(ii) the Company shall deliver to each Buyer stock certificates (in the denominations as such Buyer shall request) (the "Preferred Stock Certificates"), representing such number of the Preferred Shares which such Buyer is then purchasing hereunder, in each case, duly executed on behalf

of the Company and registered in the name of such Buyer or its nominee(s).

2. BUYER'S REPRESENTATIONS AND WARRANTIES.

Each Buyer represents and warrants with respect to only itself that:

- 2 -

a. Organization and Qualification. Such Buyer is an entity duly authorized and validly existing under the laws of its jurisdiction of organization and has the requisite power to carry on its business as it is now being conducted and currently proposed to be conducted.

b. Authorization; Enforcement; Validity. This Agreement and the Investors Rights Agreement have been duly and validly authorized, executed and delivered on behalf of such Buyer and are legal, valid and binding obligations of such Buyer, enforceable against such Buyer in accordance with their terms, subject as to enforceability to general principles of equity and to applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

c. Investment Purpose. Such Buyer is acquiring the Securities for its own (or an Affiliate's) account and not with a view towards, or for resale in connection with, the public sale or distribution thereof, except pursuant to sales registered or exempted under the 1933 Act; provided, however, that by making the representations herein, such Buyer does not agree to hold any of the Securities for any minimum or other specific term and reserves the right to dispose of the Securities at any time.

d. Accredited Investor Status. Such Buyer is an "accredited investor" as that term is defined in Rule 501(a)(3) of Regulation D ("Regulation D") as promulgated by the United States Securities and Exchange Commission (the "SEC") under the 1933 Act.

e. Reliance on Exemptions. Such Buyer understands that the Securities are being offered and sold to it in reliance on specific exemptions from the registration requirements of the United States federal and state securities laws and that the Company is relying upon the truth and accuracy of, and such Buyer's compliance with, the representations, warranties, agreements, acknowledgments and understandings of such Buyer set forth herein in order to determine the availability of such exemptions and the eligibility of such Buyer to acquire the Securities.

f. Transfer or Resale. Such Buyer understands that except as provided in the Investors Rights Agreement, the Securities have not been and are not being registered under the 1933 Act or any state securities laws, and may not be offered for sale, sold, assigned or transferred unless (i) subsequently registered thereunder, (ii) such Securities to be sold, assigned or transferred may be sold, assigned or transferred pursuant to an exemption from such registration, or (iii) such Buyer provides the Company with reasonable assurance, upon request by the Company, that such Securities can be sold, assigned or transferred pursuant to Rule 144 promulgated under the 1933 Act (or a successor rule thereto) ("Rule 144").

g. Legends. Such Buyer understands that, until such time as the sale of the Securities have been registered under the 1933 Act as contemplated by the Investors Rights Agreement, the stock certificates representing the Securities, except as set forth below, shall bear a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of such stock certificates):

- 3 -

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) EXCEPT PURSUANT TO (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS OR (B) PURSUANT TO RULE 144 UNDER SAID ACT OR (C) ANY OTHER EXEMPTION FROM REGISTRATION UNDER THE 1933 ACT RELATING TO THE DISPOSITION OF SECURITIES.

The legend set forth above shall be removed and the Company shall issue a certificate without such legend to the holder of the Securities upon which it is stamped, if, (i) such Securities are registered for resale under the 1933 Act, (ii) in connection with a sale transaction, such holder provides the Company with an opinion of counsel, in a form reasonably acceptable to the Company, to the effect that a public sale, assignment or transfer of the Securities may be made without registration under the 1933 Act, or (iii) such holder provides the Company with reasonable assurances that the Securities can be sold pursuant to Rule 144 without any restriction as to the number of securities acquired as of a particular date that can then be immediately sold.

### 3. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants to each of the Buyers (it being understood and agreed that, unless the context otherwise requires, such representations and warranties are made assuming the completion of the CSD Acquisition in accordance with the CSD Acquisition Documents and after giving full effect thereto), that:

a. Organization and Qualification. The Company and its "Subsidiaries" (which for purposes of this Agreement means any entity in which the Company, directly or indirectly, owns 50% or more of the capital stock or other equity, economic or similar interests or owns capital stock or holds an equity, economic or similar interest which ownership entitles the Company to elect 50% or more of the board of directors or similar governing body of such entity, and assuming the CSD Acquisition has been completed) are entities duly organized and validly existing in good standing under the laws of the jurisdiction in which they are incorporated, and have the requisite corporate or other power and authorization to own their properties and to carry on their business as now being conducted and currently proposed to be conducted. Each of the Company and its Subsidiaries is duly qualified as a foreign corporation to do business and is in good standing in every jurisdiction in which its ownership of property or the nature of the business conducted by it makes such qualification necessary, except to the extent that the failure to be so qualified or be in good standing would not have a Material Adverse Effect. As used in this Agreement, "Material Adverse Effect" means any material adverse effect on the business, properties, assets, operations, results of operations, prospects or financial condition of the Company and its Subsidiaries, taken as a

whole, on the business, assets (tangible and intangible), accounts receivable, rights, contracts, agreements, instruments, equipment, inventory, intellectual property, claims, property (real or otherwise), licenses, Permits, authorizations, approvals, bank accounts, lockbox arrangements, banks and records and goodwill and liabilities of the Chemical Services Division of Safety-Kleen Services, Inc. acquired or assumed (by agreement, operation of law or otherwise) by the Company pursuant to the CSD Acquisition Documents (the "CSD Business"), or on the transactions contemplated hereby or by the agreements and instruments to be entered into in connection herewith, or on the authority or ability of the Company to perform its obligations under the Transaction Documents (as defined below) or the Certificate. A true, complete and correct

list of the Company's Subsidiaries is set forth on Schedule 3(a).

b. Authorization; Enforcement; Validity. The Company has the requisite corporate power and authority to enter into and perform its obligations under this Agreement, the Investors Rights Agreement, the Voting Agreement, the Irrevocable Transfer Agent Instructions (as defined in Section 5) and each of the other agreements entered into by the parties hereto in connection with the transactions contemplated by this Agreement, including the Financing Agreement, the Congress Loan Documents and the CSD Acquisition Documents (the "Transaction Documents"), and to issue the Preferred Shares and the Conversion Shares issuable upon conversion of the Preferred Shares in accordance with the terms of the Certificate (the Preferred Shares and the Conversion Shares collectively referred to as the "Securities") in accordance with the terms hereof and thereof. The execution and delivery of the Transaction Documents by the Company and the execution and filing of the Certificate by the Company and the consummation by it of the transactions contemplated hereby and thereby, including, without limitation, the issuance and reservation for issuance of the Preferred Shares and the Conversion Shares issuable upon conversion thereof have been duly authorized by the Company's Board of Directors and no further consent or authorization is required by the Company, its Board of Directors or its stockholders (except to the extent that stockholder approval may be required pursuant to the rules of the NASD for the issuance of a number of Conversion Shares greater in the aggregate than 19.99% of the number of shares of Common Stock outstanding immediately prior to the Closing Date (the "19.99% Rule")). The Transaction Documents have been duly executed and delivered by the Company. The Transaction Documents constitute the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally, the enforcement of creditors' rights and remedies. The Certificate will be filed on or prior to the Closing Date with the Secretary of State of the Commonwealth of Massachusetts and will be in full force and effect on or prior to the Closing Date, enforceable against the Company in accordance with its terms and shall not have been amended unless in compliance with its terms.

c. Capitalization. The authorized capital stock of the Company consists of (i) 20,000,000 shares of Common Stock, of which as of August 31, 2002 12,164,312 shares are issued and outstanding, no shares are held in treasury, 2,087,625 shares are reserved for issuance pursuant to the Company's stock option and purchase plans, and no shares are issuable or reserved for issuance pursuant to securities (other than the Preferred Shares and shares reserved for issuance pursuant to the Company's stock option and purchase plans and 340,480 shares of Common Stock reserved for issuance pursuant to the

- 5 -

conversion of the Series B Convertible Preferred Stock, par value \$0.01 per share, of the Company (the "Series B Preferred Stock")) and 1,237,808 shares of Common Stock reserved for issuance pursuant to the exercise of outstanding warrants to purchase Common Stock) exercisable or exchangeable for, or convertible into, shares of Common Stock and (ii) 2,000,000 shares of preferred stock, 894,585 shares of which are designated Series A Preferred Stock of the Company, none of which are issued and outstanding and 156,416 shares of which of which are designated as Series B Convertible Preferred Stock, 112,000 of which are issued and outstanding. All of such outstanding shares have been, or upon issuance will be, validly issued and are fully paid and nonassessable. Except as disclosed in Schedule 3(c), (A) no Capital Stock of the Company or any of its Subsidiaries are subject to preemptive rights or any other similar rights (arising under Massachusetts law, the Company's Articles of Organization (defined below) or By-laws (defined below) or any agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound) or any pledges, claims, liens, mortgages, charges, encumbrances and security interests of any kind or nature whatsoever (collectively, "Liens" ) granted or created by the Company; (B) there are no

f. SEC Documents; Financial Statements.

