Item 8.01 Other Events

On July 2, 2019, Clean Harbors, Inc. (“Clean Harbors”) issued a press release announcing, that, pursuant to its previously announced tender offer and consent solicitation (collectively, the “Tender Offer”) to purchase any and all of its outstanding \$845.0 million aggregate principal amount of 5.125% senior unsecured notes due 2021 (the “2021 Notes”), Clean Harbors has received tenders and consents from the holders of an aggregate principal amount of \$701.0 million, or 83% of the total outstanding, on or prior to the expiration of the early tender deadline at 5:00 p.m., New York City time, on July 1, 2019 (the “Early Tender Date”). The terms of the Tender Offer are detailed in Clean Harbors’ Offer to Purchase and Consent Solicitation dated June 18, 2019 (the “Offer to Purchase”). The consents received exceeded the amount needed to approve the proposed amendments described in the Offer to Purchase to the indenture under which the 2021 Notes were issued (the “Indenture”).

Under the terms of the Tender Offer, holders of 2021 Notes which validly tendered (and did not validly withdraw) their 2021 Notes on or prior to the Early Tender Date will receive \$1,002.99 per \$1,000.00 in principal amount of the 2021 Notes validly tendered (the “Total Consideration”), plus accrued but unpaid interest up to, but not including, the payment date. The Total Consideration includes an early tender payment of \$50.00 per \$1,000.00 in principal amount of the 2021 Notes validly tendered (the “Early Tender Payment”). Clean Harbors intends to make payment on July 2, 2019 for the 2021 Notes which were validly tendered (and not validly withdrawn) on or prior to the Early Tender Date.

Holders which tender after the Early Tender Date but prior to the expiration of the Tender Offer at midnight, New York City time, on July 16, 2019 (the “Expiration Date”), unless the Tender Offer is extended or earlier terminated, will receive \$952.99 per \$1,000.00 in principal amount of the 2021 Notes validly tendered, plus accrued but unpaid interest up to, but not including, the payment date. Such payment will represent the Total Consideration less the Early Tender Payment. Clean Harbors intends to redeem on July 17, 2019, any 2021 Notes that remain outstanding after the consummation of the Tender Offer at a redemption price of \$1,000.00 per \$1,000.00 principal amount of 2021 Notes, plus accrued but unpaid interest up to, but not including, the payment date, in accordance with the terms of the Indenture, as amended pursuant to the amendments which were approved through the consents received on or prior to the Early Tender Date.

Based on the consents received by the Early Tender Date, Clean Harbors and the trustee under the Indenture are expected to enter into a supplemental indenture that will, once operative, eliminate substantially all of the restrictive covenants and certain events of default and reduce the required notice period contained in the optional redemption provisions of the Indenture. The supplemental indenture is expected to become operative upon payment for the 2021 Notes tendered by the Early Tender Date as described above.

For additional information concerning the foregoing, a copy of the press release dated July 2, 2019 is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Neither this Current Report on Form 8-K nor the press release attached as an exhibit hereto is an offer to purchase or the solicitation of consents with respect to the 2021 Notes. The Tender Offer is only being made pursuant to the Offer to Purchase and the related Letter of Transmittal and Consent.

NORWELL, Mass. - (BUSINESS WIRE) - July 2, 2019 - Clean Harbors, Inc. (“Clean Harbors”) (NYSE: CLH) announced today that, pursuant to its previously announced tender offer and consent solicitation (collectively, the “Tender Offer”) to purchase any and all of its outstanding \$845.0 million aggregate principal amount of 5.125% senior unsecured notes due 2021 (the “2021 Notes”), Clean Harbors has received tenders and consents from the holders of an aggregate principal amount of \$701.0 million, or 83% of the total outstanding, on or prior to the expiration of the early tender deadline at 5:00 p.m., New York City time, on July 1, 2019 (the “Early Tender Date”). The terms of the Tender Offer are detailed in Clean Harbors’ Offer to Purchase and Consent Solicitation dated June 18, 2019 (the “Offer to Purchase”). The consents received exceeded the amount needed to approve the proposed amendments described in the Offer to Purchase to the indenture under which the 2021 Notes were issued (the “Indenture”).

Under the terms of the Tender Offer, holders of 2021 Notes which validly tendered (and did not validly withdraw) their 2021 Notes on or prior to the Early Tender Date will receive \$1,002.99 per \$1,000.00 in principal amount of the 2021 Notes validly tendered (the “Total Consideration”), plus accrued but unpaid interest up to, but not including, the payment date. The Total Consideration includes an early tender payment of \$50.00 per \$1,000.00 in principal amount of the 2021 Notes validly tendered (the “Early Tender Payment”). Clean Harbors intends to make payment on July 2, 2019 for the 2021 Notes which were validly tendered (and not validly withdrawn) on or prior to the Early Tender Date.

Holders which tender after the Early Tender Date but prior to the expiration of the Tender Offer at midnight, New York City time, on July 16, 2019 (the “Expiration Date”), unless the Tender Offer is extended or earlier terminated, will receive \$952.99 per \$1,000.00 in principal amount of the 2021 Notes validly tendered, plus accrued but unpaid interest up to, but not including, the payment date. Such payment will represent the Total Consideration less the Early Tender Payment. Clean Harbors intends to redeem on July 17, 2019, any 2021 Notes that remain outstanding after the consummation of the Tender Offer at a redemption price of \$1,000.00 per \$1,000.00 principal amount of 2021 Notes, plus accrued but unpaid interest up to, but not including, the payment date, in accordance with the terms of the Indenture, as amended pursuant to the amendments which were approved through the consents received on or prior to the Early Tender Date.

Based on the consents received by the Early Tender Date, Clean Harbors and the trustee under the Indenture are expected to enter into a supplemental indenture that will, once operative, eliminate substantially all of the restrictive covenants and certain events of default and reduce the required notice period contained in the optional redemption provisions of the Indenture. The supplemental indenture is expected to become operative upon payment for the 2021 Notes tendered by the Early Tender Date as described above.
