Press Release

Clean Harbors Announces \$500 Million Expansion of Share Repurchase Program

NORWELL, Mass. – Dec. 7, 2023 – [Clean Harbors, Inc.](#) (“Clean Harbors”) (NYSE: CLH), the leading provider of environmental and industrial services throughout North America, today announced that its Board of Directors has authorized a \$500 million expansion of the Company’s existing share repurchase program. As of December 1, 2023, approximately \$54 million of availability remained in the existing program. Clean Harbors intends to fund the share repurchases through its available cash resources.

“Our share repurchase program has been and will continue to be a core element in our capital allocation strategy,” said Eric J. Dugas, Chief Financial Officer. “To date, we have bought back approximately 8.5 million shares at an average price of approximately \$64 a share under our original \$600 million stock repurchase plan. We deploy capital with a focus on value creation, whether it is acquisitions, internal investments, share repurchases or debt reduction. We continue to maintain a healthy balance sheet, which is supported by strong cash generation. This affords us significant financial flexibility to execute our Vision 2027 growth strategy and deliver strong returns to our shareholders.”

The repurchase program authorizes Clean Harbors to purchase its common stock on the open market or in privately negotiated transactions periodically. The share repurchases will be made in a manner that complies with applicable U.S. securities laws. The number of shares purchased and the timing of the purchases will depend on a number of factors, including share price, cash required for future business plans, trading volume and other conditions. Clean Harbors has no obligation to repurchase stock under this program and may suspend or terminate the repurchase program at any time.

About Clean Harbors