(i) Except as set forth on Schedule 3(f), since January 1, 2001, the Company has filed all reports, schedules, forms, statements and other documents required to be filed by it with the SEC pursuant to the reporting requirements of the Securities Exchange Act of 1934, as amended (the "1934 Act") (all of the foregoing filed prior to the date hereof and all exhibits included therein and financial statements and schedules thereto and documents incorporated by reference therein being hereinafter referred to as the "SEC Documents"). As of the date of filing of such SEC Documents, such SEC Documents, as it may have been subsequently amended by filings made by the Company with the SEC prior to the date hereof, complied in all material respects with the requirements of the 1934 Act and the rules and regulations of the SEC promulgated thereunder applicable to the SEC Documents. None of the SEC Documents, as of the date filed and as they may have been subsequently amended by filings made by the Company with the SEC prior to the date hereof, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. As of their respective dates, the financial statements of the Company included in the SEC Documents complied as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto. Such financial statements have been prepared in accordance with generally accepted accounting principles, consistently applied, during the periods involved (except (i) as may be otherwise indicated in such financial statements or the notes thereto, or (ii) in the case of unaudited interim statements, to the extent they may exclude footnotes or may be condensed or summary statements) and fairly present in all material respects the consolidated financial position of the Company and its Subsidiaries as of the dates thereof and the results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments). None of the Company nor any of its Subsidiaries have any material liabilities or obligations of any nature (whether known or unknown, and whether absolute, accrued, contingent, matured, liquidated, unasserted or otherwise) of a kind required by generally accepted

accounting principles ("GAAP") to be set forth on a financial statement that is not fully and adequately reflected or reserved against in the financial statements contained in the Company's most recent Annual Report on Form 10-K and Quarterly Report on Form 10-Q filed with the SEC, other than liabilities expressly assumed in connection with the CSD Acquisition and liabilities and obligations incurred since June 30, 2002 in the ordinary course of business consistent with past practice that are not material in amount.

(ii) The Company has delivered to each Buyer (or its representatives) true, complete and correct copies of the audited balance sheets of the CSD Business as of the fiscal years of the CSD Business ended August 31, 1999, 2000 and 2001, together with a report thereon from Arthur Andersen LLP (collectively, the "CSD Balance Sheets"). The Company has also delivered to each Buyer (or its representatives) true, complete and correct copies of the unaudited consolidated balance sheet of the Company and its Subsidiaries as of June 30, 2002 and the related consolidated statements of operations, cash flows and stockholders' equity for the six month period then ended (the "Company Financial Statements"). To the best of the Company's knowledge, after due inquiry

Such projections are believed by the Company to be reasonable, have been prepared on a reasonable basis and in good faith by the Company in light of (w) the historical financial performance of the Company, (x) to the best knowledge of management of the Company, after reasonable inquiry, the projected financial performance of CSD, (y) current and reasonably foreseeable business conditions and (z) believed by the Company to be reasonable at the time made and upon the best information then reasonably available to the Company. The Company is not aware of any facts or information that would lead it to believe that such projections are incorrect or misleading in any material respect.

g. Full Disclosure. No other information provided by or on behalf of the Company to the Buyers which is not included in the SEC Documents, including, without limitation, information referred to in Section 2(f), contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they are or were made, not misleading. The Company is not required to file and will not be required to file any agreement, note, lease, mortgage, deed or other instrument entered into prior to the date hereof and to which the Company or any Subsidiary is a party or by which the Company or any Subsidiary is bound which has not been previously filed as an exhibit to its reports filed with the SEC under the 1934 Act.

Schedule 3(x) lists the top fifty customers that are common to the Company and its Subsidiaries (before giving effect to the CSD Acquisition) showing the total revenues received during the most recently completed fiscal year by the Company and its Subsidiaries (before giving effect to the CSD Acquisition), on the one hand, and CSD, on the other hand. other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and for which the Company has made appropriate reserves for on its books, and (iii) has set aside on its books provisions reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations (referred to in clause (i) above) apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the Company knows of no basis for any such claim.

Legal Requirements required in order to consummate the CSD Acquisition shall have been obtained, given, filed or taken and shall be in full force and effect, (viii) all actions taken by the Company and its Subsidiaries pursuant to or in furtherance of the CSD Acquisition have been taken in compliance in all material respects with respective Acquisition Documents, the Bankruptcy Code and the Sale Order, (ix) the Company and its Subsidiaries did not incur or assume any liabilities or obligations pursuant to or in connection with the CSD Acquisition other than those liabilities and obligations set forth on Schedule 3(cc)(ii), and (x) each Acquisition Document is the legal, valid and binding obligation of the parties thereto, enforceable against such parties in accordance with its terms.

dd. Investment Company Status. The Company is not, and upon consummation of the sale of the Securities and after giving effect to the CSD Acquisition, will not be, an "investment company," a company controlled by an "investment company" or an "affiliated person" of, or "promoter" or "principal underwriter" for, an "investment company" as such terms are defined in the Investment Company Act of 1940, as amended.

ee. Foreign Corrupt Practices. Neither the Company nor any of its Subsidiaries, nor any director, officer, agent, employee or other person acting on behalf of the Company or any Subsidiary has, in the course of his actions for, or on behalf of, the Company or any Subsidiary used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses

ff. Solvency. The Company individually and together with its Subsidiaries on a consolidated basis (both before and after giving effect to the CSD Acquisition, the transactions contemplated by this Agreement, the Financing Agreement and the Congress Loan Documents) is solvent (i.e., its assets have a fair market value in excess of the amount required to pay its probable liabilities on its existing debts as they become absolute and matured) and currently the Company has no information that would lead it to reasonably conclude that the Company would not have, nor does it intend to take any action that would impair, its ability to pay its debts from time to time incurred in connection therewith as such debts mature.

gg. Broker's or Finder's Commissions. Except as set forth on Schedule 3(gg), no broker's or finder's fee or commission will be payable by or on behalf of the Company or any of its Subsidiaries with respect to the issuance and sale of the Securities.

#### c. Financial Information.

(i) So long as any of the Securities remain outstanding, the Company will provide the following information to each Buyer:

(A) as soon as practicable and in any event within 45 days after the end of each quarterly period (other than the last quarterly period) in each fiscal year, consolidated statements of operations, stockholders' equity and cash flows of the Company and its Subsidiaries for the period from the beginning of the current fiscal year to the end of such quarterly period, and a consolidated balance sheet of the Company and its Subsidiaries as at the end of such quarterly period, setting forth in each case in comparative form figures for the corresponding period in the preceding fiscal year, and certified by the Chief Financial Officer of the Company, subject to changes resulting from year-end adjustments;

(B) as soon as practicable and in any event within 90 days after the end of each fiscal year, consolidated statements of operations, stockholders' equity and cash flows of the Company and its Subsidiaries for such year, and the consolidated balance sheet of the Company and its Subsidiaries as at the end of such year, setting forth in each case in comparative form corresponding consolidated figures from the preceding annual audit and certified to the Company by independent public accountants of recognized national standing selected by the Company;

(D) promptly after the mailing thereof to the holders of Common Stock of the Company, copies of all financial statements, reports and

proxy statements so mailed;

(E) promptly after their becoming available, copies of all reports and compliance certificates filed in connection with the Financing Agreements and the Congress Facility; and

(F) true, complete and correct copies of all documents, reports, financial data and other information that each Buyer may reasonably request.

(ii) The Company shall permit the authorized representatives designated by each Buyer to visit and inspect any of the properties of the Company or any of its Subsidiaries, including their books of account, and to discuss their affairs, finances and accounts with their officers, all at such times as each Buyer may reasonably request.

(iii) Each Buyer shall have the right to consult with and advise the management of the Company and its subsidiaries, upon reasonable notice at reasonable times from time to time, on all matters relating to the operation of the Company and its Subsidiaries.

d. Reservation of Shares. The Company shall take all action necessary to at all times have authorized, and reserved for the purpose of

- 30 -

issuance of shares of Common Stock needed to provide for the issuance of the Conversion Shares issuable upon conversion of all outstanding Preferred Shares (without regard to any limitations on conversions) in accordance with the terms of the Certificate.

e. Listing. The Company shall promptly secure the listing of all of the Registrable Securities (as defined in the Investors Rights Agreement) upon each national securities exchange and automated quotation system, if any, upon which shares of Common Stock are then listed (subject to official notice of issuance) and shall maintain, so long as any other shares of Common Stock shall be so listed, such listing of all Registrable Securities from time to time issuable under the terms of the Transaction Documents and the Certificate. So long as any Securities are outstanding, the Company shall maintain the Common Stock's authorization for quotation on the Nasdaq National Market or for listing on the New York Stock Exchange (as applicable, the "Principal Market"). So long as any Preferred Shares are outstanding and other than in connection with Organic Changes (as defined in the Certificate) that have been properly authorized by the holders of Preferred Shares in accordance with the Certificate, neither the Company nor any of its Subsidiaries shall take any action which would be reasonably expected to result in the delisting or suspension of the Common Stock from the Principal Market. The Company shall pay all fees and expenses in connection with satisfying its obligations under this Section 4(f).

f. Proxy Statement. The Company shall provide each stockholder entitled to vote at the next meeting of stockholders of the Company, which meeting shall occur on or before April 30, 2003 and the record date for such meeting shall be established by the Company's Board of Directors on or before March 15, 2003; a proxy statement, together with a form of proxies, which have been previously approved by the Buyers and a counsel of their choice, soliciting each such stockholder's affirmative vote at such stockholder meeting for approval for the issuance of a number of Conversion Shares greater in the aggregate than 19.99% of the number of shares of Common Stock outstanding immediately prior to the Closing Date pursuant to applicable law, the rules of the NASD and any other rules and regulations of the Principal Market (such affirmative approval being referred to herein as the "Stockholder Approval"), and the Company shall use its best efforts to solicit proxies to vote in favor of such issuance and to cause the Board of Directors of the Company to recommend to the stockholders that they approve such proposal.

g. Compliance with Law. The Company shall, and shall cause its Subsidiaries, to comply in all material respects with all applicable Legal Requirements (including, without limitation, all Environmental Laws).

