSIP and ISIN Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer have caused CUSIP and ISIN numbers to be printed on the 2027 Notes as a convenience to the Holders of the 2027 Notes. No representation is made as to the accuracy of such numbers as printed on the 2027 Notes and reliance may be placed only on the other identification numbers printed hereon.

23. Indenture.

Each Holder, by accepting a 2027 Note, agrees to be bound by all of the terms and provisions of the Indenture, as the same may be amended from time to time.

The Issuer will furnish to any Holder of a 2027 Note upon written request and without charge a copy of the Indenture which has the text of this 2027 Note in larger type. Requests may be made to: Clean Harbors, Inc., 42 Longwater Drive, Norwell, MA, 02061, Attn: Chief Financial Officer.

[REVERSE OF 2029 NOTE]

CLEAN HARBORS, INC.

5.125% Senior Note due 2029 (the “2029 Note”)

1. Interest.

CLEAN HARBORS, INC., a Massachusetts corporation (the “Company”, or the “Issuer,” which terms include any of its successors under the Indenture hereinafter referred to), promises to pay interest on the principal amount of this 2029 Note at the rate per annum shown above. The Issuer will pay interest semiannually on January 15 and July 15 of each year (each, an “Interest Payment Date”), commencing January 15, 2020. Interest on this 2029 Note will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the Issue Date. Interest on this 2029 Note will be computed on the basis of a 360-day year of twelve 30-day months.

The Issuer shall pay interest on overdue principal from time to time on demand at the rate borne by this 2029 Note plus 2% and on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful.

2. Method of Payment.

The Issuer shall pay interest on the 2029 Notes (except defaulted interest) to the Persons who are the registered Holders at the close of business on the Record Date immediately preceding the Interest Payment Date even if the 2029 Notes are canceled on registration of transfer or registration of exchange after such Record Date. Holders must surrender 2029 Notes to a Paying Agent to collect principal payments. The Issuer shall pay principal, premium, if any and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts (“U.S. Legal Tender”). However, the Issuer may pay principal, premium, if any, and interest by wire transfer of federal funds, or interest by check payable in such U.S. Legal Tender. The Issuer may deliver any such interest payment to the Paying Agent or to a Holder at the Holder’s registered address.

3. Paying Agent and Registrar.

Initially, U.S. Bank National Association (the “Trustee”) will act as Paying Agent and Registrar. The Issuer may change any Paying Agent, Registrar or co-Registrar without notice to the Holders. The Company or any of its Subsidiaries may, subject to certain exceptions, act as Registrar or co-Registrar.

4. Indenture.

The Issuer issued the 2029 Notes under an Indenture, dated as of July 2, 2019 (the “Indenture”), among the Issuer, the Guarantors and the Trustee. This 2029 Note is one of a duly authorized issue of 2029 Notes of the Issuer. Capitalized terms herein are used as defined in the Indenture unless otherwise defined herein. The terms of the 2029 Notes include those stated in the Indenture. Notwithstanding anything to the contrary herein, the 2029 Notes are subject to all such terms, and Holders of 2029 Notes

are referred to the Indenture for a statement of them. The 2029 Notes are general obligations of the Issuer unlimited in amount.

5. Redemption.

Optional Redemption.

The Issuer may, on one or more occasions, redeem all or any portion of the 2029 Notes, on and after July 15, 2024, upon not less than 30 nor more than 60 days' notice, at the following Redemption Prices (expressed as percentages of the principal amount) if redeemed during the twelve-month period commencing on July 15 of the years set forth below, plus, in each case, accrued and unpaid interest on the principal amount, if any, to the date of redemption:

<u>Year</u>	<u>Percentage</u>
2024	102.563%
2025	101.281%
2026 and thereafter	100.000%

At any time prior to July 15, 2024, the Issuer may, on one or more occasions, redeem all or any portion of the 2029 notes, upon not less than 30 nor more than 60 days' notice, at a Redemption Price equal to 100% of the principal amount of the 2029 Notes redeemed, plus the 2029 Applicable Premium as of the date of redemption, plus accrued and unpaid interest on the principal amount, if any, to the redemption date.