5. TRANSFER AGENT INSTRUCTIONS.

The Company shall issue irrevocable instructions to its transfer agent, and any subsequent transfer agent, to issue certificates or credit shares to the applicable balance accounts at the Depository Trust Company ("DTC"), registered in the name of each Buyer or its respective nominee(s), for the Conversion Shares in such amounts as specified from time to time by each Buyer to the Company upon conversion of the Preferred Shares (the "Irrevocable Transfer Agent Instructions"), a form of which is attached as Exhibit D hereto.

- 31 -

Prior to registration of the Conversion Shares under the 1933 Act, all such certificates shall bear the restrictive legend specified in Section 2(g) of this Agreement. The Company warrants that no instruction other than the Irrevocable Transfer Agent Instructions referred to in this Section 5 and stop transfer instructions to give effect to Section 2(f) hereof (in the case of the Conversion Shares, prior to registration of the Conversion Shares under the 1933 Act) will be given by the Company to its transfer agent and that the Securities shall otherwise be freely transferable on the books and records of the Company as and to the extent provided in this Agreement, the Certificate and the Investors Rights Agreement. If a Buyer provides the Company with an opinion of counsel, in a form reasonably acceptable to the Company, to the effect that a public sale, assignment or transfer of Securities may be made without registration under the 1933 Act or the Buyer provides the Company with reasonable assurances that the Securities can be sold pursuant to Rule 144 without any restriction as to the number of securities acquired as of a particular date that can then be immediately sold, the Company shall permit the transfer, and, in the case of the Conversion Shares, promptly instruct its transfer agent to issue one or more certificates, or credit shares to one or more balance accounts at DTC, in such name and in such denominations as specified by such Buyer and without any restrictive legend. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Buyers by vitiating the intent and purpose of the transaction contemplated hereby. Accordingly, the Company acknowledges that the remedy at law for a breach of its obligations under this Section 5 will be inadequate and agrees, in the event of a breach or threatened breach by the Company of the provisions of this Section 5, that the Buyers shall be entitled, in addition to all other available remedies, to an order and/or injunction restraining any breach and requiring immediate issuance and transfer, without the necessity of showing economic loss and without any bond or other security being required.

6. CONDITIONS TO THE COMPANY'S OBLIGATION TO SELL.

The obligation of the Company to issue and sell the Preferred Shares to each Buyer at the Closing is subject to the satisfaction, at or before the Closing Date, of each of the following conditions, provided that these conditions are for the Company's sole benefit and may be waived by the Company at any time in its sole discretion by providing each Buyer with prior written notice thereof:

a. Such Buyer shall have executed each of the Transaction Documents to which it is a party and delivered the same to the Company.

All conditions precedent to the obligations of all parties to the Acquisition Documents to the consummation of the CSD Acquisition shall have been satisfied (or, with the prior written consent of the Buyers, waived) in the reasonable judgment of such Buyer.

The Company and its Subsidiaries shall have obtained all required licenses, waivers, consents and approvals, governmental and otherwise in connection with the transactions contemplated by the Financing Agreement, this Agreement and the operation of the Company's business (including the CSD Acquisition), and such licenses, waivers and consents and approvals shall be in full force and effect.

f. Such Buyer shall have determined, in its sole discretion, that no event or development shall have occurred since June 30, 2002 which could have a Material Adverse Effect and that no material disruption or adverse developments in the financial markets generally or affecting the securities of

- 33 -

proceed with the purchase of the Preferred Shares has occurred.

g. There shall exist no claim, action, suit, investigation, litigation or proceeding, pending or threatened in any court or before any arbitrator or Governmental Authority which relates to the CSD Acquisition, the Sale Order, the Acquisition Documents, this Agreement or the Financing Agreement or which, in the opinion of such Buyer, has any reasonable likelihood of having a Material Adverse Effect.

i. The Common Stock (x) shall be designated for quotation or listed on the Principal Market and (y) shall not have been suspended by the SEC or the Principal Market from trading on the Principal Market nor shall suspension by the SEC or the Principal Market have been threatened either (A) in writing by the SEC or the Principal Market or (B) by falling below the minimum listing maintenance requirements of the Principal Market.

(including, without limitation, those retained in connection with the transactions contemplated by this Agreement) (collectively, the "Indemnitees") from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and expenses in connection therewith (irrespective of whether any such Indemnitee is a party to the action for which indemnification hereunder is sought), and including reasonable attorneys' fees and disbursements (the "Indemnified Liabilities"), incurred by any Indemnitee as a result of, or arising out of, or relating to (a) any misrepresentation or breach of any representation or warranty made by the Company in the Transaction Documents, the Certificate or any other certificate, instrument or document contemplated hereby or thereby, (b) any breach of any covenant, agreement or obligation of the Company contained in the Transaction Documents, the Certificate or any other certificate, instrument or document contemplated hereby or thereby, (c) any cause of action, suit or claim brought or made against such Indemnitee (other than a cause of action, suit or claim which is (x) brought or made by the Company and (y) is not a shareholder derivative suit) and arising out of or resulting from (i) the execution, delivery, performance or enforcement of the Transaction Documents, the Certificate or any other certificate, instrument or document contemplated hereby or thereby, (ii) any transaction financed or to be financed in whole or in part, directly or indirectly, with the proceeds of the issuance of the Securities or (iii) the status of such Buyer or holder of Securities as an investor in the Company. Except as otherwise set forth herein, the mechanics and procedures with respect to the rights and obligations under this Section 8 shall be the same as those set forth in Section 5 of the Investors Rights Agreement, including, without limitation, those procedures with respect

#### 9. MISCELLANEOUS.

a. Governing Law; Jurisdiction; Jury Trial. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York. Each party hereby irrevocably submits to the non-exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. g. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns, including any purchasers of the Preferred Shares. The Company shall not assign this Agreement or any rights or obligations hereunder without the prior written consent of the holders of at least a majority of the Preferred Shares then outstanding, including by merger or consolidation. ## 2. REGISTRATION UNDER THE SECURITIES ACT.

### 2.1. Demand Registration.

(a) Right to Demand Registration. Subject to Section 2.1(c) and Section 2.7 hereof, at any time or from time to time, any Initial Holder (or an assignee to whom such Initial Holder has expressly delegated or assigned all or any portion of its rights under this sentence) shall have the right to request in writing that the Company register all or part of such Holders' Registrable Securities (a "Request") (which Request shall specify the amount of Registrable Securities intended to be disposed of by such Holders and the intended method of disposition thereof) by filing with the SEC a Demand Registration Statement. As promptly as practicable, but no later than 15 days after receipt of a Request, the Company shall give written notice of such requested registration to all other Holders of Registrable Securities. Subject to Section 2.1(b), the Company shall include in a Demand Registration (A) the Registrable Securities intended to be disposed of by the Initiating Holders and (B) the Registrable Securities intended to be disposed of by any other Holder

which shall have made a written request (which request shall specify the amount of Registrable Securities to be registered and the intended method of disposition thereof) to the Company for inclusion thereof in such registration within 20 days after the receipt of such written notice from the Company. The Company shall, as expeditiously as reasonably practicable following a Request, use its best efforts to cause to be filed with the SEC a Demand Registration Statement providing for the registration under the Securities Act of the Registrable Securities which the Company has been so requested to register by all such Holders, to the extent necessary to permit the disposition of such Registrable Securities to be registered in accordance with the intended methods of disposition thereof specified in such Request or further requests (including, without limitation, by means of a shelf registration pursuant to Rule 415 under the Securities Act (a "Shelf Registration") if so requested and if the Company is then eligible to use such a registration). The Company shall use its best efforts to have such Demand Registration Statement declared effective by the SEC as soon as practicable thereafter and to keep such Demand Registration Statement continuously effective for the period specified in Section 4.1(b).

(i) A Request may be withdrawn prior to the filing of the Demand Registration Statement by the Majority Holders of the Registration (a "Withdrawn Request") and a Demand Registration Statement may be withdrawn prior to the effectiveness thereof by the Majority Holders of the Registration (a "Withdrawn Demand Registration"), and such withdrawals shall be treated as a Demand Registration which shall have been effected pursuant to this Section 2.1, unless the Holders of Registrable Securities to be included in such Registration Statement reimburse the Company for its reasonable out-of-pocket Registration Expenses relating to the preparation and filing of such Demand Registration Statement (to the extent actually

6

incurred), in which case such withdrawal shall not be treated as a Demand Registration effected pursuant to this Section 2.1 (and shall not be counted toward the number of Demand Registrations); provided, however, that if a Withdrawn Request or Withdrawn Registration Statement is made (A) because of a material adverse change in the business, financial condition or prospects of the Company, or (B) because the sole or lead managing Underwriter advises that the amount of Registrable Securities to be sold in such offering be reduced pursuant to Section 2.1(b) by more than 15% of the Registrable Securities to be included in such Registration Statement, then such withdrawal shall not be treated as a Demand Registration effected pursuant to this Section 2.1 (and shall not be counted toward the number of Demand Registrations) and the Company shall pay all Registration Expenses in connection therewith. Any Holder requesting inclusion in a Demand Registration may, at any time prior to the effective date of the Demand Registration Statement (and for any reason) revoke such request by delivering written notice to the Company revoking such requested inclusion.

(ii) The registration rights granted pursuant to the provisions of this Section 2.1 shall be in addition to the registration rights granted pursuant to the other provisions of Section 2 hereof.

(b) Priority in Demand Registrations. If a Demand Registration involves an Underwritten Offering, and the sole or lead managing Underwriter, as the case may be, of such Underwritten Offering shall advise the Company in writing (with a copy to each Holder requesting registration) on or before the date five days prior to the date then scheduled for such offering that, in its opinion, the amount of Registrable Securities requested to be included in such Demand Registration exceeds the number which can be sold in such offering within a price range acceptable to the Majority Holders of the Registration (such writing to state the basis of such opinion and the approximate number of Registrable Securities which may be included in such

offering), and the Request is not thereafter withdrawn, the Company shall include in such Demand Registration, to the extent of the number which the Company is so advised may be included in such offering, (i) the Registrable Securities requested to be included in the Demand Registration by the Holders and (ii) the Common Stock issuable upon exercise of warrants (the "Subordinated Note Holder Warrant Shares") issued to the holders of the Company's Senior Subordinated Notes due 2008 (the "Subordinated Note Holders") to the extent requested to be registered by the Subordinated Note Holders exercising "piggyback" registration rights pursuant to the terms of that certain Registration Rights Agreement, dated as of April 30, 2001, among the Subordinated Note Holders and the Company as in effect on the date hereof (the "Subordinated Note Holder Registration Rights Agreement"), in each case allocated pro rata in proportion to the number of Registrable Securities and Subordinated Note Holder Warrant Shares to be registered by the Subordinated Note Holders requested to be included in such Demand Registration by each of them. In the event the Company shall not, by virtue of this Section 2.1(b), include in any Demand Registration all of the Registrable Securities of any Holder requested to be included in such Demand Registration, such Holder may, upon written notice to the Company given within five days of the date such Holder first is notified of such matter, further reduce the amount of Registrable Securities it desires to have included in such Demand Registration, whereupon only the Registrable Securities, if any, that it desires to have

7

included will be so included and the Holders not so reducing shall be entitled to a corresponding pro rata increase in the amount of Registrable Securities to be included in such Demand Registration.

(c) Limitations on Registrations. The rights of Holders of Registrable Securities to request Demand Registrations pursuant to Section 2.1(a) are subject to the following limitations: in no event shall the Company be required to effect a Demand Registration unless the aggregate offering price, net of underwriting discounts and commissions, is at least \$5,000,000; provided, however, that the Company shall be required to effect a Demand Registration regardless of the aggregate offering price in the event that the Majority Holders are disposing of all of the Registrable Securities held by them; and (iii) in no event shall the Company be required to effect more than (A) two Demand Registrations for the benefit of Cerberus CH LLC, an Initial Holder, and its successors and assigns and (B) one Demand Registration for the benefit of all of the Initial Holders that are Affiliates of Oak Hill Advisors, Inc. ("Oak Hill") or accounts or funds that Oak Hill or its Affiliates control or advise, and their successor and assigns; provided, however, that such number shall be increased to the extent the Company (x) does not include in what would otherwise be the final registration for which the Company is required to pay Registration Expenses the number of Registrable Securities requested to be registered by the Holders by reason of Section 2.1(b) or (y) terminates a Shelf Registration pursuant to Section 2.3 prior to the time that all Registrable Securities covered by such Shelf Registration have been sold; and provided, further, that the Registration Expenses in connection with each additional Demand Registration shall be allocated pro rata among all Persons on whose behalf securities of the Company are included in such registration, on the basis of the respective amounts of the securities then being registered on their behalf.

(d) Underwriting; Selection of Underwriters. Notwithstanding anything to the contrary contained in Section 2.1(a), if the Initiating Holders holding a majority of the Registrable Securities for which registration was requested in the Request so elect, the offering of such Registrable Securities pursuant to such Demand Registration shall be in the form of a firm commitment Underwritten Offering and such Initiating Holders may require that all Persons (including other Holders) participating in such registration sell their Registrable Securities to the Underwriters at the same price and on the same terms of underwriting applicable to the Initiating Holders. If any Demand Registration involves an Underwritten Offering, the sole or managing Underwriters and any additional investment bankers and managers to be used in connection with such registration shall be selected by the Company subject to

the approval of the Majority Holders of the Registration.

(e) Effective Registration Statement; Suspension. A Demand Registration Statement shall not be deemed to have become effective (and the related registration will not be deemed to have been effected) (i) unless it has been declared effective by the SEC and remains effective in compliance with the provisions of the Securities Act with respect to the disposition of all Registrable Securities covered by such Demand Registration Statement for the time period specified in Section 4.1(b), (ii) if the offering of any Registrable Securities pursuant to such Demand Registration Statement is interfered with by any stop order, injunction or other order or requirement of the SEC or any other governmental agency or court, or (iii) if, in the case of an Underwritten Offering, the conditions to closing specified in an underwriting agreement to which the Company is a party are not satisfied (other than by the sole reason of any breach or failure by the Holders of Registrable Securities) and are not otherwise waived.

8

(f) Registration Statement Form. Registrations under this Section 2.1 shall be on Form S-3 (or a successor form thereto adopted by the SEC) or, if such Form is not then available, on such other appropriate registration form of the SEC as shall be selected by the Initiating Holders holding a majority of the Registrable Securities for which the registration was requested in the Request and which shall be available for the sale of Registrable Securities in accordance with the intended method or methods of disposition specified in the requests for registration. The Company agrees to include in any such Registration Statement all information which any selling Holder, upon advice of counsel, shall reasonably request.

(g) Other Registrations. During the period (i) beginning on the date of a Request and (ii) ending on the date that is 90 days after the date that a Demand Registration Statement filed pursuant to such Request has been declared effective by the SEC or, if the Holders shall withdraw such Request or such Demand Registration Statement, on the date of such Withdrawn Request or such Withdrawn Registration Statement, the Company shall not, without the consent of the Majority Holders of the Registration, file a registration statement pertaining to any other securities of the Company except to the extent (if any) that such filing may then be required and not subject to deferral under the Subordinated Note Holder Registration Rights Agreement.

## 2.2. Incidental Registration.

(a) Right to Include Registrable Securities. (i) If the Company at any time or from time to time proposes to register any of its securities under the Securities Act (other than in a registration on Form S-4 or S-8 or any successor form to such forms and other than pursuant to Section 2.1 or 2.3) whether or not pursuant to registration rights granted to other holders of its securities and whether or not for sale for its own account, the Company shall deliver prompt written notice (which notice shall be given at least 45 days prior to such proposed registration) to all Holders of Registrable Securities of its intention to undertake such registration, describing in reasonable detail the proposed registration and distribution (including the anticipated range of the proposed offering price, the class and number of securities proposed to be registered and the distribution arrangements) and of such Holders' right to participate in such registration under this Section 2.2 as hereinafter provided. Subject to the other provisions of this Section 2.2(a) and Section 2.2(b), upon the written request of any Holder made within 30 days after the receipt of such written notice (which request shall specify the amount of Registrable Securities to be registered and the intended method of disposition thereof), the Company shall effect the registration under the Securities Act of all Registrable Securities requested by Holders to be so registered (an "Incidental Registration"), to the extent required to permit the disposition (in accordance with the intended methods thereof as aforesaid) of the Registrable Securities so to be registered, by inclusion of such Registrable Securities in the Registration Statement which covers the securities which the

Company proposes to register and shall cause such Registration Statement to become and remain effective with respect to such Registrable Securities in accordance with the registration procedures set forth in Section 4. If an Incidental Registration involves an Underwritten Offering, immediately upon notification to the Company from the Underwriter of the price at which such securities are to be sold, the Company shall so advise each participating Holder. The Holders requesting inclusion in an Incidental Registration may, at

9

any time prior to the effective date of the Incidental Registration Statement (and for any reason), revoke such request by delivering written notice to the Company revoking such requested inclusion.

(ii) If at any time after giving written notice of its intention to register any securities and prior to the effective date of the Incidental Registration Statement filed in connection with such registration, the Company shall determine for any reason not to register or to delay registration of such securities, the Company may, at its election, give written notice of such determination to each Holder of Registrable Securities and, thereupon, (A) in the case of a determination not to register, the Company shall be relieved of its obligation to register any Registrable Securities in connection with such registration (but not from its obligation to pay the Registration Expenses incurred in connection therewith), without prejudice, however, to the rights of Holders to cause such registration to be effected as a registration under Section 2.1 and (B) in the case of a determination to delay such registration, the Company shall be permitted to delay the registration of such Registrable Securities for the same period as the delay in registering such other securities; provided, however, that if such delay shall extend beyond 120 days from the date the Company received a request to include Registrable Securities in such Incidental Registration, then the Company shall again give all Holders the opportunity to participate therein and shall follow the notification procedures set forth in the preceding paragraph. There is no limitation on the number of such Incidental Registrations pursuant to this Section 2.2 which the Company is obligated to effect.

(iii) The registration rights granted pursuant to the provisions of this Section 2.2 shall be in addition to the registration rights granted pursuant to the other provisions of Section 2 hereof.