At any time, or from time to time, prior to July 15, 2022, the Issuer may, at its option, use the Net Cash Proceeds of one or more Equity Offerings to redeem up to 35% in aggregate principal amount of all 2029 Notes (whether at the Issue Date or thereafter pursuant to an issuance of Additional 2029 Notes) at a Redemption Price equal to 105.125% of the principal amount thereof plus accrued and unpaid interest on the principal amount, if any, to the date of redemption; *provided, however*, that after any such redemption the aggregate principal amount of the 2029 Notes outstanding (whether issued on the Issue Date or thereafter pursuant to an issuance of Additional 2029 Notes) must equal at least 65% of the original aggregate principal amount of all 2029 Notes (including Additional 2029 Notes, if any). In order to effect the foregoing redemption with the net cash proceeds of any Equity Offering, the Issuer shall make such redemption not more than 90 days after the consummation of such Equity Offering.

Any redemption of the 2029 Notes may, at the Issuer's discretion, be performed by another Person and be subject to one or more conditions precedent. In addition, if any redemption is subject to satisfaction of one or more conditions precedent, the related notice of redemption shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and such notice may be modified or rescinded by the Issuer in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed (which may exceed 60 days from the date of the redemption notice in such case). Such notice of redemption may be so delayed if such conditions precedent have not been met by providing notice to the Holders of the 2029 Notes, and any such notice of delay may be given one or more times, *provided* that the aggregate number of days of such delay or delays may not exceed 60 days beyond the original redemption date; and any such notice of redemption (as extended by any such notice or notices of delay, if applicable) may be rescinded by the Issuer by providing notice to the Holders of such Securities.

6. Notice of Redemption.

Notice of redemption shall be mailed by first-class mail at least 30 days but not more than 60 days before the Redemption Date to each Holder of 2029 Notes to be redeemed at such Holder's registered address. The Trustee may select for redemption portions (equal to \$2,000 or integral multiples of \$1,000 thereof) of the principal of 2029 Notes that have denominations larger than \$2,000.

If any 2029 Note is to be redeemed in part only, the notice of redemption that relates to such 2029 Note shall state the portion of the principal amount thereof to be redeemed. A new 2029 Note in a principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original 2029 Note. On and after the Redemption Date, interest will cease to accrue on 2029 Notes or portions thereof called for redemption, subject to the provisions of the Indenture.

7. Change of Control Offer.

Upon the occurrence of a Change of Control, the Issuer will be required, as and to the extent set forth in the Indenture, to offer to purchase all of the outstanding 2029 Notes at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, thereon to the date of repurchase (subject to the right of Securityholders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that notwithstanding the occurrence of a Change of Control, the Issuer shall not be obligated to repurchase the 2029 Notes pursuant to this paragraph 7 in the event that the Issuer have exercised their right to redeem all of the 2029 Notes under the terms of paragraph 5 hereof).

In the event that Holders of not less than 90% of the aggregate principal amount of the outstanding 2027 Notes accept a Change of Control Offer and the Issuer purchases all of the 2027 Notes held by such Holders, the Issuer shall have the right, upon not less than 30 nor more than 60 days' prior notice, to redeem all of the Securities of such series that remain outstanding following such purchase at a Redemption Price equal to 101% of the principal amount of such 2027 Notes, plus accrued interest to the date of purchase.

8. Limitation on Asset Sales.

The Issuer is, subject to certain conditions, obligated to make an offer to purchase 2029 Notes at 100% of their principal amount, plus accrued and unpaid interest, if any, thereon to the date of repurchase with certain Net Cash Proceeds of certain sales or other dispositions of assets in accordance with the Indenture.

9. [Reserved].

10. Denominations; Transfer; Exchange.

The 2029 Notes are in registered form, without coupons, in denominations of \$2,000 and integral multiples of \$1,000. A Holder shall register the transfer of or exchange 2029 Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Registrar need not register the transfer of or exchange any 2029 Notes or portions thereof selected for redemption, except the unredeemed portion of any 2029 Note being redeemed in part.

11. Persons Deemed Owners.

The registered Holder of a 2029 Note shall be treated as the owner of it for all purposes.

12. Unclaimed Funds.

If funds for the payment of principal, premium, if any, or interest remain unclaimed for two years, the Trustee and the Paying Agent will repay the funds to the Issuer at their request. After that, all liability of the Trustee and such Paying Agent with respect to such funds shall cease.

13. Discharge Prior to Redemption or Maturity.

The Issuer and any Guarantor may be discharged from their obligations under the Indenture or the 2029 Notes and any Guarantee except for certain provisions thereof, and may be discharged from obligations to comply with certain covenants contained in the Indenture and the 2029 Notes and any Guarantee, in each case upon satisfaction of certain conditions specified in the Indenture.