(b) Priority in Incidental Registration. If an Incidental Registration involves an Underwritten Offering (on a firm commitment basis), and the sole or the lead managing Underwriter, as the case may be, of such Underwritten Offering shall advise the Company in writing (with a copy to each Holder requesting registration) on or before the date five days prior to the date then scheduled for such offering that, in its opinion, the amount of securities (including Registrable Securities) requested to be included in such registration exceeds the amount which can be sold in such offering without materially interfering with the successful marketing of the securities being offered (such writing to state the basis of such opinion and the approximate number of such securities which may be included in such offering without such effect), the Company shall include in such registration, to the extent of the number which the Company is so advised may be included in such offering without such effect, (i) in the case of a registration initiated by the Company, (A) first, the securities that the Company proposes to register for its own account (but solely to the extent that the proceeds thereof shall not be used to purchase shares of common stock of the Company or other securities of the Company), (B) second, the Registrable Securities requested to be included in such registration by the Holders and the Subordinated Note Holder Warrant Shares requested to be registered in such registration by the Subordinated Note Holders pursuant to the Subordinated Note Holder Registration Rights Agreement, allocated pro rata in proportion to the number of Registrable Securities and

Subordinated Note Holder Warrant Shares requested to be included in such registration by each of them, and (C) third, other securities of the Company to be registered on behalf of any other Person, (ii) in the case of a registration initiated by a Person other than the Company or the Subordinated Note Holders, (A) first, the Registrable Securities requested to be included in such registration by the Holders, the Subordinated Note Holder Warrant Shares requested to be included in such registration by the Subordinated Note Holders pursuant to the Subordinated Note Holder Registration Rights Agreement and any Persons initiating such registration, allocated pro rata in proportion to the number of securities requested to be included in such registration by each of them, (B) second, the securities that the Company proposes to register for its own account, and (C) third, the securities of the Company to be registered on

10

behalf of any other Person and (iii) in the case of a registration initiated by the Subordinated Note Holders pursuant to the Subordinated Note Holders Registration Rights Agreement, (A) first, the Subordinated Note Holder Warrant Shares requested to be included in such registration by the Subordinated Note Holders pursuant to the Subordinated Note Holder Registration Rights Agreement, (B) second, the Registrable Securities requested to be included in such registration by the Holders, allocated pro rata in proportion to the number of securities requested to be included in such registration by each of them, (C) third, the securities that the Company proposes to register for its own account, and (D) fourth, the securities of the Company to be registered on behalf of any other Person; provided, however, that in the event the Company will not, by virtue of this Section 2.2(b), include in any such registration all of the Registrable Securities of any Holder requested to be included in such registration, such Holder may, upon written notice to the Company given within three days of the time such Holder first is notified of such matter, reduce the amount of Registrable Securities it desires to have included in such registration, whereupon only the Registrable Securities, if any, it desires to have included will be so included and the Holders not so reducing shall be entitled to a corresponding pro rata increase in the amount of Registrable Securities to be included in such registration.

(c) Selection of Underwriters. If any Incidental Registration involves an Underwritten Offering, the sole or managing Underwriter(s) and any additional investment bankers and managers to be used in connection with such registration shall be subject to the approval of the Majority Holders of the Registration (such approval not to be unreasonably withheld).

### 2.3. S-3 Registration; Shelf Registration.

(a) Shelf Registration. If a request made pursuant to Section 2.1 is for a Shelf Registration, subject to Section 2.7, the Company shall use its best efforts to keep the Shelf Registration continuously effective through the date on which all of the Registrable Securities covered by such Shelf Registration may be sold pursuant to Rule 144(k) under the Securities Act (or any successor provision having similar effect); provided, however, that prior to the termination of such Shelf Registration, the Company shall first furnish to each Holder of Registrable Securities participating in such Shelf Registration (i) an opinion, in form and substance satisfactory to the Majority Holders of the Registration, of counsel for the Company satisfactory to the Majority Holders of the Registration stating that such Registrable Securities are freely saleable pursuant to Rule 144(k) under the Securities Act (or any successor provision having similar effect) or (ii) a "No-Action Letter" from the staff of the SEC stating that the SEC would not recommend enforcement action if the Registrable Securities included in such Shelf Registration were sold in a public sale other than pursuant to an effective registration statement.

11

### 2.4. Underwritten Offerings.

(a) Demand Underwritten Offerings. If requested by the sole or lead managing Underwriter for any Underwritten Offering effected pursuant to a Demand Registration, the Company shall enter into a customary underwriting agreement with the Underwriters for such offering, such agreement to be reasonably satisfactory in substance and form to the Company and each Holder of Registrable Securities participating in such offering and to contain such representations and warranties by the Company and such other terms as are generally prevailing in agreements of that type, including, without limitation, indemnification and contribution to the effect and to the extent provided in Section 5.

(b) Holders of Registrable Securities to be Parties to Underwriting Agreement. The Holders of Registrable Securities to be distributed by Underwriters in an Underwritten Offering contemplated by Section 2 shall be parties to the underwriting agreement between the Company and such Underwriters and may, at such Holders' option, require that any or all of the representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of such Underwriters shall also be made to and for the benefit of such Holders of Registrable Securities and that any or all of the conditions precedent to the obligations of such Underwriters under such underwriting agreement be conditions precedent to the obligations of such Holders of Registrable Securities; provided, however, that the Company shall not be required to make any representations or warranties with respect to written information specifically provided by a selling Holder for inclusion in the Registration Statement. No Holder shall be required to make any representations or warranties to, or agreements with, the Company or (in the case of an Incidental Registration) the Underwriters other than representations, warranties or agreements regarding such Holder, such Holder's Registrable Securities and such Holder's intended method of disposition.

(c) Participation in Underwritten Registration. Notwithstanding anything herein to the contrary, no Person may participate in any underwritten registration hereunder unless such Person (i) agrees to sell its securities on the same terms and conditions provided in any underwritten arrangements approved by the Persons entitled hereunder to approve such arrangement and (ii) accurately completes and executes in a timely manner all questionnaires, powers of attorney, indemnities, custody agreements, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

2.5. Expenses. The Company shall pay all Registration Expenses in connection with any Demand Registration, Incidental Registration or Shelf Registration whether or not such registration shall become effective and whether or not all Registrable Securities originally requested to be included in such registration are withdrawn or otherwise ultimately not included in such registration, except as otherwise provided with respect to a Withdrawn Request and a Withdrawn Demand Registration in Section 2.1(a).

2.6. Conversions; Exercises. Notwithstanding anything to the contrary herein, in order for any Registrable Securities that are issuable upon the exercise of conversion rights, options or warrants to be included in any registration pursuant to Section 2 hereof, the exercise of such conversion rights, options or warrants must be effected no later than immediately prior to

the closing of any sales under the Registration Statement pursuant to which such Registrable Securities are to be sold.

2.7. Registration Eligibility. The Company and each Initial Holder acknowledge that the Company is operating on the date hereof pursuant a No-Action Letter from the SEC in the form attached hereto as Exhibit A (the "No-Action Letter"), which may limit the Company's ability to have Registration Statements covering Registrable Securities declared effective by the SEC. In light of the foregoing, the Company and the Initial Holders agree that if the

Company, solely by virtue of the limitations expressly set forth in the No-Action Letter, is unable to have any Registration Statement covering Registrable Securities declared effective by the SEC, the Company shall not be in breach of its obligation to register Registrable Securities pursuant to this Agreement if, and only, if during the effectiveness of this Agreement (whether or not a Request is pending) the Company is using its best efforts to remedy the condition giving rise to such limitations expressed in the No-Action Letter, which "best efforts" shall include, but not be limited to, (a) as described in the Company's request for the No-Action Letter, procuring and filing with the SEC as part of a report on Form 8-K filed by the Company (with amendments thereto) not later than 45 days after the date of this Agreement the audited balance sheets of the Chemical Services Division of Safety-Kleen Corp. (the "CSD") as of the completion of the CSD's fiscal years ended August 31, 2001, 2000, and 1999, (b) seeking further effective waivers or no-action relief (to the extent, if any, then required) from the SEC no later than the earlier of (i) the date thirty (30) days after a Request is made to register Registrable Securities and (ii) 90 days after the date of the next fiscal year end of the Company (and, to the extent such relief is not granted, seeking such waivers or no-action relief on a no less frequent basis than annually following each prior request until such relief is granted), to the effect that the Company may register the Registrable Securities with the SEC without compliance by the Company with the requirement to file historical audited financial statements for the CSD, (c) taking such other actions as are reasonably requested by the Holders or that would otherwise reasonably be expected to allow the Company to register Registrable Securities without complying with SEC rules and regulations concerning the filing of historical audited financial statements for the CSD.

### 3. HOLDBACK ARRANGEMENTS.

3.1. Restrictions on Sale by Holders of Registrable Securities. Each Holder of Registrable Securities agrees, by acquisition of such Registrable Securities, if timely requested in writing by the sole or lead managing Underwriter, not to make any short sale of, loan, grant any option for the purchase of or effect any public sale or distribution, of any of the Company's equity securities (or any security convertible into or exchangeable or exercisable for any of the Company's equity securities) during the time period reasonably requested by the sole or lead managing Underwriter not to exceed 90 days, beginning on the effective date of the applicable registration statement (except as part of such underwritten registration or pursuant to registrations on Forms S-4 or S-8 or any successor form to such forms), unless the sole or lead Managing Underwriter in such Underwritten Offering otherwise agrees; provided, however, that to the extent the Company or the sole lead Managing Underwriter releases any Person from the foregoing restrictions in whole or in part it shall, on the same day, notify the Initial Holder of such release and such parties shall automatically be released to the same extent.