14. Amendment; Supplement; Waiver.

Subject to certain exceptions, the Indenture and the 2029 Notes and any Guarantee may be amended or supplemented with the written consent of the Holders of at least a majority in aggregate principal amount of the 2029 Notes then outstanding, and any existing Default or Event of Default or compliance with any provision may be waived with the consent of the Holders of a majority in aggregate principal amount of the 2029 Notes then outstanding. From time to time, the Issuer, the Guarantors and the Trustee, without the consent of the Holders, may amend the Indenture to cure ambiguities, defects or inconsistencies, and to add Guarantees in accordance with the terms and conditions of the Indenture or similar provisions, so long as such change does not, in the good faith determination of the Issuer's Board of Directors, adversely affect the rights of any of the Holders of the 2029 Notes in any material respect. In addition, without the consent of the Holders of the 2029 Notes, the Issuer, the Guarantors and the Trustee may amend the Indenture to conform the Indenture to the "Description of the Notes" contained in the Offering Circular.

15. Restrictive Covenants.

The Indenture contains certain covenants that, among other things, limit the ability of the Company and its Restricted Subsidiaries to make restricted payments, to incur indebtedness, to create liens, to sell assets, to permit restrictions on dividends and other payments by Restricted Subsidiaries of the Company to the Company, to consolidate, merge or sell all or substantially all of its assets or to engage in transactions with affiliates. The limitations are subject to a number of important qualifications and exceptions. The Company must annually report to the Trustee on compliance with such limitations.

16. Defaults and Remedies.

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of 2029 Notes then outstanding may declare all the 2029 Notes to be due and payable immediately in the manner and with the effect provided in the Indenture. Holders of 2029 Notes may not enforce the Indenture, the 2029 Notes or any Guarantee except as provided in the Indenture. The

Trustee is not obligated to enforce the Indenture, the 2029 Notes or the Guarantees, unless it has received indemnity satisfactory to it. The Indenture permits, subject to certain limitations therein provided, Holders of a majority in aggregate principal amount of the 2029 Notes then outstanding to direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of 2029 Notes notice of certain continuing Defaults or Events of Default if it determines that withholding notice is in their interest.

17. Trustee Dealings with Issuer.

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of 2029 Notes and may otherwise deal with the Issuer, their Subsidiaries or their respective Affiliates as if it were not the Trustee.

18. No Recourse Against Others.

No Affiliate, director, officer, employee, limited liability company member or stockholder of the Issuer or any Subsidiary, as such, shall have any liability for any obligations of the Issuer or any Guarantor under the 2029 Notes or this Indenture or any Guarantee or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of 2029 Notes by accepting a 2029 Note waives and releases all such liability. The waiver and release were part of the consideration for issuance of the 2029 Notes.

19. Authentication.

This 2029 Note shall not be valid until the Trustee or authenticating agent signs the certificate of authentication on this 2029 Note.

20. Abbreviations and Defined Terms.

21. Governing Law.

This 2029 Note shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to applicable principles of conflicts of laws to the extent that the application of the laws of another jurisdiction would be required thereby.

22. CUSIP and ISIN Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer have caused CUSIP and ISIN numbers to be printed on the 2029 Notes as a convenience to the Holders of the 2029 Notes. No representation is made as to the accuracy of such numbers as printed on the 2029 Notes and reliance may be placed only on the other identification numbers printed hereon.

23. Indenture.

Each Holder, by accepting a 2029 Note, agrees to be bound by all of the terms and provisions of the Indenture, as the same may be amended from time to time.

The Issuer will furnish to any Holder of a 2029 Note upon written request and without charge a copy of the Indenture which has the text of this 2029 Note in larger type. Requests may be made to: Clean Harbors, Inc., 42 Longwater Drive, Norwell, MA, 02061, Attn: Chief Financial Officer.

We agree, on our own behalf and on behalf of any accounts for which we are acting as hereinafter stated, that if we should sell or otherwise transfer any 2027 Notes prior to the date which is two years after the original issuance of the 2027 Notes, and if such transfer is in respect of any aggregate principal amount of 2027 Notes of less than \$250,000, also furnishes an opinion of counsel acceptable to the Issuer that such transfer complies with the Securities Act, we will do so only (i) to the Issuer or any of their subsidiaries, (ii) inside the United States in accordance with Rule 144A under the Securities Act to a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act), (iii) inside the United States to an institutional "accredited investor" (as defined below) that, prior to such transfer, furnishes (or has furnished on its behalf by a U.S. broker-dealer) to the Trustee (as defined in the Indenture relating to the 2027 Notes), a signed letter containing certain representations and agreements relating to the restrictions on transfer of the 2027 Notes, (iv) outside the United States in accordance with Rule 904 of