13

3.2. Restrictions on Sale by the Company and Others. The Company and McKim agree that if timely requested in writing by the sole or lead managing Underwriter in an Underwritten Offering of any Registrable Securities, not to make any short sale of, loan, grant any option for the purchase of or effect any public sale or distribution of any of the Company's equity securities (or any security convertible into or exchangeable or exercisable for any of the Company's equity securities) during the nine business days (as such term is used in Rule 10b-6 under the Exchange Act) prior to, and during the time period reasonably requested by the sole or lead managing Underwriter not to exceed 90 days, beginning on the effective date of the applicable registration statement (except as part of such underwritten registration or pursuant to registrations on Forms S-4 or S-8 or any successor form to such forms), unless the sole or lead Managing Underwriter in such Underwritten Offering otherwise agrees. The Company will use its reasonable best efforts to cause each director or officer of the Company and each holder of 5% or more of the equity securities (or any security convertible into or exchangeable or exercisable for any of its equity securities) of the Company purchased from the Company at any time after the date of this Agreement (other than in a registered public offering or in a public

sale) to so agree.

#### 4. REGISTRATION PROCEDURES.

4.1. Obligations of the Company. Whenever the Company is required to effect the registration of Registrable Securities under the Securities Act pursuant to Section 2 of this Agreement, the Company shall, as expeditiously as possible:

(a) prepare and file with the SEC (promptly, and in any event within 60 days after receipt of a request to register Registrable Securities) the requisite Registration Statement to effect such registration, which Registration Statement shall comply as to form in all material respects with the requirements of the applicable form and include all financial statements required by the SEC to be filed therewith, and the Company shall use its best efforts, consistent with its obligations under Section 2.7 hereof and applicable law, to cause such Registration Statement to become effective within 120 days after receipt of a request to register Registrable Securities; provided, that the Company may discontinue any registration of its securities that are not Registrable Securities, and, under the circumstances specified in Section 2.2, its securities that are Registrable Securities. Before filing a Registration Statement or Prospectus or any amendments or supplements thereto, or comparable statements under securities or blue sky laws of any jurisdiction, the Company shall (i) provide Holders' Counsel and any other Inspector (as defined below) with an adequate and appropriate opportunity to participate in the preparation of such Registration Statement and each Prospectus included therein (and each amendment or supplement thereto or comparable statement) to be filed with the SEC, which documents shall be subject to the review and comment of Holders' Counsel, and (ii) not file any such Registration Statement or Prospectus (or amendment or supplement thereto or comparable statement) with the SEC to which Holder's Counsel, any selling Holder or any other Inspector shall have reasonably objected on the grounds that such filing does not comply in all material respects with the requirements of the Securities Act or of the rules or regulations thereunder;

(b) prepare and file with the SEC such amendments and supplements to such Registration Statement and the Prospectus used in connection

14

therewith as may be necessary (i) to keep such Registration Statement effective, and (ii) to comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities covered by such Registration Statement, in each case until such time as all of such Registrable Securities have been disposed of in accordance with the intended methods of disposition by the seller(s) thereof set forth in such Registration Statement;

(c) furnish, without charge, to each selling Holder of such Registrable Securities and each Underwriter, if any, of the securities covered by such Registration Statement, such number of copies of such Registration Statement, each amendment and supplement thereto (in each case including all exhibits), and the Prospectus included in such Registration Statement (including each preliminary Prospectus) in conformity with the requirements of the Securities Act, and other documents, as such selling Holder and Underwriter may reasonably request in order to facilitate the public sale or other disposition of the Registrable Securities owned by such selling Holder (the Company hereby consenting to the use in accordance with applicable law of each such Registration Statement (or amendment or post-effective amendment thereto) and each such Prospectus (or preliminary prospectus or supplement thereto) by each such selling Holder of Registrable Securities and the Underwriters, if any, in connection with the offering and sale of the Registrable Securities covered by such Registration Statement or Prospectus);

(d) prior to any public offering of Registrable Securities, use its best efforts to register or qualify all Registrable Securities and other securities covered by such Registration Statement under such other securities or

blue sky laws of such jurisdictions as any selling Holder of Registrable Securities covered by such Registration Statement or the sole or lead managing Underwriter, if any, may reasonably request to enable such selling Holder to consummate the disposition in such jurisdictions of the Registrable Securities owned by such selling Holder and to continue such registration or qualification in effect in each such jurisdiction for as long as such Registration Statement remains in effect (including through new filings or amendments or renewals), and do any and all other acts and things which may be necessary or advisable to enable any such selling Holder to consummate the disposition in such jurisdictions of the Registrable Securities owned by such selling Holder;

(e) use its best efforts to obtain all other approvals, consents, exemptions or authorizations from such governmental agencies or authorities as may be necessary to enable the selling Holders of such Registrable Securities to consummate the disposition of such Registrable Securities;

(f) notify Holders' Counsel, each Holder of Registrable Securities covered by such Registration Statement and the sole or lead managing Underwriter, if any: (i) when the Registration Statement, any pre-effective amendment, the Prospectus or any prospectus supplement related thereto or post-effective amendment to the Registration Statement has been filed and, with respect to the Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the SEC or any state securities or blue sky authority for amendments or supplements to the Registration Statement or the Prospectus related thereto or for additional information, (iii) of the issuance by the SEC of any stop order suspending the effectiveness of the Registration Statement or the initiation or threat of any proceedings for that purpose, (iv) of the receipt by the Company of any

15

notification with respect to the suspension of the qualification of any Registrable Securities for sale under the securities or blue sky laws of any jurisdiction or the initiation of any proceeding for such purpose, (v) of the existence of any fact of which the Company becomes aware or the happening of any event which results in (A) the Registration Statement containing an untrue statement of a material fact or omitting to state a material fact required to be stated therein or necessary to make any statements therein not misleading or (B) the Prospectus included in such Registration Statement containing an untrue statement of a material fact or omitting to state a material fact required to be stated therein or necessary to make any statements therein, in the light of the circumstances under which they were made, not misleading, (vi) if at any time the representations and warranties contained in any underwriting agreement in respect of such offering cease to be true and correct in all material respects, and (vii) of the Company's reasonable determination that a post-effective amendment to a Registration Statement would be appropriate or that there exists circumstances not yet disclosed to the public which make further sales under such Registration Statement inadvisable pending such disclosure and post-effective amendment; and, if the notification relates to an event described in any of the clauses (ii) through (vii) of this Section 4.1(f), the Company shall promptly prepare a supplement or post-effective amendment to such Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that (1) such Registration Statement shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (2) as thereafter delivered to the purchasers of the Registrable Securities being sold thereunder, such Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in the light of the circumstances under which they were made not misleading (and shall furnish to each such Holder and each Underwriter, if any, a reasonable number of copies of such Prospectus so supplemented or amended); and if the notification relates to an event described in clause (iii) of this Section 4.1(f), the Company shall take all reasonable action required to prevent the entry of such stop order or to remove it if entered;

(g) make available for inspection by any selling Holder of Registrable Securities, any sole or lead managing Underwriter participating in any disposition pursuant to such Registration Statement, Holders' Counsel and any attorney, accountant or other agent retained by any such seller or any Underwriter (each, an "Inspector" and, collectively, the "Inspectors"), all financial and other records, pertinent corporate documents and properties of the Company and any subsidiaries thereof as may be in existence at such time (collectively, the "Records") as shall be necessary, in the opinion of such Holders' and such Underwriters' respective counsel, to enable them to exercise their due diligence responsibility and to conduct a reasonable investigation within the meaning of the Securities Act, and cause the Company's and any subsidiaries' officers, directors and employees, and the independent public accountants of the Company, to supply all information reasonably requested by any such Inspectors in connection with such Registration Statement;

(h) obtain an opinion from the Company's counsel and a "cold comfort" letter from the Company's independent public accountants who have certified the Company's financial statements included or incorporated by reference in such Registration Statement, in each case dated the effective date of such Registration Statement (and if such registration involves an Underwritten Offering, dated the date of the closing under the underwriting

16

agreement), in customary form and covering such matters as are customarily covered by such opinions and "cold comfort" letters delivered to underwriters in underwritten public offerings, which opinion and letter shall be reasonably satisfactory to the sole or lead managing Underwriter, if any, and to the Majority Holders of the Registration, and furnish to each Holder participating in the offering and to each Underwriter, if any, a copy of such opinion and letter addressed to such Holder (in the case of the opinion) and Underwriter (in the case of the opinion and the "cold comfort" letter);

(i) provide a CUSIP number for all Registrable Securities and provide and cause to be maintained a transfer agent and registrar for all such Registrable Securities covered by such Registration Statement not later than the effectiveness of such Registration Statement;

(j) otherwise use its best efforts to comply with all applicable rules and regulations of the SEC and any other governmental agency or authority having jurisdiction over the offering, and make available to its security holders, as soon as reasonably practicable but no later than 90 days after the end of any 12-month period, an earnings statement (i) commencing at the end of any month in which Registrable Securities are sold to Underwriters in an Underwritten Offering and (ii) commencing with the first day of the Company's calendar month next succeeding each sale of Registrable Securities after the effective date of a Registration Statement, which statement shall cover such 12-month periods, in a manner which satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder;

(k) if so requested by the Majority Holders of the Registration, use its best efforts to cause all such Registrable Securities to be (i) duly included for quotation on the Nasdaq Stock Market's National Market (the "Nasdaq National Market") or listed on the principal national securities exchange on which the Company's similar securities are then listed, if applicable, or (ii) if securities of the Company are not at the time included on the Nasdaq National Market or listed on any national securities exchange (or if the listing of Registrable Securities is not permitted under the rules of each national securities exchange on which the Company's securities are then listed), on the National Nasdaq Market or a national securities exchange designated by the Majority Holders of the Registration;

(l) enter into and perform customary agreements (including, if applicable, an underwriting agreement in customary form) and provide officers' certificates and other customary closing documents;

(m) cooperate with each selling Holder of Registrable Securities and each Underwriter participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with the NASD and make reasonably available its employees and personnel and otherwise provide reasonable assistance to the Underwriters (taking into account the needs of the Company's businesses and the requirements of the marketing process) in the marketing of Registrable Securities in any Underwritten Offering;

(n) cooperate with the selling Holders of Registrable Securities and the sole or lead managing Underwriter, if any, to facilitate the

17

timely preparation and delivery of certificates not bearing any restrictive legends representing the Registrable Securities to be sold, and cause such Registrable Securities to be issued in such denominations and registered in such names in accordance with the underwriting agreement prior to any sale of Registrable Securities to the Underwriters or, if not an Underwritten Offering, in accordance with the instructions of the selling Holders of Registrable Securities at least three business days prior to any sale of Registrable Securities;

(o) keep each selling Holder of Registrable Securities advised in writing as to the initiation and progress of any registration under Section 2 hereunder;

(p) furnish to each Holder participating in the offering and the sole or lead managing Underwriter, if any, without charge, at least one manually-signed copy of the Registration Statement and any post-effective amendments thereto, including financial statements and schedules, all documents incorporated therein by reference and all exhibits (including those deemed to be incorporated by reference);

(q) if requested by the sole or lead managing Underwriter, if any, or any selling Holder of Registrable Securities, promptly incorporate in a prospectus supplement or post-effective amendment such information concerning such Holder of Registrable Securities, the Underwriters or the intended method of distribution as the sole or lead managing Underwriter or the selling Holder of Registrable Securities reasonably requests to be included therein and as is appropriate in the reasonable judgment of the Company, including, without limitation, information with respect to the number of shares of the Registrable Securities being sold to the Underwriters, the purchase price being paid therefor by such Underwriters and with respect to any other terms of the Underwritten Offering of the Registrable Securities to be sold in such offering; make all required filings of such Prospectus supplement or post-effective amendment as soon as notified of the matters to be incorporated in such Prospectus supplement or post-effective amendment; and supplement or make amendments to any Registration Statement if requested by the sole or lead managing Underwriter of such Registrable Securities; and

(r) use its best efforts to take all other steps necessary to expedite or facilitate the registration and disposition of the Registrable Securities contemplated hereby.

4.2. Seller Information. The Company may require each selling Holder of Registrable Securities as to which any registration is being effected to furnish to the Company such information regarding such seller and the disposition of such securities as the Company may from time to time reasonably request in writing; provided, however, that such information shall be used only in connection with such Registration. If any Registration Statement or comparable statement under "blue sky" laws refers to any Holder by name or otherwise as the Holder of any securities of the Company, then such Holder shall have the right to require (i) the insertion therein of language, in form and substance satisfactory to such Holder and the Company, to the effect that the

holding by such Holder of such securities is not to be construed as a recommendation by such Holder of the investment quality of the Company's securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Company and (ii)

18

in the event that such reference to such Holder by name or otherwise is not in the judgment of the Company, as advised by counsel, required by the Securities Act or any similar federal statute or any state "blue sky" or securities law then in force, the deletion of the reference to such Holder.

4.3. Notice to Discontinue. Each Holder of Registrable Securities agrees by acquisition of such Registrable Securities that, (a) upon receipt of any notice from the Company of the happening of any event of the kind described in Section 4.1(f)(ii) through 4.1(f)(vii), such Holder shall forthwith discontinue disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until such Holder's receipt of the copies of the supplemented or amended prospectus contemplated by Section 4.1(f) and, (b) if so directed by the Company, such Holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies, then in such Holder's possession, of the Prospectus covering such Registrable Securities which is current at the time of receipt of such notice. If the Company shall give any such notice, the Company shall extend the period during which such Registration Statement shall be maintained effective pursuant to this Agreement (including, without limitation, the period referred to in Section 4.1(b)) by the number of days during the period from and including the date of the giving of such notice pursuant to Section 4.1(f) to and including the date when the Holder shall have received the copies of the supplemented or amended prospectus contemplated by and meeting the requirements of Section 4.1(f).

#### 5. INDEMNIFICATION; CONTRIBUTION.

5.1. Indemnification by the Company. The Company agrees to indemnify and hold harmless, to the fullest extent permitted by law, each Holder of Registrable Securities, its officers, directors, partners, members, shareholders, employees, Affiliates, advisers, attorneys and agents (collectively, "Agents") and each Person who controls such Holder (within the meaning of the Securities Act) and its Agents with respect to each registration which has been effected pursuant to this Agreement, against any and all losses, claims, damages or liabilities, joint or several, actions or proceedings (whether commenced or threatened) in respect thereof, and expenses (as incurred or suffered and including, but not limited to, any and all expenses incurred in investigating, preparing or defending any litigation or proceeding, whether commenced or threatened, and the reasonable fees, disbursements and other charges of legal counsel) in respect thereof (collectively, "Claims"), insofar as such Claims arise out of or are based upon any untrue or alleged untrue statement of a material fact contained in any Registration Statement or Prospectus (including any preliminary, final or summary prospectus and any amendment or supplement thereto) related to any such registration or any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or any violation by the Company of the Securities Act or any rule or regulation thereunder applicable to the Company and relating to action or inaction required of the Company in connection with any such registration, or any qualification or compliance incident thereto; provided, however, that the Company will not be liable in any such case to the extent that any such Claims arise out of or are based upon any untrue statement or alleged untrue statement of a material fact or omission or alleged omission of a material fact so made in reliance upon and in conformity with written information furnished to the Company by a Holder expressly for use therein. The Company shall also indemnify any Underwriters of the Registrable Securities, their Agents and each Person who controls any such

19

Underwriter (within the meaning of the Securities Act) to the same extent as provided above with respect to the indemnification of the Holders of Registrable Securities. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of any Person who may be entitled to indemnification pursuant to this Section 5 and shall survive the transfer of securities by such Holder or Underwriter.

5.2. Indemnification by Holders. Each Holder, if Registrable Securities held by it are included in the securities as to which a registration is being effected, agrees to, severally and not jointly, indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors and officers, each other Person who participates as an Underwriter in the offering or sale of such securities and its Agents and each Person who controls the Company (within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act) against any and all Claims, insofar as such Claims arise out of or are based upon any untrue or alleged untrue statement of a material fact contained in any Registration Statement or Prospectus (including any preliminary, final or summary prospectus and any amendment or supplement thereto) related to such registration, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by a Holder expressly for use therein; provided, however, that the aggregate amount which any such Holder shall be required to pay pursuant to this Section 5.2 shall in no event be greater than the amount of the net proceeds received by such Holder upon the sale of the Registrable Securities pursuant to the Registration Statement giving rise to such Claims less all amounts previously paid by such Holder with respect to any such Claims. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of any Person who may be entitled to indemnification pursuant to this Section 5 and shall survive the transfer of securities by such Holder or Underwriter.

5.3. Conduct of Indemnification Proceedings. Promptly after receipt by an indemnified party of notice of any Claim or the commencement of any action or proceeding involving a Claim under this Section 5, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party pursuant to Section 5, (a) notify the indemnifying party in writing of the Claim or the commencement of such action or proceeding; provided, that the failure of any indemnified party to provide such notice shall not relieve the indemnifying party of its obligations under this Section 5, except to the extent the indemnifying party is materially and actually prejudiced thereby and shall not relieve the indemnifying party from any liability which it may have to any indemnified party otherwise than under this Section 5, and (b) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided, however, that any indemnified party shall have the right to employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party has agreed in writing to pay such fees and expenses, (ii) the indemnifying party shall have failed to assume the defense of such claim and employ counsel reasonably satisfactory to such indemnified party within 20 days after receiving notice from such indemnified party that the indemnified party believes it has failed to do so, or (C) in the reasonable judgment of any such indemnified party, based upon advice of counsel, a conflict of interest shall exist between such indemnified party and the indemnifying party with respect to

such claims; it being understood, however, that the indemnifying party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to no more

than one firm of local counsel) at any time for all such indemnified parties. No indemnifying party shall be liable for any settlement of any such claim or action effected without its written consent, which consent shall not be unreasonably withheld. No indemnifying party shall, without the consent of the indemnified party, which consent shall not be unreasonable withheld, consent to entry of any judgment or enter into any settlement of any claim or action in respect of which indemnification or contribution may be sought hereunder, unless such settlement, (x) includes an unconditional release of the indemnified party from all liability arising out of such action or claim, (y) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party, and (z) does not provide for any action on the part of any party other than the payment of money damages which is to be paid in full by the indemnifying party.