4. We understand that, on any proposed resale of any 2027 Notes, we will be required to furnish to the Trustee and the Issuer such certification, legal opinions and other information as the Trustee and the Issuer may reasonably require to confirm that the proposed sale complies with the foregoing restrictions. - (f) the Borrowers shall have paid in full all fees and expenses of the Agent (including the fees, charges and disbursement of counsel to the Agent) incurred in connection with the preparation, execution, delivery and administration of this Third Amendment and the other instruments and documents to be delivered hereunder (with such fees and expenses described in this paragraph being fully earned as of the date hereof, and no portion thereof shall be refunded or returned to the Loan Parties under any circumstances).

5. Effect on Loan Documents. The Credit Agreement and the other Loan Documents, after giving effect to the Third Amendment and any other Loan Documents to be executed simultaneously herewith, shall be and remain in full force and effect in accordance with their terms and hereby are ratified and confirmed in all respects. The execution, delivery, and performance of this Third Amendment shall not operate as a waiver of any right, power, or remedy of the Agent or any other Secured Party under the Credit Agreement or any other Loan Document, as in effect prior to the date hereof. Each Loan Party hereby ratifies and confirms in all respects all of its obligations (including with respect to Guarantees) and liabilities under the Loan Documents to which it is a party and each Loan Party hereby ratifies and confirms in all respects any prior grant of a security interest under the Loan Documents to which it is party, which security interests shall continue to secure the applicable Obligations (after giving effect to this Third Amendment), in each case, on and subject to the terms and conditions set forth in the Credit Agreement and the other Loan Documents.

6. Further Assurances. Each Loan Party shall execute and deliver all agreements, documents and instruments, each in form and substance satisfactory to the Agent, and take all actions as the Agent may reasonably request from time to time, to perfect and maintain the perfection and priority of the security interest in the Collateral held by the Agent and to fully consummate the

transactions contemplated under this Third Amendment, the Credit Agreement, and the other Loan Documents, as modified hereby or simultaneously herewith, as applicable.

7. Release. Each Loan Party hereby remises, releases, acquits, satisfies and forever discharges Agent and the other Secured Parties, their agents, employees, officers, directors, predecessors, attorneys and all others acting on behalf of or at the direction of Agent or the other Secured Parties, of and from any and all manner of actions, causes of action, suit, debts, accounts, covenants, contracts, controversies, agreements, variances, damages, judgments, claims and demands whatsoever, in law or in equity, which any of such parties ever had, or now has, to the extent arising from or in connection with any act, omission or state of facts taken or existing on or prior to the Effective Date, against Agent and the other Secured Parties, their agents, employees, officers, directors, attorneys and all persons acting on behalf of or at the direction of Agent or the other Secured Parties (“Releasees”), for, upon or by reason of any matter, cause or thing whatsoever arising under, or in connection with, or otherwise related to, the Loan Documents through the Effective Date. Without limiting the generality of the foregoing, each Loan Party waives and affirmatively agrees not to allege or otherwise pursue any defenses, affirmative defenses, counterclaims, claims, causes of action, setoffs or other rights they have or may have under, or in connection with, or otherwise related to, the Loan Documents as of the Effective Date, including, but not limited to, the rights to contest any conduct of Agent, the other Secured Parties or other Releasees on or prior to the Effective Date.

8. No Novation; Entire Agreement. This Third Amendment evidences solely the amendment of certain specified terms and obligations of the Loan Parties under the Credit Agreement and is not a novation or discharge of any of the other obligations of the Loan Parties under the Credit Agreement. There are no other understandings, express or implied, among the Loan Parties, the Agent and the other Secured Parties regarding the subject matter hereof or thereof.

Delivery of an executed counterpart of a signature page to this Third Amendment by facsimile (or other electronic transmission) shall be as effective as delivery of a manually executed counterpart of this Third Amendment.

11. Construction. This Third Amendment is a Loan Document. This Third Amendment and the Credit Agreement shall be construed collectively and in the event that any term, provision or condition of any of such documents is inconsistent with or contradictory to any term, provision or condition of any other such document, the terms, provisions and conditions of this Third Amendment shall supersede and control the terms, provisions and conditions of the Credit Agreement.

12. Miscellaneous. The terms and provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their successors and assigns.