5.4. Contribution. If the indemnification provided for in Section 5.1 or 5.2 from the indemnifying party for any reason is unavailable to (other than by reason of exceptions provided therein), or is insufficient to hold harmless an indemnified party hereunder in respect of any Claim, then the indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such Claim in such proportion as is appropriate to reflect the relative fault of the indemnifying party, on the one hand, and the indemnified party, on the other hand, in connection with the actions which resulted in such Claim, as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made by, or relates to information supplied by, such indemnifying party or indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action. If, however, the foregoing allocation is not permitted by applicable law, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative faults but also the relative benefits of the indemnifying party and the indemnified party as well as any other relevant equitable considerations.

5.5. Indemnification Payments. The indemnification and contribution required by this Section 5 shall be made by periodic payments of the amount thereof during the course of any investigation or defense, as and when bills are received or any expense, loss, damage or liability is incurred.

5.6. Other Indemnification. Indemnification similar to that specified in the preceding Sections 5.1 and 5.2 (with appropriate modifications) shall be given by the Company and each selling Holder of Registrable Securities with respect to any required registration or other qualification of securities under any Federal or state law or regulation of any governmental authority, other than the Securities Act. The indemnity agreements contained herein shall be in addition to any other rights to indemnification or contribution which any indemnified party may have pursuant to law or contract.

## 6. General Provisions Regarding Registrations.

6.1. Adjustments Affecting Registrable Securities. The Company agrees that it shall not effect or permit to occur any combination or subdivision of shares which would adversely affect the ability of the Holder of any Registrable Securities to include such Registrable Securities in any registration contemplated by this Agreement or the marketability of such Registrable Securities in any such registration.

6.2. Registration Rights to Others. The Company represents and warrants that, except as set forth in the Subordinated Note Holder Registration Rights Agreement, as in effect as of the date hereof, a true, complete and correct copy of which has been delivered to each of the Initial Holders, it is

not currently a party to any agreement with respect to its securities granting registration rights to Persons. If the Company shall at any time hereafter provide to any holder of any securities of the Company rights with respect to the registration of such securities under the Securities Act, (i) such rights shall not be in conflict with or adversely affect any of the rights provided in this Agreement to the Holders and (ii) if such rights are provided on terms or conditions more favorable to such holder than the terms and conditions provided in this Agreement, the Company shall provide (by way of amendment to this Agreement or otherwise) such more favorable terms or conditions to the Holders.

6.3. Availability of Information; Rule 144; Rule 144A; Other Exemptions. The Company covenants that it shall timely file any reports required to be filed by it under the Securities Act or the Exchange Act (including, but not limited to, the reports under Sections 13 and 15(d) of the Exchange Act referred to in subparagraph (c) of Rule 144 under the Securities Act), and that it shall take such further action as any Holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by (i) Rule 144 and Rule 144A under the Securities Act, as such rules may be amended from time to time, or (ii) any other rule or regulation now existing or hereafter adopted by the SEC. Upon the request of any Holder of Registrable Securities, the Company shall deliver to such Holder a written statement as to whether it has complied with such requirements.

## 7. PROVISIONS APPLICABLE TO SECURITYHOLDERS.

7.1. General Restriction. McKim may not, directly or indirectly, sell, assign, transfer, pledge, bequeath, hypothecate, mortgage, grant any proxy with respect to, or in any other way encumber or otherwise dispose of ("Convey"), any shares of Common Stock except pursuant to the provisions of this Article 7.

7.2. Right of Co-Sale. (a) If McKim desires to Convey shares of Common Stock to any Person (the "Purchaser"), each Holder shall have the right to require, as a condition to such Conveyance, that the Purchaser purchase from such Holder at the same price and on the same terms and conditions as involved in such sale or disposition by McKim (the "Purchase Offer") the number of shares of Common Stock owned by such Holder equal to the aggregate number of shares of

22

Common Stock proposed to be purchased by the Purchaser from McKim multiplied by a fraction, the numerator of which is the number of shares of Common Stock held of record by such Holder and the denominator of which is the aggregate number of shares of Common Stock held of record by McKim and the Holders. The amount of shares of Common Stock that each Holder is entitled to sell under this Section 7.2 shall be referred to as its "Pro Rata Share". McKim shall deliver to each Holder not more than 60 days and not less than 30 days prior to the proposed Conveyance to the Purchaser a copy of the Purchase Offer, if in writing, and a description of all other material terms and conditions of the Purchase Offer. Within 25 days after receipt of the Purchase Offer, a Holder shall give notice to McKim of its intent to sell all or a portion of its Pro Rata Share. In the event that a Holder shall elect to participate in any such sale or disposition, such Holder shall communicate in writing such election to participate to McKim, which communication shall be delivered to McKim pursuant to Section 8.2 hereof, and the number of shares of Common Stock to be Conveyed by McKim to the Purchaser shall be reduced accordingly.

(b) McKim and each participating Holder may, up to and including 90 days after but not until at least 60 days after McKim's delivery of the notice of the Purchase Offer to the Holders, Convey any or all of their shares of Common Stock to the Purchaser, in quantities and on terms and conditions no more favorable in any material respect to those specified in the Purchase Offer or otherwise disclosed to the Holders, and the Holders shall not have the right to require that the Purchaser purchase any of their shares of

Common Stock as to which they did not exercise their co-sale rights hereunder. If such sale is not consummated by the expiration of such 90 day period, the restrictions provided for herein shall again become effective, and no Conveyance of such shares of Common Stock may be made thereafter by McKim without again complying with the requirements of this Section 7.2.

(c) The closing of any sale of the shares of Common Stock by the Holders and/or McKim pursuant to this Section 7.2 shall be held at the Company's principal office at 10:00 a.m., local time, no later than 30 days after the dates of expiration of the right to sell referred to in Sections 7.2(a) and 7.2(b) hereof, or at such other time and place as the parties to the transaction may agree. At such closing, each Holder (if it has elected to participate in accordance with this Section 7.2) and/or McKim shall Convey all the shares of Common Stock purchased by the Purchaser pursuant to this Section 7.2 free and clear of any Encumbrances (other than restrictions imposed by the organizational documents of the Company, including without limitation, this Agreement, and pursuant to applicable federal and state securities laws), and each such Holder and/or McKim shall so represent and warrant, and further represent and warrant that it is the record and beneficial owner of such shares of Common Stock. The Purchaser shall deliver at such closing, in cash by wire transfer of immediately available funds, payment in full to the each of the Holders and/or McKim for its respective portion of such shares of Common Stock sold.

(d) The election by a Holder not to exercise its rights under this Section 7.2 in any one instance shall not affect the rights of that Holder as to any subsequent proposed Conveyance by McKim. Any Conveyance by McKim of any of its shares of Common Stock without first giving the Holders the rights described in this Section 7.2 shall be void and of no force or effect.

7.3. Permitted Transfers. Subject to the final proviso of this paragraph, the provisions of Section 7.1 or 7.2 shall not apply to the

Conveyance of Common Stock by McKim (a) in a public offering registered under the Securities Act; provided; that the Holders shall have had the opportunity to participate in such offering, without limitation on the number of Registrable Securities covered thereby, in accordance with Section 2 hereof, (b) in a sale pursuant to Rule 144 of the Securities Act, (c) pursuant to a bona fide pledge of the Common Stock to a nationally recognized financial institution as security for a bona fide financing arrangement by McKim and (d) to any one or more persons or entities each of which is a "Permitted Holder" as such term is defined in the Certificate of Designation in respect of the Series C Preferred Stock (collectively "Permitted Family Transferees"); provided, however, that such Permitted Family Transferee(s) shall take such shares of Common Stock subject to and be fully bound by this Agreement with the same effect as if it were a party hereto and shall execute and deliver to the Company and each Holder an instrument of accession and such additional documentation as the Company's Board of Directors and the Holders may reasonably require to bind such Permitted Family Transferee in the same manner that McKim is bound under this Agreement, and references herein to McKim shall be deemed to include any such Permitted Family Transferee(s).

## 8. General.

8.1. Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified, supplemented or terminated, and waivers or consents to departures from the provisions hereof may not be given, without the written consent of the Company and the Majority Holders and if adverse to McKim, McKim; provided, however, that no such amendment, modification, supplement, waiver or consent to departure shall reduce the aforesaid percentage of Registrable Securities without the written consent of all of the Holders of Registrable Securities; and provided further, that nothing herein shall prohibit any amendment, modification, supplement, termination, waiver or consent to departure the effect of which is

limited only to those Holders who have agreed to such amendment, modification, supplement, termination, waiver or consent to departure.

If the Company shall so request any heir, successor or permitted assign (including any permitted transferee) wishing to

(b) The execution and delivery of this Agreement by such Stockholder do not, and the performance of this Agreement by such Stockholder shall not, require any consent, approval, authorization or permit of, or filing with or notification to, any governmental entity.

Any Investor shall be entitled to its reasonable attorneys' fees in any action brought to enforce this Agreement in which it is the prevailing party.

SECTION 4.03. Entire Agreement. This Agreement constitutes the entire agreement between the Investors, the Stockholders and the Company (other than the Securities Purchase Agreement and the Investors Rights Agreement) with respect to the subject matter hereof and supersedes all prior agreements and understandings, both written and oral, among the Investors, the Stockholders and the Company with respect to the subject matter hereof.

Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the terms of this Agreement remain as originally contemplated to the fullest extent possible.

SECTION 4.06. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the Commonwealth of Massachusetts applicable to contracts executed in and to be performed in that Commonwealth.
